INCREASED CROWD AT JEROME.

Mr. Withers Runs One-Two in the Lassie Stakes.

[SPECIAL TO THE EVENING WORLD.]

JEROME PARK RACE TRACK, July 16.—It was very pleasant here this afternoon. The weather was cool and pleasant, and what is more wonderful, there was a refreshing breeze. It came from the southwest, and this had a chance to get in between the hills that surround Jerome on all sides but the south.

The crowd to-day was a very fair-sized one, and a trifle larger than that of Tuesday, which was the largest of the meeting. The programme was very attractive, and it is a wonder that it did not draw more people to the course.

Two stake events and four other races promised fair sport. The first race contained a famous lot of sprinters, including Nellie Bly, Fairy, Soho, Chesapeake and others. Every horse in the race had a chance, and every one had good backing.

Nellie Bly, Chesapeake, Soho and Fairy opened up even favorites. Chesapeake was quickly backed down into favorite's position, while Fairy and Nellie Bly both receded. Soho receded some, but closed a good second choice.

The race was a pretty one, all the contesters turning into the stretch in a close bunch. Chesapeake then came away and won easily. Nellie Bly came very fast at the end, but too late to win. Queenston was third.

The second race furnished an illustration of the poor form which compels the coupling of two horses in one stable in the betting. Mr. Withers had two entered, Adage filly and Tom Moore.

Both were second choice, Casanova running in as the favorite of the night. A big up was set on Enid and she was heavily played, while Kitty and Anna B. also had substantial support. Withers finished first and second. The people therefore were satisfied.

The field was away with all disjointedness. Moore lapped Enid. The favorite showed a very badly considering his recent good form.

The third race furnished good betting. Strathmeath was the favorite choice with Rickey Tick a close second. Bolero receded in the betting, while Sir Reckon receded stubbornly, first choice Uno Grande opened at 5 to 1, and was heavily backed to lose the betting.

The finish was a pretty one between Strathmeath and Uno Grande. Covington fairly outroode Marche and landed Strathmeath a winner by a head. Reckon was a poor third.

FIRST RACE.

Handicap sweepstakes, at $20 each, with $1,000 added; 1,400 yards.

Starters.	W'ht.	Jockeys.	Betting. Straight.	Betting. Place.

7 Soho	110	Bergen	7—2	6—5

Soho was the first to show but was immediately outrun by Sirocco who showed the way out of eight behind the stand with Soho, Fairy, Nellie Bly and Queenston next. When they reappeared on the turn, Sirocco and Soho were still in front, but Queenston was rapidly overhauling them, and she turned into the stretch a neck before Soho, Sirocco and Fairy, who were heads apart.

As soon as they straightened out Chesapeake came through and joined the leaders. At the last sixteenth Chesapeake came away and won easily by two lengths from Nellie Bly, who came very fast and beat Queenston out a length for the place. Time—1:21¼.

There was about two lengths in front of Bolero, with Uno Grande at the head of the others, four lengths back.

Bolero drew up even with Reckon in front of the club-house, and the pair led the field out of sight, with Uno Grande, Strathmeath and War Path following in the order named.

On the turn the field closed on the leaders. Uno Grande, Bolero and Reckon turning into the stretch on even terms.

Uno Grande then drew clear, Covington drew up with Strathmeath and under the whip the latter won by a neck just on the post.

Uno Grande beat Reckon three lengths for the place. Time—2:12¾.

When they reappeared Temple was in front, with Piccalilli next, then Kilkenny and Wyandotte colt.

The same order prevailed to the head of the stretch, where Piccalilli quit. Temple and Julio drew away, and, on a furious finish, Temple won by a short head from Julio, who was a neck before Kilkenny. Time—1:18¼.

RACING AT BRIGHTON BEACH.

Kingston Frightens Entries Out of the Fifth Event.

[SPECIAL TO THE EVENING WORLD.]

BRIGHTON BEACH RACE TRACK, July 16.—Another attractive programme induced several thousand people to spend the afternoon at the Brighton Beach track. There was no special feature to be decided, but in most of the events the contestants were evenly matched, leaving it a hard task for the talent to pick the winner.

M. F. Dwyers great sprinter, Kingston, made his debut at the track in the fifth race, and of course his presence frightened several horses out of the contest.

It was rumored here during this afternoon that another effort will be made to effect a match between Longstreet and Riley.

Should Secretary Sass succeed in his attempt to treat the patrons of this Association to such a grand equine contest he certainly will deserve the thanks or every lover of the sport of kings.

The report that Hamilton had the mount on Lord Dalmeny in the opening event made the colt the favorite among the thirteen starters.

Old Tattler, however, had also strong support, his last races having increased the number of his admirers. Lord Dalmeny won the race, but it required all the skill of Hamilton to accomplish the feat; only noses separated Lord Dalmeny and Servia at the finish.

The second race, which was for two-year-old maidens, and which had fifteen starters, saw Bill Daly's filly, Belle D., the favorite, while the others could be backed at fancy prices.

In the stretch Dalmeny gained on Servia on every stride, and when passing the line just managed to get his nose in front. Three lengths separated Servia from Romance. Time—1:02, which is very fast.

DOUBLE BILL FOR TO-DAY.

Capt. Ward Ordered Off the Field for Strenuous Kicking.

[SPECIAL TO THE EVENING WORLD.]

EXPOSITION PARK, PITTSBURG, July 16.—A more perfect day for baseball could not be imagined than this, and the people turned out in goodly numbers to see the home Club's last two games with the Brooklyn team in this series.

The Pittsburg management on Tuesday evening suspended King for two weeks without pay for indifferent play, but to-day he was reinstated and was put on the card to pitch one of the games.

Fred Carroll injured his knee yesterday sliding to third, and will be laid up for several days. Mack was also laid up in yesterday's game, and Catcher Berger, who was released on Monday, has been pressed into service.

The attendance was about 1,800 when the first game began this afternoon.

The teams batted in the following order:
