Pulmonic Syrup.

SCHENCK'S PULMONIC SYRUP.

SCHENCK'S PULMONIC SYRUP.

For cure of Coughs, Colds and Consumption.

Dr. Schenck's Seaweed Tonic, for the cure of Dyspepsia and all Debilitated Conditions of the Stomach.

Dr. Schenck's Mandrake Pills, for Diseases of the Liver, and to act as a gentle purgative.

All of these three medicines are required in curing Consumption, though the Pulmonic Syrup alone has cured many desperate cases. The Seaweed Tonic and Mandrake Pills assist in regulating the Stomach and Liver, and help the Pulmonic Syrup to digest and search through the blood vessels, by which means a cure is soon effected.

These medicines are conscientiously offered to the public as the only safe, certain and reliable remedies for Pulmonary Consumption, and for all those morbid conditions of the body which lead to that fatal disease. Liver Complaint and Dyspepsia are often forerunners of Consumption, and when they manifest themselves they require the most prompt attention.

The Pulmonic Syrup is a medicine which has had a long probation before the public. Its value has been proved by the thousands of cures it has made through a period of more than thirty years, in all which time its reputation has constantly increased, and the most obstinate skepticism can no longer doubt that it is a remedy which may be used with confidence in all cases which admit a cure.

If the patient will perseveringly follow the directions which accompany each bottle, he will certainly be cured, if his lungs are not too much wasted to make a cure possible. Even in cases supposed to be incurable, when friends and physicians have despaired, the use of this medicine has saved the life of the patient, and restored him to perfect health.

Dr. Schenck was cured himself in precisely such circumstances; and many others have been equally fortunate by judiciously making a timely use of Dr. Schenck's remedies.

Dr. Schenck does not say that ALL cases of Pulmonary Consumption are within the reach of medicine, but he emphatically asserts that often, when patients have the most alarming symptoms, such as a violent cough, creeping chills, night sweats and general debility, even to such a degree that they are obliged to lie in bed, and when they are given up by their physicians,

THEY MAY STILL BE CURED.

No medical treatment can create new Lungs, but when the lungs are very sadly diseased, and to some extent destroyed, a cure may be effected by Dr. Schenck's Medicines. Also, in

SCROFULOUS DISEASES

these Medicines are equally efficient. Dr. Schenck has photographs of a number of persons who have been nearly covered with running sores, which are now healed up. This shows its purifying properties, which must be done to heal cavities in the lungs.

In the treatment of Consumption it is of the utmost importance to give vigor and a healthy tone to the system. Hence, it is necessary to strengthen the appetite of the patient and to improve the digestion. Proper nourishment is required, together with such means as will make the food easily digestible. The articles most suitable for the diet of consumptive patients are designated in Dr. Schenck's pamphlets, which are distributed gratuitously. In general the most highly nutritious articles are to be preferred, but the digestive organs must be strengthened in order to make either food or medicine serviceable. This requirement is met by the Seaweed Tonic, and for this purpose it was designed.

When the digestive powers are put in good order, the food has its proper effect, the system of the patient is invigorated, and the lungs begin to exercise their functions in a normal and healthy manner. Then the healing powers of the Pulmonic Syrup will complete the cure.

Dr. SCHENCK will be professionally at his Rooms, No. 32 Bond-st., New-York, every TUESDAY, from 9 a. m. till 3 p. m.

Mandrake Pills.

SCHENCK'S MANDRAKE PILLS.

THE MANDRAKE PILLS

Are composed entirely of roots and herbs, obtained from the great storehouses of Nature, and their salutary effects will appear as soon as the medicine is brought to the test of a fair experiment.

SCHENCK'S MANDRAKE PILLS do not produce any nausea or sickness of the stomach, but when given for Dyspepsia it may be proper to use them in connection with SCHENCK'S SEAWEED TONIC. By this judicious treatment the digestive faculties are speedily restored to their full vigor, and the worst cases of indigestion may be cured.

When we reflect that the liver is the largest internal organ of the body, that it is assigned the important duty of filtering the blood and preparing the bile, that it is subject to many disorders, and that when it is diseased, or inactive, the whole body suffers sympathetically, it is not surprising that a medicine which can restore the healthy operations of the liver should produce wonderful changes in the general health, and effect cures which may appear to be almost miraculous. Headache of long continuance, severe pains in the side, breast and shoulders, aching of the limbs, a feeling of general weakness and wretchedness, and other alarming and distressing symptoms, indicative of imperfect or disordered action of the liver, are speedily removed by the use of SCHENCK'S MANDRAKE PILLS.

Costiveness, piles, bitter or sour eructations, and that indescribable feeling of oppression, mental anxiety, languor, lethargy and depression of spirits, which unfit a man for the management of business and the enjoyment of life, are all relieved by the use of

SCHENCK'S MANDRAKE PILLS.

Dr. SCHENCK will be professionally at his Rooms, No. 32 Bond-st., New-York, every TUESDAY, from 9 a. m. till 3 p. m.

Dr. Schenck will be professionally at his principal office, No. 15 N. All advice free, but for a thorough examination of the lungs with his Respirometer the charge is three dollars.

Price of the Pulmonic Syrup and Seaweed Tonic, each $1 50 per bottle, or $7 50 per half-dozen. Mandrake Pills, 25 cents per box.

Seaweed Tonic.

SEAWEED TONIC!

FOR THE GASTRIC JUICE OF THE STOMACH.

TRY ONE BOTTLE.

It will strengthen your whole system.

ONE OR TWO BOTTLES

Will create a favorous appetite.

ONE BOTTLE

Will cure sour or sick stomach.

TRY A BOTTLE.

It is a palpable stimulant.

This remedy is composed of a compound preparation of a common weed, growing along the seashore, and is a certain and infallible remedy for the cure of Dyspepsia.

The effect of the Seaweed Tonic is felt soon after it is taken, as it supplies at once the principles of the deficient gastric juice, and the food is digested naturally.

It gives tone and strengthens the stomach, thus enabling it to secrete the proper quantity and quality of gastric juice, and Dyspepsia and all its diseases soon disappear.

A little taken before breakfast will create an appetite. After eating a hearty dinner a wine-glassful of it will digest the food and prevent any unpleasant feeling of fullness. It is perfectly harmless and very agreeable to the taste; it corrects the stomach in such a way that everything that is eaten seems to agree with the stomach, and by continuing its use persons become quite fleshy. In short, it being seldom that persons are troubled with Dyspepsia without some torpidity of the liver and constipation of the bowels, then one of Schenck's Mandrake Pills should be taken every night for a week or two, then one every other night. This will regulate the bowels so gradually that nature will do it without the aid of purgatives.

It is a well-known fact that none suffer like the Dyspeptic, for in addition to the Dyspepsia there is often either headache, sour and sick stomach, pain in the side, palpitation of the heart, chills and fever, gravel, disease of the kidneys, nervous weakness, and tremors and general debility.

The Seaweed Tonic is a pleasant bitters, giving a person a good appetite and good digestion. It is put up in quart bottles.

It is pure, and contains no common corn or rye whisky, or alcohol. The Seaweed is distilled similar to the process of Jamaica Spirits, and always agrees with the stomach.

Dr. SCHENCK will be professionally at his rooms, No. 32 Bond-st., New-York, every TUESDAY, from 9 a. m. till 3 p.m.

Dr. Schenck will be professionally at his principal office, No. 15 N. All advice free, but for a thorough examination with his Respirometer, the charge is $3.
