THE TURF.

Banquet Goes the Handicap Distance in Excellent Time.

ROSARIUM'S WALK - OVER.

The Hill-Top Meeting Closes To-Morrow—Other Track Talk.

Notwithstanding the heavy going at the different tracks yesterday some stiff work was done by the various Handicap candidates. Russell was taken over to Sheepshead Bay and sent a mile and a half in 2.41. The first mile and a quarter was turned in 2.13. Reclare, sulking, went a mile and a quarter in 2.19, aided by a liberal prodding with the spurs. Reckon covered the distance in 2.14¼. Madstone's time for a mile and a quarter was 2.10, done in very easy fashion. Banquet astonished his owner by galloping the Handicap distance in 2.12. Raceland went by the wire in 2.16 and a trifle tired. Longstreet was sent a mile and a half in 2.47. Portchester travelled along in good style in 2.16. Pessara and Cassius were both out and sent a mile and a quarter. The former covered the distance in 2.15, finishing well in hand. Cassius was all out in 2.15. Rey Del Rey went a mile and a furlong in 2.04. Major Domo went a mile in 1.46, carrying 130 pounds.

* * *

A horseman at Gravesend yesterday offered to wager that Madstone, on Monday next, with a fast track, would go the Handicap distance in 2.07¼. There were no takers. No one wanted to rob the misguided man or break his sweet dream.

* * *

Here are two good things for the opening day at Gravesend. Correction to win the opening dash and Hellgate to win the sweepstakes for three-year-olds. The last named is a hummer.

* * *

L. J. Rose's string has arrived at Gravesend. They have been racing at the Bay District track (California) and are in shape to run. Fairy is very much improved in looks.

* * *

It is related of Bookmaker Ike Thompson that one day at the recent Washington meeting a man approached and handed up a silver half dollar to be bet on a favorite. Ike immediately turned and chalked upon his board this notice: "No pies sold here."

* * *

The match race between the ponies Rosarium and The Crow at a quarter of a mile for $500 a side did not take place yesterday at Sheepshead Bay. Rosarium showed a quarter in 24 seconds with 130 pounds up, and this scared the owners of The Crow so badly that they paid forfeit ($250) and Rosarium walked over the course.

* * *

Go-As-You-Please is the name of a horse that ran at Louisville to-day. He is probably in the same class as Count-Me-In, Come and Go, Get There, Big Brown Jug, Eight to Seven, Knott Init, Don't Know, Can't Tell and other appropriately named skates.

* * *

The last time Sentiment raced, William, she was a filly. Has she been taking some of those sex-changing pellets mentioned by Gunter in his latest novel?

* * *

The Garfield Park Club wins its battle against the West Side Park Commissioners. The latter tried to establish a building line fifty feet along the line of the Boulevard, which would spoil the race track, under the law prohibiting horse-racing within 400 feet of a boulevard line. The defendants claimed that the Court had no jurisdiction in the matter, and that the Park Commissioners should make all the property owners along the proposed line defendants, by name, and should serve them with summonses as in other chancery proceedings. This opinion was concurred in by the Court in his decision. This proceeding will require a number of years, and in the mean time the Club will rest secure.

* * *

The Monmouth Park Association scored its first victory yesterday. Judge Conover, of the Monmouth County Court, awarded the Association its liquor license, on the ground that such a privilege as a restaurant and bar were indispensable adjuncts to a race track. This action may be taken as an indication of the feeling that exists towards racing in Monmouth County.

* * *

Starter Caldwell leaves on Saturday night to fulfil his engagement at St. Louis. Polo Jim and Dave Clark go with him.

* * *

Martin was to have ridden Marsh Redon yesterday, but declined at the last moment. Had he accepted the mount the old gelding would have been placed.

* * *

The season winds up at Guttenburg to-morrow. According to the testimony of the racing officials it has been successful in every way. There is no prospect of further racing on the hilltop until October.

* * *

The St. Mary's Hospital physicians report that Charlie Post is in a very bad way and has not one chance in a hundred to live. The young jockey has a host of friends, who express genuine sorrow at his misfortune.

* * *

The Guttenburg officials say that they will not interfere with racing at the large tracks. Instead, they will help the cause of racing in every possible way. This is "heaping coals of fire," &c., with a vengeance.

* * *

From the present outlook the Brooklyn Handicap will be run over a slow, heavy track.

DAYLIGHT HIGHWAY ROBBERY.

Masked Men Hold Up a Paymaster Near Syracuse.

SPECIAL TO THE EVENING WORLD.

SYRACUSE, May 13.—Paymaster Fox, of the Solway Process Company, was waylaid and robbed by two masked men on the roadway in the town of Geddes at 10 o'clock this forenoon.

One man held a gun on Fox and his driver, James Houser, while the other bound them. Then the robbers drove off.

The horse and wagon were found some distance away, but $2,300 in the Solway company's pay envelopes was gone.

There is no clue to the robbers yet.

The Behring Sea Squadron.

(BY ASSOCIATED PRESS.)

FORT TOWNSEND, Wash., May 13.—The Behring Sea squadron, consisting of the United States steamers Yorktown, Mohican, Adams, Bush and Bear, leaves here for the North this morning. The Tanger will follow in a few days.

New Mint Bill Introduced.

(BY ASSOCIATED PRESS.)

WASHINGTON, May 13.—In the Senate today Mr. Quay introduced a bill appropriating $1,000,000 for the purchase of a site and the erection of a mint in Philadelphia. (The appropriation for this purpose, stricken out in the House Sundry Civil bill, was $620,000.)

WALL ST. STOCK REPORTS.

Northern Pacifics Raided by Wall Street Speculators.

Rumors of a Big Deal Impending in Manhattan "L."

Union Pacific Lower on Rumors of a Bad Statement Coming.

WALL STREET, FRIDAY, May 13.—There was considerable pressure to sell Northern Pacific preferred again to-day. The street is convinced that the May dividend will be passed, as it is known that the company has not earned it. It is expected that the directors will meet next week and take official action in the matter.

The heaviness of the stock had no influence on the general market, which was strong, and almost buoyant for Manhattan Elevated, Cordage, Edison General, Hocking Valley Tennessee Coal & Iron preferred, Western Union, Distilling & Cattle Feeding and Duluth South Shore & Atlantic.

Manhattan rose to about 130. The belief is that an important deal is on foot, involving the transfer of a block of the stock to a syndicate of bankers.

The bears made a very successful raid on the railroad list this afternoon, Union Pacific, Northern Pacific preferred and Atchison having been conspicuously weak. The decline was assisted by the announcement of further engagements of gold for shipment to Europe. In the stocks mentioned "stop" orders were reached, tired holders having finally decided to unload.

Cordage advanced to 108 on purchases to cover shorts. Distilling & Cattle Feeding moved up to 40 on a despatch from Boston that Judge Nelson, of the United States District Court, has quashed the first indictment found against the Whiskey Trust officials. Joseph B. Greenhut and others. Hocking Valley rose to 30¼ on talk of a close alliance with the Lake Shore.

Union Pacific yielded over 2 points to-day and it was rumored that the April showing of the company will be a bad one.

Rumors were in circulation of a new issue of bonds by the Atchison. These are pronounced absolutely untrue by Vice-President Reinhart.

Hocking Valley was active and advanced to 40, but subsequently reacted 1⅝ from the highest.

George Gould says: "I have heard the rumor that the Broadway Cable Company has bid 140 for control of Manhattan Elevated, but I have nothing to say."

Ladenburg, Thalman & Co. will ship $400,000 gold to Europe to-morrow.

The Treasury Department to-day purchased 520,000 ounces of silver at 88.30 a 88.40. The offerings were 635,000 ounces. The steamship Spree will take out 50,000 ounces of silver.

Andrew Mills, President of the Dry Dock Savings Institution, was to-day elected President pro tem. of the State Trust Company, in place of Willis E. Paine.

The total sales at the New York Stock Exchange to-day were 294,200 shares of listed stocks and 27,000 ounces of silver.
