That the great superiority of these instruments is now universally conceded is abundantly proven by the FACT that Messrs. BENEFIT
of the
DESTITUTE CHILDREN
of the
SOLDIERS AND SAILORS OF THE WAR.

Mr. EDWIN BOOTH, the distinguished tragedian, will, immediately preceding the close of his present engagement, give a matinée at the WINTER GARDEN on the 24th of March, p. m., for the benefit of the institution in Fifty-eighth-st. for the support of the destitute children of the soldiers and sailors who have been killed in our recent struggle for the Union. The play will be one in which Mr. Booth has not appeared during the present season. As the proceeds will be devoted to aid the ladies of the institution in their efforts to increase their building, that they may meet the incessant demands made upon them for the support of the orphans of the brave men who have fallen upon the battle-field and the ocean, they trust that the citizens of New-York will respond in a spirit evincing their sense of this natural obligation.
