THE TURF.

Montana and Major Domo Matched to Run Suburban Distance.

VAN NESS'S LICENSE REVOKED.

Plunge on Fremont—Reclare Said to Be in a Bad Way.

What may properly be termed an "echo of the Suburban" is the fact that Montana and Major Domo have been matched to run a mile and a quarter on Saturday next for $2,500 a side. Both horses will carry the weights assigned to them in the Suburban. The match was the outcome of Trainer Matt Byrnes's declaration that any owner not satisfied with the result of the Suburban could have a match. Mr. W. J. Spiers, who was dissatisfied with Lambley's riding, and unreasonably so, because the boy did the best he could, promptly visited Mr. Byrnes and offered to match Major Domo at a mile and a furlong. Byrnes would not agree to this, however. The Jockey Club heard of the match talk and promptly offered a purse of $5,000 for a sweepstakes at $2,500 each over the Suburban distance, and both Montana and Major Domo have been entered. Other owners who think they should have won the Suburban can enter providing they carry their handicap weights. It is not improbable that Loochatchee and Lamplighter will enter, and a grand race should be witnessed, as between Major Domo and Montana it looks a sure thing for the latter.

* * *

The career of Mr. Frank Van Ness, owner of India Rubber and reputed owner of that good colt Morello, has been cut short by the Board of Control. The in and out running of India Rubber was so bad as to excite considerable unfavorable comment. He was not out of sight until the last day of the meeting, when the horse ran in front all the way and won in hand. Mr. Van Ness was called up to explain, and he put his foot in it by complaining that Taral did not ride to orders on previous occasions. Taral retaliated by declaring that the horse was "dead under him" in at least two races. The Board of Control believed the jockey, and revoked Mr. Van Ness's license.

* * *

The timers employed by the Coney Island Jockey Club must have been in a trance on Saturday. They announced the time of the first race on that day as 1.01. Now it transpires that the race was run in 1.00 flat. They also hung out the Suburban time as 2.07 3-5, whereas it was 2.07 2-5, and was subsequently changed to the latter figure. Many people would have played Vestibule yesterday had they known that his race on Saturday was run in one minute.

* * *

Rightaway's chances in the Daisy Stakes yesterday were spoiled by a bad stumble which sent the colt back to last place. Garrison closed up a lot of ground with him on the turn, but when he saw he could not win desisted from further punishment. Rightaway is due to win.

* * *

Mr. John Hunter yesterday disposed of the two-year-old Tremont colt Chicago, and the three-year-old colt Dagonet, also by Tremont, to Mr. M. F. Dwyer for $10,000. In Chicago the writer believes Mr. Dwyer has a bargain. He is a big fine-looking colt with a great turn of speed. He was close up in the Great Eclipse. Mr. Hunter is said to be discouraged over the performances of his horses. It was fortunate for him that Elrod was set down, for Lovelace would never have captured the Daisy Stakes had not Bergen been in the saddle.

* * *

A tremendous plunge was made on Fremont yesterday. The colt did a mile trial at Brooklyn a few days ago in 1.41¼, and the news of this was quickly whispered about the track. Orlando Jones posted 5 to 1 against Fremont as an opening price, but only took one bet, as the wags of bills thrust up in his face completely scared him. The colt went to the post a hot favorite at 7 to 5. He was not quite fit, and after running six furlongs in good style quit badly. Arab, whose recent performances did not entitle him to any consideration whatever, was at a generous price and won easily.

* * *

Pessara's poor showing in the Suburban is accounted for in the fact that the colt broke down. Fred Taral declares that Pessara was in a good place and running easily at the end of a mile, and that his chances of winning were second to none. Pessara stopped then as though shot. Yesterday he was unable to move out of his stall, and Mr. Campbell fears that he will never be able to get another race out of the colt.

* * *

It is said that Reclare is in a bad way and will never again start in a race.

MURDER BY A JILTED LOVER.

Ina Schoonmaker Shot by Joseph Terwilliger at Rifton.

(BY ASSOCIATED PRESS.)

KINGSTON, June 21.—Joseph Terwilliger, of Kerhonkson, shot and killed Ina Schoonmaker, of Rifton, at the latter place this morning.

He ran away after committing the crime, and officers are in pursuit of him.

The young woman discarded Terwilliger, who was madly in love with her.

Officers of the Gazaza Club.

The following have been elected officers of the Gazaza Club, of East Ninth street: Oscar Schultz, President; Timothy O'Brien, Vice-President; Luke Gibney, Secretary; David Mackoff, Treasurer; John Fulton, Sergeant-at-Arms.

The Ministers in Boston Preach Temperance and Advise Treatment in the Boston Drug Institute.

BOSTON, June 21.—In several of the churches yesterday the ministers spoke of the great intemperance of the 17th, and advised those who could not abstain from strong drink to undergo treatment at the Boston Drug Institute. They have investigated this sanitarium and approve of it. This is a strong inducement for W. R. Brown Co., coming from such a source, and they deserve it, as they have demonstrated that drunkenness can be cured in two weeks. They have cured some very hard cases and done an enormous amount of charitable work, for which the community cannot sufficiently thank them. Many families whose happiness has been ruined by the intemperateness of some member or other are giving heartfelt thanks and praise for the opportunity of cure.

STOCK REPORTS.

No Time Set for Depositing Voting Trust Certificates.

Material Increase of Anthracite Coal Shipments.

Denial of Rumors that the Agra Bank, of England, Had Failed.

WALL STREET, TUESDAY, June 21.—The heat and the Chicago convention had a tendency to restrict operations, and up to noon only 80,000 shares changed hands.

The advance in quotations was equal to ¾@1¼ per cent., with the Grangers in the lead.

One of the trustees of the New England Voting Trust says time for depositing securities is not ready to be announced because the largest stockholders are yet to be heard from. More than $5,000,000 of the stock will support the plan. In a little while the consent of the smaller stockholders will be asked for.

The earnings of the Atchison for the second week of June increased $31,229.

The Norfolk & Southern road has declared a quarterly dividend of 1 per cent., payable July 12.

The steamship Trave, which sailed for Europe to-day, takes out $1,000,000 gold.

The shipments of anthracite coal for May were 3,531,121 tons, an increase of 191,580 tons, and from Jan. 1 to May 31, 15,575,014 tons, an increase of 1,390,403 tons. The stock of coal at tidewater shipping points on May 31, 1892, was 684,662 tons, and on April 30, 1892, 714,842 tons.

Rumors that the Agra Bank, Limited, of England, with a paid-up capital of £1,000,000, and doing a large India and China business, is in difficulties are denied. The stock, £10 shares, closed June 10, 5¼ bid, 6¾ asked. The balance sheet on March 24 shows reserve fund £70,000; deposits £3,000,000; cash on hand £1,500,000. The stock paid 5 per cent. The bank was hurt by a Bombay failure last April.

RAVACHOL ON TRIAL.

The Paris Anarchist Accused of Five Murders and a Grave Robbery.

(BY ASSOCIATED PRESS.)

PARIS, June 21.—The trial of Ravachol, the Anarchist, opened to-day before the Montbrisson Assizes.

He is charged with having committed five murders and with having violated, for the purpose of plundering, the grave of the Baroness Roche Taillee in the St. Jean Bonnefonds Cemetery.

Jao Beala and his mistress, Rosalie Soubere, were also arraigned with Ravachol, charged with aiding and abetting him in one murder.

Ravachol was examined at great length. He confessed that he murdered the Hermit of Chambles, and said he had obtained from the premises occupied by his victim the sum of 31,250 francs. He declared that he stole to save himself from death by starvation and to aid the Anarchists.
