A new and enlarged edition (the sixth) of
BRAZIL AND THE BRAZILIANS,
By the Rev. J. C. Fletcher and the Rev. D. P. Kidder.
With 150 illustrations.
8vo. cloth. $4 50.

The present edition has been prepared to supply a want felt by the public in England and America. Since the previous editions, one of the authors (Mr. Fletcher) has visited Brazil four times; and has traversed extensively from the Southern Provinces to the Amazon, and up that noble river to the borders of Peru.

By additions, by notes, and by appendices, an equivalent to 100 pages of new matter has been added. Information has been brought down to date. It is hardly necessary to add that this is the only comprehensive work on Brazil extant, containing the history of the country; sketches of its Imperial ruler and of the living Statesmen; descriptions of six different journeys by both authors; literary, scientific and commercial statistics, and much information for those desiring to emigrate to Brazil. It contains maps, and 150 illustrations on steel, stone and wood.

THREE YEARS IN THE SIXTH CORPS—A CONCISE NARRATIVE OF EVENTS IN THE ARMY OF THE POTOMAC FROM THE AUTUMN OF 1861 TO THE CLOSE OF THE REBELLION, APRIL 9, 1865.—BY SURGEON GEORGE T. STEVENS.
This is the most beautiful and interesting work which has been written as an army record. It is not only a history of the Old Sixth Corps, but it gives a complete narrative of all the events in the Grand Army of the Potomac—its Campaigns, its Battles, the scenes in the camps and in the hospitals, in the bivouac and on the march—abounding in beautiful incidents, profusely and elegantly illustrated.
No work has ever been published which so perfectly reflects the every-day life of the soldier, while at the same time it gives a complete record of all the great movements of the Army.

## Teachers.

"AMER. SCHOOL INST.," founded 1855, IS A RELIABLE EDUCATIONAL BUREAU:
(1.) To aid all who seek well-qualified teachers. Principals, School Officers and Heads of Families should send full particulars of what teachers they want, and ask for the "Teachers' Bulletin." (2.) To represent educated teachers who desire positions. The demand for experienced teachers is good, especially for those who teach Classics, Military Tactics and Music. Professors of Music and superior Female Music Teachers are always in demand. All teachers should have the "Application Form." (3.) To give parents information of good schools. Facts concerning schools are properly classified, and are promptly submitted to those who seek schools for their children and wards. The *reliability* of the "American School Institute" is amply vouched for by well-known educators and business men in all sections of the country. This testimony will be sent when desired.
