The Sounding-Board, released from its connection with the piano-case and resting upon under sounding-boards, is relieved from the rigidity caused by such connection, and its vibratory quality greatly increased. TO BOOK AGENTS.—We are now ready to employ additional Canvassers for GREELEY'S HISTORY complete. The popularity of this work is unprecedented. For more than four months past the demand has far exceeded our utmost ability to supply, although we have printed and bound a much greater number of volumes than were ever before issued of any single work in so short a time and of equal size in the whole history of book-making. The great superiority of GREELEY'S HISTORY is everywhere admitted, even by the author's political opponents. Experienced Canvassers can secure good territory on favorable terms. Address O. D. CASE & Co., Publishers, Hartford, Conn., Cleveland, Ohio, or Detroit, Mich.
