ST. LOUIS AND IRON MOUNTAIN RAILROAD COMPANY'S SEVEN PER CENT. FIRST MORTGAGE BONDS. FEBRUARY AND AUGUST COUPONS.

The title of the St. Louis and Iron Mountain Railroad having been confirmed by act of the General Assembly of the State of Missouri, and the bonds declared valid, the work of extending the same in a continuous line from the Southern system of roads at Columbus, Ky., is now going rapidly forward. Ninety-one miles being in profitable operation, 45 miles of new work graded, with rails enough on hand for 47 miles, it is expected that the whole line, from St. Louis to Belmont, 180 miles, will be opened for business early next year, so that there will be a continuous line from St. Louis to Mobile, New-Orleans and other Southern cities. A very large traffic is anticipated.

The old part of the road (91 miles) already earns enough to secure all the interest on the whole mortgage debt, and the extension completed, will vastly increase the earnings. The proceeds of these bonds going into the extension of the road adds to the security, and a projected branch, southwest and from Pilot Knob, for which a cash subsidy of $15,000 per mile is granted by the State, as a free gift to the Company, will add very much to the value of their property.

THOS. ALLEN, President, St. Louis, Mo.

We, the undersigned, cordially recommend these seven per cent mortgage bonds of the St. Louis and Iron Mountain Railroad as a good security. The revenue of the road will be large and the administration of the affairs of the Company is in capable and experienced hands, and is entitled to the greatest confidence of the public.
