SPITE WALL IN 5TH AVE.

Mr. Wendel to Build 28 Feet Above His Yard.

W. G. Wendel, who lives at 442 Fifth avenue, which is at the northwest corner of the avenue and Thirty-ninth street, doesn't intend to have his sight offended by a section of an extension being built to a house in Thirty-ninth street, said to be owned by Mrs. Rudebush, formerly of this city, now of Paris.

To have proper seclusion Mr. Wendel will have built a brick wall twenty-eight feet high about his yard. He has intrusted the work to T. B. Snook & Son, architects, of 261 Broadway, and the plans were filed with the Building Department to-day.

The alterations in the Rudebush house include the building of a shaft facing Wendel's house. There are windows on each floor of it, and on each floor is a toilet room.

Mr. Wendel calls the shaft "an objectionable sanitary projection" and thinks his wall, which will surround the new flat, 100x180 feet, will be sufficient for its purpose.

"I've been having nothing but trouble for the last year," said Mr. Wendel this afternoon. "About twelve months ago I had a hen and a chicken. I used to give my neighbors eggs, and finally the demand outgrew the supply. Some one got jealous and complained to the Board of Health. I had to remove the hen. Those eggs came from the country and not from that one chicken, as the complainant thought.

"There was other trouble over live and dead dogs, but that was all patched up. But this sanitary projection was more than I could stand."

TERRORIZED BY MAD DOG.

Several Hundred Oliver Street Grammar School Children in Danger of Hydrophobia.

A Newfoundland dog, weighing over one hundred pounds, suddenly went mad in front of the Oliver Street Grammar School at 1 o'clock this afternoon and terrorized several hundred children who were plying in the street during the noonday recess.

The dog was finally killed by bullets from the revolvers of policemen after having been pursued five blocks through the most densely populated section of the city.

The dog was known in the neighborhood and had always been a gentle playmate of the school children. Therefore, when he began frothing at the mouth and snapping right and left this afternoon they were at first merely astonished, but when they realized at last the dog was mad they ran screaming into stores, hallways and into the school-house. Their cries attracted the attention of several policemen, who, as the dog ran from Oliver street into Oak street, gave pursuit with drawn revolvers.

Ultimately the beast was halted and cornered in front of 56 Oak street and five bullets put into its body.

GIRL SHOT HERSELF.

Mamie Smith Taken to a Hospital with a Bullet Wound in Her Neck.

Mamie Smith, thirty-one years old, who says she accidentally shot herself, was removed from 14 Catharine street this afternoon to the Gouverneur Hospital suffering from a pistol shot wound in the neck.

The doctors said her injury may prove fatal.

GIRL GAVE BABY CARBOLIC ACID.

Infant Mathias Rooney Drank Deadly Fluid and Died.

Baby Mathias Rooney, just fifteen months old, drank a quantity of carbolic acid at his home, 600 West Forty-fifth street, this afternoon and died within an hour.

The mother of the child had left home to visit her sick mother. She left her daughter Irene, three years old, and Felix, eight years old, in charge of little Mathias. Felix was in the kitchen and his sister and brother alone in a front room.

The baby espied a bottle containing carbolic acid on the mantle. He cried for it and Irene gave it to him. He tugged away at the cork and screamed when he could not get it out.

To quiet him the little sister innocently removed the stopper. The child put the bottle to its lips, drinking considerable of the burning fluid.

His cries of pain quickly brought Felix. He grabbed his brother, and as he did so received a sprinkling of the acid in the face, which was painfully burned.

An ambulance was summoned, but it was too late to save Mathias's life.

CAR RAN OVER OLD MAN.

Aged Joseph Wolf Run Down and Badly Hurt by Third Avenue Trolley Car.

Joseph Wolf, seventy years old, and living at 332 East Seventy-ninth street, is at Presbyterian Hospital in a precarious condition from injuries received by being run over by a south-bound Third avenue electric car at Seventy-ninth street last night.

Vincent Briggle, the motorman, of 207 East Eightieth street, was arrested. When arraigned at Yorkville Court to-day he was paroled for further examination.

The Cotton Market.

The closing prices of cotton to-day were: May, 9.70 to 9.71; June, 9.51 to 9.52; July, 9.46 to 9.47; August, 9.27 to 9.28; September, 8.48 to 8.49; October, 8.23 to 8.25; November, 8.01 to 8.03; December, 8.01 to 8.02; January, 8.02 to 8.03; February, 8.04 to 8.06; March, 8.06 to 8.07. Market quiet and steady.

Malaria.

MALARIA means bad air; bad air means poisoned air; breathing poisoned air poisons the system. Doctors call this Malaria. It is an insidious poison. It affects every part of the system. It affects the strong and healthy as well as the weak and debilitated. It can be effectually and permanently driven out only by the use of an absolutely pure alcoholic stimulant.

Duffy's Pure Malt Whiskey

has a matchless record of nearly half a century as the greatest remedy ever discovered for the cure of malaria. It cures because it is absolutely pure, free from all deleterious substances, especially fusel oil; it acts on the digestive organs, purifies and stimulates the blood, and drives out all malaria germs. Leading doctors everywhere prescribe it for malaria. All druggists and grocers sell it. If yours does not, a bottle will be sent you, express prepaid, on receipt of $1.00. Be sure you get the genuine. Substitutes and imitations are injurious. Write for free books of advice.

MAJOR SMITH STAYS OUT.

Court Denied Order Compelling Gen. Roe to Restore Him to Duty.

The Appellate Division of the Supreme Court to-day handed down a decision affirming the order of Justice Truax in the action brought by Major Clinton H. Smith to secure his restoration to active duty as an officer of the Seventy-first Regiment.

Major Smith applied to the Court for a mandamus requiring Major-Gen. Roe to restore him to duty with his regiment forthwith, and Justice Truax denied the motion.
