STOCKS UP AND DOWN.

Changes Wide in Some Cases with Trading Very Dull.

Price changes for the usually speculative stocks were extremely small, with the trading practically motionless throughout at the opening of the market to-day.

New York Airbrake lost 1 1-2 points to 141; American Steel & Hoop preferred 2 points to 69, later recovering a point to 70; Pressed Steel preferred dropped 2 points to 75 1-2, and Chicago & Northwest 2 points to 161.

On the other hand, Lake Erie & Western preferred appreciated 2 1-4 points to 97 1-4; Great Northern preferred advanced 1 point to 155; Lake Erie & Western common 1 1-4 to 28 1-2, and Illinois Central 1-2 to 113.

Consolidated Gas led the industrial quarter with a gain of 2 points. Sugar, which was selling ex-dividend 1 1-2 per cent., advanced nearly a point to 115.

Other changes throughout the general market were small and unsettled with advances and declines well distributed.

The local traction shares showed a strong tendency to advance.

There was a good deal of pressure later against Baltimore & Ohio and Missouri Pacific, and they yielded over a point each. Weakness spread through the railroad quarter, especially in the Western group.

There was not much interest in the specialties, but they weakened in sympathy with the railroads. Tennessee Coal lost nearly 2 points. Prices of bonds were well maintained despite the stagnation.

The reaction reached a point in a number of railroad stocks in the afternoon and there were losses of 2 1-2 to 4 points in New York Airbrake, Colorado Fuel preferred and Brooklyn Union Gas.

Sugar then rose over a point above last night's level ex-dividend, and Missouri Pacific rallied a point. Dealings continued intensely dull.

A feature of the late afternoon dealings was the heavy absorption of Reading first preferred, which advanced to 59, despite the large offerings on the rise. Meanwhile in the general list scarcely any of the prominent stocks vibrated 1-8 per cent.

After absorbing many shares at 59, Reading first preferred rose to 59 3-8, and the second preferred gained 2. Later in the session Western railroad shares broke badly on fears that rate-cutting would result from the differences over the division of traffic and on the crop damage rumors.

The grangers, Pacifics and Southwesterns lost from 1 to over 2 points, and the weakness spread to the trunk lines and specialties. The closing was active and weak at about low level.

The total sales of stocks to-day were 285,274 shares and of bonds $1,009,000 par value.

LONDON STOCKS QUIET.

The London security markets to-day were affected by the complications in China, and business was restricted pending further developments.

American railway issues were generally steady, which was attributed to heavy buying for the Continental account.

Small advances above the parity were: Union Pacific, 3-8; Union Pacific pf., Atchison, Reading 1st pf. and Illinois Central, 1-4 each.

WHEAT WAS STRONGER ON ENGLISH ORDERS.

Heavy English buying orders, accompanied by active covering by local traders, caused a strong wheat market to-day.

Foreign houses only responded feebly to the advance here yesterday, but operators apparently overlooked this owing to the favorable Winter wheat situation. Corn was dull and made small progress.

New York's opening prices were: July wheat, 75 1-2; September, 76 1-2; July corn, 43 3-4 bid.

Chicago's opening prices were: July wheat, 71; August, 71 7-8; July corn, 38 1-8; July oats, 21 7-8.

New York's closing prices were: July wheat, 77 1-4 bid; Sept., 78 3-4 asked; July corn, 45 1-4 bid.

Chicago's closing prices were: July wheat, 72 5-8; June, 71 7-8; August, 72 3-8; July corn, 40; July oats, 22 1-2.

The Cotton Market.

The closing prices of cotton to-day were: June, 8.47 to 8.49; July, 8.49 to 8.50; August, 8.46; September, 7.80 to 7.81; October, 7.80 to 7.82; November, 7.83 to 7.84; December, 7.82 to 7.83; January, 7.83 to 7.85; February, 7.85 to 7.87; March, 7.86 to 7.88; April, 7.81 to 7.82; May, 7.82 to 7.84. Quiet and steady.

A BUNCH FOR KANSAS CITY.

OUR PLEA FOR PEACE.

Consul Hollis Lays Despatches from Washington Before Kruger.

LORENZO MARQUES, June 8.—United States Consul Hollis, who returned here from the Transvaal by special train, had a two hours' interview in close conference with President Kruger at Machadodorp.

It is stated that Mr. Hollis was the bearer of friendly despatches from the United States Government urging Mr. Kruger to treat for peace.

HAIUIONIA, Orange River Colony, June 8.—Gen. Rundle made a strong demonstration against the Boer positions, employing 500 of Gen. Brabant's Queenstown Mounted Rifles, two guns and the Cape Mounted Infantry under Col. Dalgetty. The Boer outposts were driven back and their laager was located, but the troops returned without a battle.

CAPE TOWN, June 8.—Gen. Warren with a strong force, including the Canadian Artillery, is reaching north through Griqualand West. He encamped at Campbell yesterday, no opposition being offered. Numbers of the rebels are handing in their arms to the British commander.

BRITISH SEE MRS. KRUGER.

Burgher Guards Leave the Presidency and Soldiers Take Their Place.

LONDON, June 8.—A belated special despatch from Pretoria, just received, describes the visit made by officers of Lord Roberts's staff to the Presidency Tuesday June 5. It says:

"We were received by a Dutch pastor, and shortly were joined by Mrs. Kruger. The latter wore a black silk dress and a white cap. She composedly exchanged greetings with her visitors, who notified her of their intention to replace the burgher guards by a guard of British troops.

"The burghers thereupon laid down their arms on the asphalted porch of the building, near the lions guarding the entrance."

7,000 MEN FOR EGYPT.

Immediate Despatch of Heavy Reinforcements Demanded by British Officials.

LONDON, June 8.—A special despatch from Cairo says that it is reported on apparently good authority that the immediate addition of 7,000 troops to the British forces in Egypt has been demanded.

A representative of the Associated Press was informed at both the Foreign Office and War Office that there is not the slightest foundation for the report.

DUKE OF WELLINGTON THE THIRD IS DEAD.

LONDON, June 8.—Henry Wellesley, third Duke of Wellington, died at Strathfieldsaye House, Mortimer, Berkshire, to-day in the fifty-fifth year of his age.

a ship to take command of a landing party as has been done by Capt. McCalla.

His rank would correspond with that of a colonel of marines, and it may be that he would himself be the senior officer at Tien-Tsin and thus be obliged to assume command of the defense and direct, in a general way, the operations of the European naval parties landed there.

500 BOXERS KILLED IN FIERCE BATTLE.

TIEN-TSIN, June 8.—It is reported from Chinese official sources that 4,000 Boxers surrounded 1,500 Chinese troops between Lofa and Yong-Tsun yesterday, and according to the latest news fighting is still going on this morning.

Officials say that 500 Boxers were killed, but give no account of the Chinese casualties.

Thirty of Gen. Nieh's troops encountered a body of Boxers three miles from here on the Taku road and killed twenty-one of them.

No news has been received from Pao-Ti-Fu for three days, and the situation there is believed to be critical. It is reported that the Chinese troops have been defeated near there.

The French cruisers D'Entrecasteaux and Jean Bart and the Russian cruiser Russia have arrived at Taku.

EUROPE AGREES TO ACT AS ONE IN CHINA?

PARIS, June 8.—It is confidently reported here that all the Powers have signed an agreement on future action in China. The Bourse was favorably affected. Later an official announcement was made that the French Admiral had been instructed to act in co-operation with the foreign Admirals.

LONDON, June 8.—Despatches from the Far East show no cessation in the activity of the "Boxers," but the powers are feeling their way to take common action for the suppression of the disorders.

It is believed that when the Dowager Empress realizes the firm intention of the powers to check her connivance in the anti-foreign movement there will be a speedy end to the rioting, as if the Chinese acted in good faith they could easily quell the rabble, which is armed chiefly with spears, agricultural implements and some old rifles.

A despatch from Tien-Tsin, dated yesterday at 4 P. M., shows the British reinforcements had not then started for Pekin, as expected, owing to the refusal of the authorities to allow them to entrain, although the British offered to repair the line as they went.

Additional Russian and Austrian troops have arrived at Tien-Tsin, and the German cruisers Hansa and Gefion have started from Kiao-Chou for Taku with marines intended for the same destination.

BRYAN HAS CONVENTION.

Lacks Only 30 Votes of Majority at This Stage.

CHICAGO, June 8.—Bryan now lacks only thirty instructed votes of having a majority of the Kansas City convention delegates.

At national headquarters here it is stated that up to date twenty-four States have held conventions; of these twenty-two, representing 436 delegates, have instructed for Bryan. Maryland and New Jersey are unpledged, the former having sixteen and the latter twenty delegates.

The convention will be composed of 930 delegates and as many alternates. Under the two-thirds rule, however, a rule which has been enforced in Democratic conventions for nearly forty years, the nominee for President or Vice-President must receive two-thirds of the entire vote given. Bryan, therefore, lacks 164 votes of a nomination on the basis of instructed delegates.

Senator James K. Jones, Chairman of the National Democratic Committee, is expected to reach here early next week. William J. Bryan, it is said, will meet him shortly after his arrival, and plans will be discussed for the work of the Kansas City convention.

The headquarters officials have no doubt that enough States will instruct to make Bryan's nomination a certainty.

DIVORCE FOR MRS. FOLEY.

Wife of Real Estate Man Secures Limited Decree on the Ground of Cruelty.

The long standing trouble between John R. Foley, the real estate agent, of 152 Broadway, and his wife, Helen M. Foley, was finally settled by a decree of limited divorce signed by Justice Bischoff in the Supreme Court to-day.

The Justice allows Mrs. Foley $25 a week allmony for the support of herself and two children. The ground for the decree was cruelty.

Foley was formerly a wealthy man and a leading member of the Seventh Regiment.

SUICIDE BY MORPHINE.

Ship Chandler found Dead in Fashionable Brooklyn Hotel.

Charles J. J. Baasel, a ship chandler, with offices at 29-31 Rector street, was found dead in bed this morning at the Clarendon Hotel, Brooklyn, by Chief Clerk Gibson.

The clerk went to Baasel's room about 11 o'clock to wake him. Receiving no answer to his knock he burst open the door and found a man lying dead. A bottle which had contained a solution of morphine lay on the floor.

The man had been dead several hours. He had left six letters, four of which were addressed to the firm of Haake & Baasel, 31 Rector street. On a stand near the bed was this note:

"Gentlemen: Please notify A. Haake at 29-31 Rector street, from 6 A. M. to 8 P. M. After that at 512 Pacific street, Brooklyn."

There was no signature.

Baasel registered at the Clarendon at 9 o'clock yesterday morning. Soon after he sent to the cafe for a cup of coffee. It is supposed he mixed the morphine with this.

Baasel's identity was established by a card in his pocket. It showed that he was a member of the Maritime Exchange. In his pockets were found $10.15 in cash, several pawn tickets and a gold watch and chain.

SUIT FOR 5 CENT FARE TO CONEY

Senator McNulty Asks Court to Restrain Trolley Road.

Suit has been brought by Senator Peter H. McNulty, of Brooklyn, against the Brooklyn Heights Railroad Company to restrain it from charging the 10-cent double fare to Coney Island recently adopted.

Application for an order for the Railroad Company to show cause why a permanent injunction should not be issued was granted by Justice Dickey the Supreme Court to-day.

Senator McNulty in his complaint alleges that the 10-cent fare is excessive and contrary to the general railroad law of the State. The Senator owns considerable property along the Coney Island line and declares that a 10-cent fare injures him greatly.

The complaint further alleges that the health of many poor persons is endangered by a 10-cent fare, preventing them from getting to the shore as they have been in the habit for their recuperation.

The papers were served on Secretary and Treasurer C. D. Meneely, of the railroad company. The order is returnable on Monday.

MONEY FOR BIGGER NAVY.

German Reichstag Raises Stamp Duty on Home and Foreign Shares.

BERLIN, June 8.—In the Reichstag today after a debate on the amendments to the Stamp law, necessitated by the increase in the navy, it was agreed to raise the stamp duty on home shares to 2 marks, and on foreign shares to 2 1-2 marks per hundred.

NO SPLIT AMONG IRISH.

John Redmond Denies that Dispute Will Interfere with Gathering of June 19.

DUBLIN, June 8.—"The suggestion of a fresh split in the Irish party is absurd," said John Redmond, Chairman of the United Irish parties, to a representative to-day.

"The difference of opinion among the committee on one detail of the arrangements for the convention," he added, "will not interfere with the great representative gathering of June 19, which I am doing all in my power to promote."

FRENCH CABINET TOLD OF OUR VOTE OF SYMPATHY.

PARIS, June 8.—M. Delcasse, the Minister of Foreign Affairs, announced at a Cabinet Council to-day that the House of Representatives at Washington had approved the address of sympathy already voted by the Senate in connection with the inauguration of the Lafayette statue in Paris July 4 next.

HIS BULLET FAILED HIM.

Aged William Anderson Walked Miles with Wound in His Head.

Policeman Rooney, of the West Thirty-seventh street station, found this morning, about an elderly man fairly well dressed walking up Thirty-eighth street, near Eighth avenue, with blood flowing down his face from wounds in the head.

He described himself as William Anderson, sixty-odd years old, a clerk, and said he lived at 337 West Thirty-fourth street.

"What is the matter with you?" asked Rooney.

"I am shot," replied the man.

"Who shot you?"

"I shot myself."

Anderson declared he was out of employment and owed his landlady for three weeks' board. He was obliged to leave the place. He went looking for work, and, finding none, became despondent. He walked up to Morningside Park at One Hundred and Tenth street and shot himself in the right side of the head.

Anderson said he walked back to Thirty-eighth street and Eighth avenue. He was removed to Bellevue Hospital.

At the house in West Thirty-fourth street it was said that little was known about the man. He had come to the place a month ago and had paid but one week's board.

LITTLE GIRL'S THRILLING FALL.

Knocked a Baby from Carriage and Both Were Unhurt.

Sophie Kennedy, six years old, fell from the fire-escape on the third floor of 235 Cherry street this morning to the yard below, but escaped with only a few bruises.

The child was outside the apartment of Miss Rose Levine and was watching her father bringing some household goods into the third floor of 235, where they were moving. She forgot about the open way in the fire-escape, and stepped into it.

Directly beneath the fire-escape was a baby carriage containing a baby. Sophie landed head first into it, knocked the baby out on the ground and then tumbled out herself. Both baby and child set up a loud cry and the parents and neighbors rushed out to find how serious their injuries were. The baby escaped without a scratch and Sophie only had a few bruises on the head.

Fearing that there might be worse injuries not noticeable an ambulance was summoned, but she was attended at home.

COACHMAN FINED.

George M. Pullman's Driver Pays $3 for Recklessness in Central Park.

Hector Robinson, a young coachman for George M. Pullman, was charged in the Yorkville Court this morning with reckless driving and disorderly conduct in the Casino Concourse, Central Park.

George M. Pullman and a number of friends were driven to the Casino last night, and, while they were inside, Robinson exercised the horses about the Concourse. He ran into the carriage of Harry B. Combs, a broker, of 567 Madison avenue, who was driving a spirited mare.

Mr. Combs said in court that no injury was done, but when he remonstrated Robinson became abusive. Magistrate Olynotte fined Robinson $3.
