# MRS. BELMONT WANTED
## *A WARRANT TO SUMMON*
# MILLS, JR., TO COURT.

### Newport Society Leader Accused the Young Man of Secreting Harold Vanderbilt's Machine.

NEWPORT, R. I., Aug. 16.—The colony here of the "400" regret the loss of the sensation they expected to enjoy at the sight of Mrs. O. H. P. Belmont in a common police court as complainant against Ogden Mills, jr. She had the young man arrested for playing a practical joke on her son Harold, but the complaint was afterward withdrawn.

Young Mills and Harold Vanderbilt, Mrs. Belmont's son, are neighbors and playmates. Mills saw Vanderbilt's motor tricycle standing in the street and in a spirit of fun pushed it into a clump of bushes, completely hiding it.

MRS. O. H. P. BELMONT.

### Mrs. Ogden Mills Was Notified to Produce Son in Court, but Complaint Was Withdrawn

Vanderbilt did not find the machine for two days. When he did it had been damaged by exposure to the weather. He complained to his mother, who was angry at the trick played on her son. She summoned the police authorities and had a warrant issued charging young Mills with taking a tricycle without permission.

Mrs. Mills was greatly distressed when the police notified her she must bring her son to court to answer to the charge. She had prepared herself for this ordeal to-morrow, but was greatly relieved to-night when told the complaint had been withdrawn and the case against her son dropped.

The benefit for the Sick Babies' Fund at Avoca Villa, Bath Beach, on Saturday night, was a great success. It added $148.80 to the fund, $7.50 of which was made by little Miss Ruby A. Simmons, of 1826 Bath avenue, Bath Beach, by selling flowers. The thanks of The Evening World are extended to Manager B. O. Smith, of Avoca Villa; James J. Corbett, who sparred for the babies; James Thornton, who gave his funny monologue, and the lady managers and vaudeville artists who appeared.

Contributions to the Sick Babies' Fund should be sent to the Cashier of The World, Pulitzer Building, New York City.

**From the White Rats of America.**

To the Editor of The Evening World:

Please fine inclosed $10 from the White Rats of America, a social order of vaudeville headliners, organized for mutual protection. The vaudeville performer has always been ready to assist with his or her talent for any worthy charity, and as we are to have our first benefit Sunday, Sept. 2, at the New York Theatre, we thought we would add our mite for the babies' benefit.

**Lightning and Razors.**

(From the Baltimore American.)

"A great many men refuse to be shaved during a thunderstorm or when it looks threatening," said a Lexington street barber the other day when the sky was black and there had been a few ominous growls of thunder. "They have an idea that steel attracts lightning, and fear that the blade of the razor on their faces will bring sudden death by means of a shock. I never heard of a man being struck by lightning while in the chair. I have had men make me stop shaving them when a thunderstorm came up suddenly. The same is true when they are having their hair cut, for they are afraid that the scissors may attract the thunderbolt.

# H. P. WHITNEY IS VERY ILL.

### Young Millionaire in the Hospital in Tucson, Ariz.

HARRY PAYNE WHITNEY.

TUCSON, Ariz., Aug. 16.—Harry Payne Whitney, son of William C. Whitney, of New York, is lying at the City Hospital dangerously ill. He has contracted erysipelas.

Mr. Whitney was hunting bear and lion in the Galluiro Mountains when he got the disease. He was at once hurried here.

His trip over the alkali plains to this city aggravated his sufferings very much. He is receiving the greatest attention from the physicians in charge of the hospital.

As soon as he is in condition to travel he will be sent East to his home.

## PRETTY GIRL OF 18 GONE.

**A General Alarm Sent Out for Missing Margaret Haas.**

A general alarm has been sent out by the police for Margaret Haas, the pretty eighteen-year-old daughter of Mr. and Mrs. William Haas, of 18 Rodgers place. Haas is a piano manufacturer. His daughter was employed by Leicester Allen, an inventor, living at 1002 East One Hundred and Sixty-fifth street, as a companion for his wife.

The girl received a letter Aug. 2 postmarked Chicago. From that time until Monday, Aug. 6, she seemed restless. She complained of having a severe headache and started for her home. She was seen at Third avenue. Since then her whereabouts are unknown.

The girl, her father says, was engaged to be married to Sergt. William M. Joy, of Company H, Fifteenth Infantry, United States Regulars, stationed at Fort Porter, near Buffalo. The wedding was to take place on Christmas eve.

Haas, thinking his daughter might be with Joy in Buffalo, telegraphed the commanding office of the Company last evening and received a reply that Joy was sick in the hospital and that the girl had not been seen in the vicinity.

The girl's mother has hunted all over the city and Coney Island for her daughter and has spent four nights in McGurk's on the offwery, thinking that she might possibly be there.

She is 5 feet 5 inches tall, weighs 120 pounds; has fair complexion, brown hair and small mark under her right eye. When last seen she wore a pink waist with white stripes, a green check skirt and a white sailor straw hat.

# ECZEMA—SATANIC ITCH.

This most aggravating and tormenting of all skin diseases is caused by an acid condition of the blood, and unless relieved through certain instrumentalities too much of this acid poison reaches the skin and it becomes red and inflamed. The itching and burning are almost unbearable, especially when overheated from any cause. The skin seems on fire, sleep or rest is impossible, the desperate sufferer, regardless of consequences, scratches until strength is exhausted.

This burning, itching humor appears sometimes in little pustules, discharging a sticky fluid, which forms crusts and scales. Again the skin is dry, hard and fissured, itches intensely, bleeds and scabs over. This is a painful and stubborn form of the disease.

While Eczema, Tetter, Erysipelas, Salt Rheum and many like troubles are spoken of as diseases of the skin, they are really blood diseases, because

**THERE CAN BE NO EXTERNAL IRRITATION WITHOUT AN INTERNAL CAUSE.**

If the blood is in a pure, healthy condition, no poisonous elements can reach the skin.

External applications of washes, lotions and salves sometimes mitigate the itching and soothe the inflammation, but cannot reach the disease. Only S. S. S., the real blood medicine, can do this.

S. S. S., the only purely vegetable remedy known, is a safe and permanent cure for Eczema and all deep-seated blood and skin troubles. It goes direct to the seat of the disease, neutralizes the acids and cleanses the blood, re-inforces and invigorates all the organs and thus clears the system of all impurities through the natural channels: the skin relieved, all inflammation subsides, and all signs of the disease disappear.

Mrs. Lida M. Hoffman, of Cardington, Ohio, says she was afflicted with Barcelona sores and Eczema from birth. Her face at times became so badly swollen that she was not recognizable, and her limbs and hands were very sore. She was treated by all the doctors in town without being benefited, and in her desperation for relief, was told by an old physician to take S. S. S. She followed his advice and was promptly cured, and has never had a return of the disease. This was seventeen years ago. If she discovery proved what she would have been in her grave years ago but for S. S. S., and adds, "What it has done for me it will do for others."

Send for our book on Blood and Skin Diseases, and write our physicians fully about your case; they will cheerfully give any information or advice wanted. We make no charge for this. Address, Swift Specific Co., Atlanta, Ga.

**25 YEARS CURED.**

I was totally deaf in my right ear for about 25 years. Had consulted many of the best ear specialists, who pronounced me incurable. Had taken treatment from some of the best aurists as well as from those quacks who advertise largely and pretend to cure catarrhal deafness but all without the slightest benefit. About two years since I was fortunate enough to try Dr. Wilson's treatment, which entirely restored my hearing so perfectly and permanently that at the present time I am able to hear a whisper in that ear (see for yourself). Given under my hand at 22 Cameron ave., Somerville, Mass., this 16th day of July, 1900.—JOHN D. YORK. We have the exclusive right to use Dr. Wilson's treatment, which gives hearing and speech to deaf mutes and positively cures every variety of deafness. Also prevents and cures blindness by mild means and without the use of the knife. Particulars with regard to other difficulty sent free on application. Consultation and examination free. Office hours, week days, 10 to 4. Sundays and holidays, 10 to 12. Wednesday and Friday evenings, 7 to 8. Greatly reduced rates. NATIONAL ASSOCIATION OF PHYSICIANS AND SURGEONS, 240 5th ave., New York City.

Wanted—A case of bad health that R-I-P-A-N-S will not benefit. One gives relief. No matter what's the matter, one will do you good. A cure may result. If directions are followed. They banish pain, induce sleep, prolong life. Sold at all drug stores, ten for five cents. Don't be fooled by substitutes. Ten samples and a thousand testimonials will be mailed to any address for five cents forwarded to the Ripans Chemical Co., 10 Spruce St., New York.
