$1,000,000 GOLD.
6 PER CENT
FIRST MORTGAGE BONDS
OF THE
ST. LOUIS AND ST. JOSEPH R. R.
OF MISSOURI.

Coupons payable May and Nov. 1, at the Farmers' Loan and Trust Co., in the City of New-York. The principal, as well as the interest, is payable in coin. Length of road, 224 miles, from the City of St. Joseph to Kingston, making a through line, with the connection now completed, from Omaha to St. Louis, and, on completion of the Union and Central Pacific Roads, with San Francisco. The total amount of Bonds, all that can be issued, is $1,000,000—less than $4,500 per mile—which are secured by a first mortgage on the entire property of the Company. A portion of the road is now in successful operation; the balance is being rapidly constructed, and will be completed during the Summer.

The Farmers' Loan and Trust Co. are the Trustees for the Bonds, who receive the money and pay it over to the Company on the completion of each section of the road.

The road is being built entirely with cash, economically and in a substantial manner. The Directors and officers are all men of the highest standing and responsibility. The counties through which it runs are the most populous and richest agricultural districts in the State, making the security first class—one that we recommend to our friends as a desirable investment, equal, in our estimation, to any we have ever sold. The California-Pacific 7 per cent Bonds were closed out by us in January last, and we are selling at an advance of from 5 to 6 per cent, and are in good demand at the price. We confidently look for a corresponding, if not greater, advance in the St. Louis and St. Joseph 6 per cent Bonds.

The Company, through the undersigned, offer a limited amount at 87½, accrued interest in currency, reserving the right to advance the price without notice. Governments and other marketable securities received at market rates. For Pamphlets and further particulars, apply to
