WINNERS AT AQUEDUCT.

An Attractive Card Brought Out Biggest Crowd of Meeting.

(Special to The Evening World.)

AQUEDUCT, April 27.—Fine weather and an attractive card brought out the largest crowd of the meeting at the Aqueduct track this afternoon. The trains were overloaded on every trip. There were no seats to be had and the trains crawled at a snail's pace so that the conductors could collect fares.

Naturally things were congested at the track. There was no room in the grand stand and one could not walk along the lawn without picking one's way. The ring was a most uncomfortable place all the afternoon. It was jammed with an eager, pushing bunch of speculators, who kept the bookies busier than at any time of the meeting.

The track was dry and fast for the first time in many days. The Flushing Stakes was the feature, bringing out a splendid field.

FIRST RACE.

For three-year-olds and up; handicap; six furlongs.

Starters,	whts.,	Jocks.	St.	1/2	Fin.	Str.	Betting Place.
Leedsville,	108,	Brennan	2	1½	1¹	7-10	1-5
Scurry,	95,	Slack	1	3	2¹	2	3-10
Qu. Carnival,	92,	Carr	3	2½	3	7	6-5

Start good. Won driving. Time—1:15 3-5.

Leedsville, the favorite, made all the running and won, hard driven, by a neck from Scurry, who was well handled by Slack. Queen Carnival, third, was close up all the way and only beaten three-quarters of a length for the place.

SECOND RACE.

For two-year-olds; selling; five furlongs.

Starters,	whts.,	Jocks.	St.	1/2	Fin.	Str.	Betting Place.
Red Damsel,	105,	Landry	2	2¹	1¹	2	2-5
Maru,	99,	Thompson	6	4	2½	8	2
Lysbeth,	99,	Slack	3	1¹	3¹²	15	4
Honoluiu,	106,	Henry	1	3²	4¹⁰	even	1-5
Carmion,	106,	Mcdonald	4	5	5	40	30
Coast Guard,	102,	Wonderly	5	6	6	50	10

Start good. Won ridden out. Time—1:02.

Jack Joyner's Honolulu, who has not been seen since his two victories at Washington, was served up a hot favorite in the second race. The price, even money, was a false one and not justified on any form, but the speculators took even money with much gusto. When Honolulu was not in the money the crowd was stunned. Lysbeth cut out the running followed by Red Damsel and Honolulu. The latter hung out signals of distress early. Lysbeth quit at the furlong pole, leaving Red Damsel to romp home an easy winner by three lengths from Maru, who closed fast and beat Lysbeth a length for the place.

THIRD RACE.

For three-year-olds and up; selling; about seven furlongs.

Starters,	whts.,	Jocks.	St.	1/2	Fin.	Str.	Betting Place.
Alard,	98,	Slack	3	1¹	1½	6	2
Buffoon,	112,	McCue	1	2²	2¹	9-10	2-5
Big Gun,	116,	Van Dusen	8	5	3¹	30	10
Matt Simpson,	114,	Brennan	7	7	4¹	3	2
Gert'de Elliott,	101,	Woderly	2	4	5	5	2
McGhlanaPrince,	110,	Lee	6	6	6¹	15	6
Curtsey,	86,	Thompson	5	8	7	30	10
DenamThompson,	97,	Bolger	2	3	8	10	4
B. George,	107,	Pitzalo	10	9	9	50	20
Frescal,	97,	J. Daly	9	10	10	100	20

Start good. Won handily. Time—1:27.

Buffoon was another false favorite in the third race, and his defeat was justified. He opened at 6 to 5, and so strong was the play that he went to the post at 9 to 10. He was close up all the way, but could not get home in front. Alard, Buffoon, Big Gun and Curtsey raced side apart to the far turn, where Alard took a decided lead. This advantage he held to the stretch, with Buffoon second and Big Gun third. Denman Thompson and Curtsey, having dropped out of it, Alard went on to win gather handily by a length and a half, while Buffoon, Big Gun and Matt Simpson had a smashing finish for the place, finishing heads apart as named.

FOURTH RACE.

The Flushing Handicap; for three-year-olds and up; mile and seven furlongs.

Starters,	whts.,	Jocks.	St.	1/2	Fin.	Str.	Betting Place.
Sidney Lucas,	126,	Van Dusen	1	6	1½	2-2	6-5
Outlander,	111,	Henry	6	2¹	2¹	2-2	6-5
All Gold,	106,	Shaw	1	1½	3¹	5-2	1
First Whip,	121,	Bullman	2	4	4¹⁰	9-2	8-5
Aiakie,	99,	Brennan	3	5	5	8	8-5
Borough,	94,	Wonderly	3	2½	6	20	6

Start good. Won driving. Time—1:46.

This was a good betting race, nearly all of the contenders being backed. They finally went to the post with All Gold a slight choice. Borough tried to make the running but soon gave way to All Gold. Shaw pushed his usual tactics of front running and Outlander lead second with Sidney Lucas, Aiakie and First Whip in a close bunch. They turned into the stretch with All Gold still in the lead. Outlander then closed on All Gold and they ran on even terms to the furlong pole, when Sidney Lucas joined them. At the sixteenth pole Outlander looked like the winner, but Van Dusen then roused Sidney Lucas and he came away, winning by threefourths of a length from Outlander, who was a head in front of All Gold.

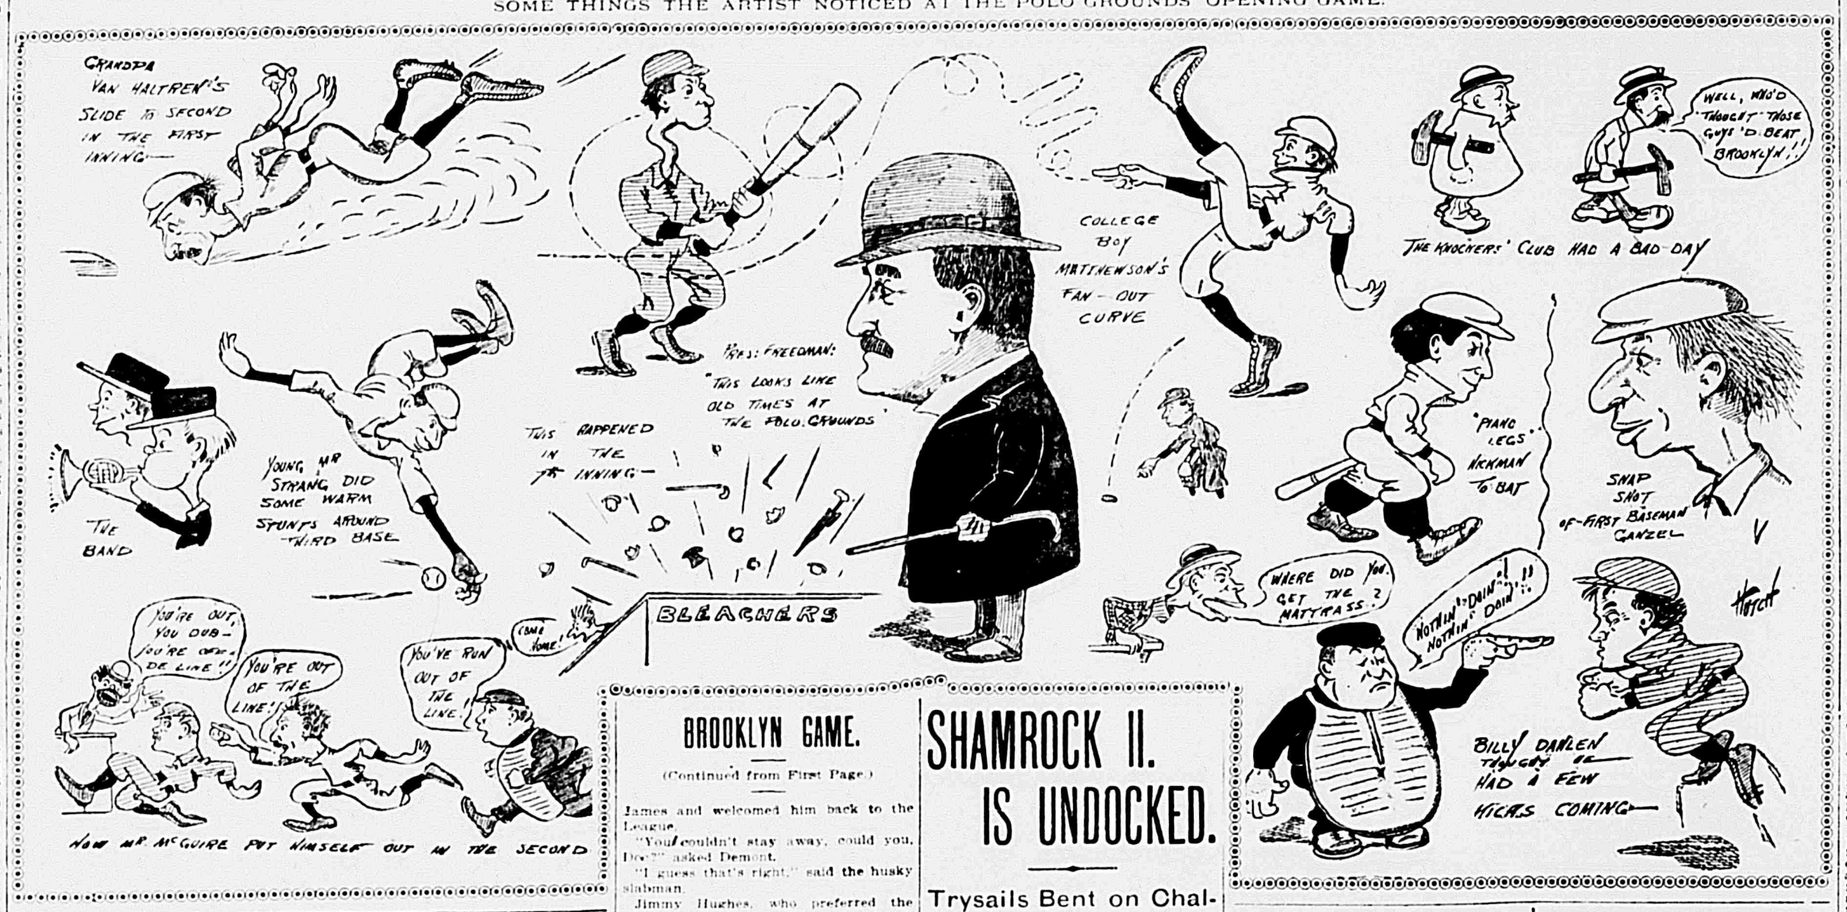
THIS SEASON'S GIANTS LOOK LIKE FASTEST AND BEST TEAM NEW YORK HAS HAD IN YEARS.

SOME THINGS THE ARTIST NOTICED AT THE POLO GROUNDS' OPENING GAME.



NEW YORK BEATEN BY PHILADELPHIA.

(Continued from First Page.)

Connie Mack's "Americans" draw the better of the two.

There were a few pretty women in the grand stand. Two young visions watched Dummy Taylor warm up with Bowerman.

"That's Taylor, the mute," said one. "They say he starts for first base every time he strikes at a ball, because he never knows when he hits it."

"Why not?" asked Number Two.

"Because he's deaf and dumb," with a tough of scorn in Number One's sweet voice.

"Oh!" said the other as if she didn't quite understand yet.

The warming-up practice of the Giants was up to yesterday's standard. The Phillies, too, showed the results of good practice. They looked a strapping big lot and, if size counts, should line 'em out for fair.

The game began at 3 o'clock with New York at the bat.

First Inning.

Van Haltren hit to White and was easy at first. Selbach doubled to centre though he had a close shave at second bag. Davis had blinkers on and let himself be called out on three strikes. Selbach stole third on a dropped strike. Hickman fanned. No runs.

Selbach kidnaped Thomas's high foul after a long run. Slagle tried to knock Dummy Taylor down and was out at first for his pains. Big Delahanty struck out. No runs.

Second Inning.

White is a left-handed boxman, so all the left-handed batters on the Giants' team switched and batted right-handed. Strang bunted safely in front of the plate. Ganzel put another right in White's hands, forcing Strang at second. Murphy singled prettily to left, sending Ganzel to second. Bowerman tried to Delan, who doubled up Ganzel. No runs.

Flick flied to Davis. Douglass singled to centre. Wolverton hit to Murphy, who forced Douglass at second. Dolan flied to Davis. No runs.

Third Inning.

Taylor fanned. Van was hit in the plats and took first. Selbach struck out, or rather, stood and looked at 'em. Davis sent a hot one to third which he could not beat to first. No runs.

Cross waited and was rewarded. Waite was out on a foul toward third. Cross stole a bond. Bowerman's poor throw to Davis. Thomas bunted and Taylor threw him out pretty. Murphy and Ganzel took care of Sagle. One run.

Fourth Inning.

Hickman doubled to left, but was pinched at third trying to stretch it. Strang fouled out to right. Ganzel flied to Flick. Strang going to third on the throw in. Murphy struck out. No runs.

Delehanty's slasher to Strang was too hot to handle. Flick hammered the ball to Selbach and Delehanty followed Taylor. He was hurt, but continued after a brief intervals. It counted as a base. Douglass forced Flick at second, but was safe himself. Wolverton flied to Selbach, Del scoring on the throw. Douglass made third on the passed ball. Dolan flied to Strang, who did the proper thing with Ganzel's help. One run.

Fifth Inning.

Bowerman hammered a single through White. Taylor's fine single down the first base line sent Bowerman to third. Van hit in front of the plate and was out at first, but Taylor made second. Bowerman came home on Selbach's sacrifice, short to first, Taylor reaching third. O'Day put Davis out of the game for kicking on a decision, and Warner went to bat in his place. Warner struck out. One run.

The decision that made Davis angry was the calling out of Van Haltren at first. N was a close decision. Bernard took Davis's place at short.

Cross singled past third, but was caught napping a moment later by Bowerman's quick snap to Ganzel. White bunted safely down third base line. Taylor fell down trying to get Thomas's bunt and he was safe. Slagle forced Thomas at second. Slagle stole second. Delahanty popped to Bowerman. No runs.

Sixth Inning.

Hickman singled to short centre. He made a poor try at stealing and was out by a mile. Strang singled over second. Strang was forced at second on Ganzel's hit there, but a bad throw for a double play gave Ganzel two bags. Murphy singled through White, Ganzel reaching third. Ganzel was out at the plate on bluff throw to second to catch Murphy. No runs.

Flick singled to centre. Murphy was there and got Douglas's grass cut to Ganzel in time. Wolverton was taken care of by Ganzel all alone, Flick going to third. Dolan flied to Strang. No runs.

Seventh Inning.

Bowerman was out, short to first. White and Delahanty settled Taylor. Van died on a bunt to Delahanty. No runs.

Murphy misjudged Cross's high fly. Ganzel grabbed White's short foul pop. Strang fumbled Thomas's grounder and missed a chance for a double, Cross going to second, the batter being safe. Murphy made a miserable muff of Strang's throw of Sagles pinch and Cross scored. Slagle going to second and Thomas to third. Dolly both came home on a wild pitch which lost the ball. Delahanty died to Hickman. Murphy ferried Flick's grounder to Ganzel. Three runs.

Eighth Inning.

Selbach flied to Slagle. Bernard's grass cutter to Wolverton took a bad bound and counted for a single. Hickman singled to centre, sending Bernard to second. Strang walked and the bases were filled. Strang and Ganzel were doubled on the latter's grounder to Cross. No runs.

Douglas flied to Van Haltren. Bernard dropped Wolverton's hot liner and Ganzel was out on the bag when the shortstop ferried it over. Strang made a beautiful one-hand stop of Dolan's scorcher and threw him out at first. Wolverton got third on a passed ball. Cross was out, Taylor to Ganzel. No runs.

Ninth Inning.

Murphy was out, Wolverton to Delahanty. Bowerman doubled over Slagles's head. Taylor flied to second. Van out, short to first. No runs.

PRINCETON PLAYS MANHATTAN TEAM.

Tigers Make Their First Appearance in New York at Jasper Oval To-Day.

The Princeton University's baseball team made its initial bow in New York this afternoon at Jasper Oval. Their opponents were the Manhattan College nine. It was an ideal day for baseball and the field was in fine condition. A large crowd of Princeton admirers were on hand to root for the Tigers and their orange and black streamers and flags contrasted sharply with the green and white of the Manhattan contingent. Both nines showed up very well in practice.

Doherty Defeats A. W. Gore.

LONDON, April 27.—H. L. Doherty, who won Thursday the final round of the lawn tennis covered court amateur championship games, beating G. Simond by 3 to 0, to-day beat A. W. Gore, the holder of the championship, by 3 to 0.

BROOKLYN GAME.

(Continued from First Page.)

James and welcomed him back to the League.

"You couldn't stay away, could you, Doc?" asked Dement.

"I guess that's right," said the husky slabman.

Jimmy Hughes, who preferred the glorious climate of California to a berth on Hanlon's pay-roll last season, is slated to parade to-day. It will be his first work out of the year, and the fans are anxious to see whether he still possesses the speed and curves that won so many games for Hanlon's men in 1899.

6,000 Fans at the Game.

An ideal day for baseball brought out some fans.

"How do you feel to-day?" asked Manager Selee when Nichols went to the slab.

"I'll clean 'em up all right," replied the veteran pitcher wizard.

Nichols runs a laundry in Kansas City in the winter months and he can't get over the habit of talking shop.

Umpire Colgan called the game at 3.50 P. M.

First Inning.

Boston went to bat. Hughes's first ball brought up against one of Billy Hamilton's "piano legs." Just to show he wasn't hurt much, Hamilton stole second. Tenney out, Kelly to Hughes. Dement walked but was out trying to steal second, Long catcher. No runs.

For Brooklyn Davis got a free pass. Keeler beat a bunt to first and Davis went to third on Tenney's wild throw to second. Keller purloined second. Sheckard walked, filling the bases. Kelly rapped a double to left, scoring two runs. McCreery singled to centre, scoring Sheckard and Kelly. Daly hit a hot one forcing McCreery at second. Dahlen out, Dement to Kelly. McGuire fled to Barry. No runs.

Second Inning.

Keeler gathered in Lowe's fly. Dahlen took care of Crotlus's bounder. Barry out, Hughes to Kelly. No runs.

Hughes died, Nichols to Tenney. Davis out, Dement to Tenney. Keeler hit a hot one to short and went to second on Long's wild throw. Sheckard flied to Crollus. No runs.

Third Inning.

Kittredge walked. Nichols was given free transportation. Hamilton hit to Dahlen, forcing Kittredge at third. Tenney singled to left, filling the bases. Dement walked, forcing in a run. Long cracked a single to left, scoring two runs. Lowe hit to Dahlen, forcing Long at second. Lowe stole second. Crollus died. Dahlen to Kelly. Three runs.

Kelley pug up a high fly to Crollus. Nichols made a star stop of McCreery's drive. Daly died, Long to Tenney. No runs.

Fourth Inning.

Barry fanned. Kittredge out, Dahlen to Kelley. Nichols rapped a two-bagger over third base. Hamilton popped a fly to Kelley. No runs.

Dahlen out, Long to Tenney. McGuire flied to Barry. Hughes out, fly to Hamilton. No runs.

Fifth Inning.

Tenney's bounder caromed off Hughes's mitt and he was safe at first. Demont hit to Hughes, forcing Tenney. Long put up a fly to centre, but McCreery slipped and it fell safe. Lowe flied to Keeler. Demont was caught off third, McGuire to Sheckard. No runs.

Davis out, foul fly to Kittredge. Keeler rapped his third hit to left. Keeler started to steal second and went to third on Kittredge's poor throw. Sheckard stole second. Kelley out, Dement to Tenney. McCreery hit a scorcher to Nichols, who threw wild to Tenney. Sheckard scored and McCreery landed on second. McCreery went to third on a passed ball. Daly fanned. Two runs.

LAFAYETTE VS. NEW YORK U.

EASTON, Pa., April 27.—Lafayette crossed bats with the New York University baseball team here to-day. The local collegians have shown a marked improvement during the past week in hitting and fielding, and as the visitors came here anxious to even matters with Lafayette players, who defeated them in the first game played in New York, considerable interest was manifested in the game.

SHAMROCK II. IS UNDOCKED.

Trysails Bent on Challenger; She Leaves for Southampton.

GLASGOW, April 27.—The Shamrock II. was undocked early this morning and towed to Greenock, where trysails were bent and her compass was adjusted. She will start for Southampton in tow of the Erin this afternoon, Mr. Fife accompanying her. Designer Watson inspected the challenger and expressed enthusiastic approval of her.

Sir Thomas Lipton, in the course of a conversation, said:

"I am satisfied I have the best challenger ever built, and I warn my American friends that they have a big job on their hands."

LONDON WINS FOOTBALL CUP.

Recaptured Association Trophy Lost Twenty Years Ago.

LONDON, April 27.—The Sheffield United and the Tottenham Hotspur football teams replayed the final tie game at Bolton this afternoon. The grounds were packed to the capacity of 40,000 persons. At the end of the first half the score stood Sheffield, 1; Hotspurs, 0. Shortly after the resumption of play the Hotspurs evened up the score. Ultimately an exciting game resulted, in the following score: Hotspurs, 3; Sheffields, 1.

London thus won back the Association Cup, lost twenty years ago.

COLUMBIA CREW TO ROW THE DAUNTLESS EIGHT.

Mile and a Half Race on Speedway Course Will Be Decided on May 25.

Columbia's varsity crew will meet the eight of the Dauntless Boat Club on the Speedway course of the Harlem River on May 25. The match was arranged last night when Manager Erdell, of the University crew, and Capt. James Trainer, of the Dauntless Club, met at the latter's home and arranged the details.

The race will be at a mile and a half and the crews will row with the tide. The Columbia crew will be the same one that will compete against the eight of Cornell University on Memorial Day.

CORRIGAN BRINGS $10,000.

Schreiber's Great Two-Year-Old Sold to Burns & Waterhouse.

SAN FRANCISCO, April 27.—Corrigan, considered the best two-year-old on the Pacific coast, has been sold to Burns & Waterhouse by Barney Schreiber for $10,000. The excellent account the youngster gave of himself in many hard-fought races here earned Schreiber the price paid for him, and it is thought this much more may be expected of the colt. Corrigan is a brown colt by Sain out of Ada Reese.

ONLY ONE RUN OFF CARRICK.

Ex-Giant Twirler in Rare Form Against Athletics.

"Wee Willie" Carrick, the star pitcher of last year's Giants, pitched his first game of the season yesterday in Philadelphia for the American League Washington Club against the Athletics. He was in superb form and held the heavy hitting Quakers down to seven widely scattered hits.

As a result the Athletics scored but once, while the Washingtonians tallied five times. Lajoie's single in the seventh inning saved the Athletics from a whitewash.

BOSTON'S STRONG LINE-UP.

Interesting Game Will Be Played at Weehawken To-Morrow.

"Jimmy" Collins will put the regular team of the Boston American League Club in the field to-morrow at Weehawken against the strong nine of the West New York Field Club. The Bostons will line up as follows: Dowd, left field; Hemphill, centre field; Stahl, right field; Collins, third base; Freeman, first base; Parent, second base; Ferris, shortstop; Criger, catcher; Young, pitcher.

BROOKLYNS IN HOBOKEN.

Roaring Bill Kennedy Will Pitch Against Jersey Men To-morrow.

The champion Brooklyns of the National League have a troublesome engagement in Hoboken to-morrow. They are scheduled to play the baseball representatives of the Jersey town at the St. George cricket grounds and from all accounts of the Jersey men's ability, a fast game may be expected.

Manager Hanlon has decided to pitch "Roaring Bill" Kennedy against Norton, the Hoboken's phenom.

BASEBALL CHAT.

Hughey Jennings will be in a Brooklyn uniform as soon as he's through with Cornell. He has had offers from the American League, but then, "my word is to 'Brooklyn,'" says Hughey.

Pitchers have discovered a way to beat the anti-warning-up rule. It is to pitch to first or second many times after a batter has reached either point, presumably to catch him napping.

Jim McGuire and Jack Doyle, the old players, like the new rules. The foul strike will not hurt good batters, but will affect the weak ones, says the former. Doyle says batters were getting too scientific anyway.

H. Eugene McCann is the way Brooklyn's young pitcher signs his name, and Philadelphia's latest acquisition writes his G. Harris White. But to the players they are just plain Eddie, and Harry.

Columbia's Second Crew.

Coach Hanlan picked a second 'varsity eight at Columbia yesterday afternoon. The crew consists of Pembroke, bow; Southack, 2; Townsend, 3; Weekes, 4; Eyer, 5; Cary, 6; Lefferts, 7; Boyesen, stroke; Comstock, coxswain. This crew will meet the second crews of Cornell and Pennsylvania at Ithaca, on May 30.

In a gruelling race of three and one-half miles yesterday the 'varsity was unable to overcome the ten-length lead of the freshmen and ended three lengths behind.

CARRY HERMANN WILL NOT START

Kentucky Derby Favorite Is Suffering from a Cold.

LOUISVILLE, April 27.—Garry Hermann, the favorite for the Kentucky Derby, will not be a starter in that classic event at Churchill Downs on Monday. The great horse, for which Capt. Sam Brown, the Pittsburg millionaire, paid a fortune, has been coughing badly, and although he hasn't been officially withdrawn from the race it is almost certain he will be scratched before post time.

There will be many expressions of disappointment on the part of those who have bet on the horse in the winter books, especially those who have bet their money within the last two weeks. In that time Hermann has been backed to the extent of thousands of dollars.

HOLED IN WITH SINGLE DRIVE.

Golfer Hayes, of Joliet, Ill., Accomplishes a Rare Feat.

To a Joliet, Ill., golfer is due the credit of making a hole at golf in one drive. The presumption that it requires at least two drives to make a hole is now a thing of the past, for the Illinois man accomplished the rare feat three days ago.

It was on the golf links of Muscatine, Iowa, that M. C. Hayes from the tee at hole two drove the ball into hole three, a distance of 187 yards. It was one of the prettiest drives ever seen in the vicinity and one that is not likely to be duplicated in a long time.

WATTS ADVISES OTHER BOXERS.

Welterweight Will Quit Game to Wait on Tables.

Jim Watts is a colored welter-weight fighter, who, although he has engaged in ninety-four fights, is very little known to the followers of the pugilistic game. Yet he wants the public to know that as soon as he has engaged in his one hundredth mill he is going to retire to become a waiter. For all that Watts is something of a sage and has some good advice to deal out by which many pugilists of the lesser light might benefit.

"I've fought ninety-four fights," says Watts, "yet I haven't a thing to show for it. There is more money in waiting on a table than putting your face against the jabs and swings of another fellow. Then, if a fighter hasn't a good manager he might just as well cut the fighting game out of his career, for in the end he will find himself just where I am. There are lots of cheap managers, but my advice to fighters is to steer clear of them."

BEARD'S HORSES WILL FILL ENGAGEMENTS.

Dead Turfman's Brother Says Big Stable Will Be Kept in Training.

The death of Frank D. Beard, the millionaire turfman, will not affect the engagements of his large stable of horses. In all the stake races in which they are entered they are fully protected, having been registered in the name of F. D. & J. R. Beard. The latter is a brother of the deceased and intends that the horses shall be continued in training for all their engagements.

The death of Mr. Beard is much mourned in racing circles, for he was considered one of the best promoters of the turf. His horse Lazzarone won the Suburban Handicap in 1895, and since that time he had been a disciple of racing. The great three-year-old Prince of Melbourne, was only one of a fine string of thoroughbreds he owned.

Brewster's Steady One Won Victory

Samuel B. Brewster defeated Edwin O. Presley last night by 200 to 159. The men met in the A. A. U. billiard tournament. Brewster's average was 3 5-65, with high runs 26, 16, 14 and 13.

A MESSAGE TO WEAK MEN

This is a message to men. It is to men who want to feel like men, to look like men and act like men. This is to men who lack courage, whose nerves are shaky, whose eyes have lost the sparkle, whose brains are muddled, ideas confused, sleep restless, confidence gone, spirits low and easily depressed, who are backward, hesitating, unable to venture because they are afraid of failure, who want somebody to decide for them, who are weak, puny, restless. It is to men who have part or all of these symptoms and want new life, new force, new vigor. I offer it to you in my wonderful

Dr. McLaughlin's Electric Belt.

It has restored health and strength to thousands of weak and impotent men. If used as I direct, it is a positive cure and cannot fail. It gives the vitalizing power of electricity, without burning or blistering, to every weakened part, developing the full vigor of manhood. It removes all the effects of indiscretions or excesses forever.

NO PAY UNLESS CURED.

You run no risk, as I guarantee every case I undertake. Failure to cure costs you nothing, as I take all the chances. The Dr. McLaughlin Electric Belt is the best electric body appliance that has ever been invented. (Last patent June 19, 1900.) It is warranted on a bond of $5,000 to give a stronger current, last longer and cure quicker than any other electric body appliance.

SPECIAL NOTICE.—If you have an old belt of another make which has burned and blistered you, or one that did not possess electricity, bring it in and I will allow you one-half the price of mine for it.

I give a free test to all who call. If you can't call I will send you my beautiful illustrated book with full information free. Call or write now. Don't delay.
