MISS ROOSEVELT AT LAWN PARTY.

President's Daughter Attends Fete to Disprove Reports Concerning Her Health.

HAS BEEN IN SECLUSION.

Because She Had Not Been Seen in the Village as Much as Formerly Neighbors Feared Illness.

(Special to The Evening World.)

OYSTER BAY, July 22.—Miss Alice Roosevelt, to disprove stories of her illness, was the guest of honor at a lawn party to-day given by Miss Nellie Beekman, daughter of James W. Beekman, at their handsome country home in the West Boulevard. Several guests from New York were there.

Miss Roosevelt is not looking as well as formerly. It is plainly evident that the long social season in Washington has severely taxed her strength.

The seclusion of Miss Roosevelt had given rise to considerable conjecture about her health. It was known that she returned from her outing in the Adirondacks much sooner than she expected, and since her arrival at Sagamore Hill she had not been seen once in public. Miss Roosevelt did not attend Christ Church on Sunday with the rest of the President's family. Contrary to her usual custom, she had not visited the village since her return ten days ago.

Inquiries about Miss Roosevelt's health made by visitors to the President have been answered favorably.

Miss Alice had a hard social season in Washington last winter, and as early as the time of the christening of the Emperor's yacht Meteor by her as Prince Henry's guest it was noticed that she looked pale and tired. It is announced that Miss Alice will accompany the President and Mrs. Roosevelt on the Mayflower to Sea Girt on Thursday.

Another question that Mr. Roosevelt had considered settled also bobbed up to give the President an evening of thinking. It was the filling of the Court of Claims Judgeship, which place Senator McLaurin, of South Carolina, declined unexpectedly. The Senator, in his letter to the President foregoing the honor, said his action was due to statements in the Southern press.

The fact that ex-District-Attorney Philbin has been invited to lunch with President Roosevelt is therefore regarded as significant. Despite the fact that Mr. Philbin is a stanch Democrat it is a potent fact that the President has the utmost faith and reliance in the man he once before appointed to office, and it is thought it is Mr. Roosevelt's plan to give the fat Court of Claims Judgeship to a Democrat.

President Roosevelt has accepted the invitation of Gov. Franklin Murphy and will visit the camp of the New Jersey National Guard at Sea Girt on Thursday. The yacht Mayflower will leave Oyster Bay early in the morning and run direct to the Atlantic Highlands Pier of the Sandy Hook route, where the President will be met by Gov. Murphy and staff, who will accompany him to Sea Girt.

The party will take a special vestibuled train of four parlor cars over the New Jersey Central to Sea Girt. General Manager W. G. Besler, of the New Jersey Central, has placed his private car "Atlas" at the disposal of President Roosevelt, and the train throughout will be of the latest pattern of car builders' art. The Presidential party will leave the State Camp by special train at about 3 o'clock, returning to Atlantic Highlands, where they will embark on the Mayflower for Oyster Bay.

COUNTESS'S WILL FILED FOR PROBATE

Late Louisa Harriet, Dowager Countess of Dundonald, Had Property in This State on Which Rent Is Due.

An exemplified copy of the will of the late Louisa Harriet, Dowager Countess Dundonald, widow of the Right Hon. Thomas Barnes, eleventh Earl of Dundonald, was filed today in the office of the Surrogate. The will was executed and admitted to probate in England and the copy is certified as correct by Lord Jeune, one of the Justices of the High Court of Justice.

The petition accompanying the copy of the will sets forth that the Dowager Countess appointed her sons, the Right Hon. Douglas Mackinnon Baillie Hamilton Cochrane, twelfth earl, who succeeded his father in the title, and her son, the Hon. Thomas Horatio Arthur Ernest Cochrane, M. P., as executors, and that the copy of the will is filed here in support of an application by them for the appointment of an ancillary administrator for the purpose of collecting $13,757, the amount of rent due on property owned by the testatrix in this State.

The petition further stated that the Attorney-General had waived the service of a citation upon him in the matter.

ODELL TO VISIT BATAVIA.

BATAVIA, N. Y., July 22.—Gov. Odell has accepted an invitation to attend the celebration of the centennial anniversary of the organization of the town of Batavia on Sept. 4.

SCOURING WOODS FOR SAFE-BREAKERS

Horse and Buggy Driven by Portchester Desperadoes Is Found Near Kensico Cemetery—Big Reward Offered.

(Special to The Evening World.)

WHITE PLAINS, July 22.—A horse and buggy which the desperadoes used in escaping from the offices of the New York and Stamford Railway Company at Portchester, after binding three conductors and blowing open the safe to secure $1,000, was found deserted to-day near Kensico Cemetery.

The horse was nearly dead and the wagon was covered with mud. A black handkerchief with two eye holes in it was found in the buggy, and this may be an important clue in running down the robbers. Constables are scouring the woods around the northern section of Westchester County.

It is known that five men boarded a freight train and rode a short distance. Then they jumped off and disappeared in the woods. It is believed that they are hiding in a cave and a man hunt has begun. The entire countryside is aroused over the daring hold-up and robbery. The company posted a reward of $500 this morning for the capture of the highwaymen.

DEATH OF PREFECT OF PROPAGANDA.

Cardinal Ledochowski, Descendant of an Illustrious Family, Died To-Day at Rome.

ROME, July 22.—Cardinal Ledochowski, Prefect of the Congregation of the Propaganda of the Roman Catholic Church, died this morning after a long illness.

Cardinal Ledochowski was born at Gork, Oct. 29, 1822, and was the descendant of an illustrious Polish family.

The Pope on learning of Cardinal Ledochowski's death was greatly distressed, and exclaimed:

"A valiant fighter for the Church and religion has gone. His memory be blessed."

The Pontiff then knelt and prayed for the repose of the Cardinal's soul.

With Cardinal Ledochowski' death Cardinals San Stefano and Parocchi are the only surviving cardinals created by Pope Pius IX.

As head of the Congregation of the Propaganda Cardinal Ledochowski was known as the "Red Pope." His unrelenting opposition to the Folk laws enacted by Bismarck for the subjugation of the Church in Prussia resulted in his imprisonment. He was Archbishop of Posen at the time and Pius IX. rewarded him for his fidelity by raising him to the Cardinalate, and on his release brought him to the Vatican. Bismarck regarded Cardinal Ledochowski as his personal enemy.

Cardinal Ledochowski in 1892 succeeded Cardinal Simeoni as prefect of the Propaganda. He was Ultramontane in politics, and his resignation was rumored at one time, owing to his difference with Cardinal Rampolla, the Papal Secretary of State, over the Vatican's attitude toward Cardinal Satolli's mission to the United States.

ILLINOIS RIVER IN FLOOD.

Hundreds of Acres of Grain Under Water Near Pekin.

PEORIA, Ill., July 22.—The Illinois River reached the height of 21 feet a bove low water mark on the Government gauge here last night. This morning the Dykes near Pekin, on which are the tracks of the Peoria and Pekin Terminal Railway, gave way.

Over 1,000 feet of track is gone and the water is pouring through the crevasse, flooding hundreds of acres of grain.

DR. DESCHERE IS DEAD.

Eminent Medical Man Falls Victim to Heart Disease.

Martin Deschere, M. D., died from heart trouble at his residence, No. 334 West Fifty-eighth street. He was born at Hamburg, Germany, fifty-four years ago and came to New York with his parents when a boy. He received his medical training at the New York Homeopathic Medical College, from which he was graduated in 1875.

Dr. Deschere was a member of the visiting staff of the New York Medical College and Hospital, consulting physician at Laura Franklin Hospital and a member of a large number of medical societies throughout the country.

A LETTER TO OUR READERS.

New Haven, Addison Co., Vt.
Dr. Kilmer & Co., Binghamton, N. Y.

Gentlemen:—About a year ago I was suffering from what I supposed was rheumatism. I became so bad that I could hardly get on my feet from a sitting position. I ran down in weight from one hundred and ninety-five to a hundred and forty-five pounds. I tried different kinds of medicine but received little or no help. I saw Dr. Kilmer's Swamp-Root highly recommended for kidney trouble, but I never had any idea that my kidneys were affected. I thought I would try a fifty-cent bottle of Swamp-Root and see what the effect would be. I commenced taking it according to directions, and in a few days I saw that it was helping me. I used the fifty-cent bottle and then bought two more dollar bottles, and they completely cured me. I have got back to my original weight, one hundred and ninety-five pounds, and I am a thorough advocate of Dr. Kilmer's Swamp-Root. Very truly, WM. M. PARTCH.

Feb. 17, 1902.

You may have a sample bottle of this wonderful remedy, Dr. Kilmer's Swamp-Root, sent absolutely free by mail, also a book telling all about Swamp-Root. If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one-dollar size bottles at the drug stores everywhere. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

PANIC ABOARD A PRISON BOAT.

Prisoners Tried to Jump Overboard When the Minnehannock's Walking Beam Was Smashed.

While the Charities boat Minnahannock was making her morning trip between East Twenty-sixth street and Blackwell's Island to-day an accident happened to the machinery.

The crosshead of the walking beam was shatered to pieces. Steam was shut off and Capt. Ward reversed his ensign as a signal of distress.

The tug Defender towed the boat to Blackwell's Island.

There were about eighty prisoners and passengers on board. For a few moments confusion reigned, the guards having difficulty in preventing the prisoners from jumping overboard.

THREATEN ATTACK ON CAPE HAYTIEN.

Consuls Notified of Expected Assault by Land and Sea and of Danger to Foreign Residents.

CAPE HAYTIEN, Hayti, July 22.—The local authorities here have notified the Consular Corps that Cape Haytien is to be attacked by land and sea and that they cannot guarantee the safety of foreigners.

The Consuls have requested that the French cruiser D'Assas, now at Port-au-Prince, be sent here, but the French Minister there has replied that the situation at Port-au-Prince does not permit the sending of the cruiser to Cape Haytien.

GIRL VICTIM OF THUGS MAY DIE.

Found Unconscious in Fort Lee Woods—Says She Was Drugged in Dance Hall by Three Men.

(Special to The Evening World.)

HACKENSACK, July 22.—May Grey, the New York girl who was attacked by a number of men in the Fort Lee woods on Saturday night and left unconscious, was this morning removed from the Hackensack Jail to the Hackensack Hospital.

The young woman claims she was drugged after visiting one of the dance halls and taken to the woods by three men whom she did not know.

Her condition is still critical. No arrests have yet been made.

Sale of Summer

Knit Underwear.

Main Floor.

The long spell of cool weather during the month of June and the early part of July was instrumental in materially retarding the sales of Knit Underwear. Thus duplicate orders from retailers were few and far between—which, of course, means the forcing of business by manufacturers and jobbers through the lowering of prices. Being ever alert and in the market at all times to take advantage of opportunities that savor of economy, we accordingly purchased from various manufacturers and jobbers vast quantities of high-grade Knit Underwear

For Men, Women and Children

at prices away below regular value. Our public shares in the good fortune—for we shall quote the lowest figures ever named on goods of equal quality and merit, in many instances touching less than actual manufacturing cost.

If there is Knit Underwear need—present or prospective—we advise all to take advantage of this most excellent opportunity to secure values that are pronouncedly great, as the following items will clearly show:
