(Special to The Evening World.)

WASHINGTON PARK, BROOKLYN, Aug. 8.—Having captured one game from the Trolley-Dodgers, Manager Patsy Donovan and his hustling youngsters from St. Louis turned up this afternoon determined to take another from Ned Hanlon's unfortunate team.

The poor showing Brooklyn has made during the last two weeks has given Hanlon many a sleepless night, and the team tested his patience yesterday by their amateurish playing. He did not hesitate to read the riot act to them before they lined up against the Cardinals.

Seven defeats out of the last eleven games played is the miserable showing the Trolley Dodgers have made, and unless they take a brace right away they will find themselves in fourth place instead of second position.

That the rooters will not patronize the Trolley Dodgers when they are up against a losing streak was clearly demonstrated to-day, when less than 2,000 of them turned out to witness the game.

Hanlon selected Lefty Newton to do the twirling for Brooklyn, and as the doctor is pitching good ball Hanlon felt confident of carrying off the game. Yerkes, the lanky twirler with the puzzling slow drop curves, was Donovan's selection.

Ned Hanlon signed another backstop to-day to assist Charley Farrell. He is Jack O'Neil, the crack semi-professional, who has been catching for the Orange A. C. team and last year was the backstop for the West New York Field Club. O'Neil is a very good man and will be a valuable acquisition to the club.

**First Inning.**

Brashear sent a high fly to Dolan. Smoot lifted a skyscraper to the infield which Dahlen gathered in. Barclay laced the ball to centre for a bag, but was easily caught trying to steal second. No runs.

Sheckard hit safely along the first base line. Keeler, instead of sacrificing, sent a fly to Donovan. Sheckard then got caught off first by Yerkes and Brashear. Dolan made a pretty bunt and stole second, Farrell dropping O'Neil's throw. Dahlen hit safely, advancing Dolan to third. Dahlen stole second unmolested. McCreery flied out to Barclay. No runs.

**Second Inning.**

Donovan was the first Cardinal to swing unsuccessfully at Newton's benders. Farrell's high foul fly was easily captured by Irwin. Kruger sent his team to the field by banging a high one to Keeler. No runs.

Irwin slapped the ball to left for a sack. Flood was called out on strikes. Farrell boosted a soarer to right centre, which Smoot got. Newton smashed the ball along the third base line for two bases, sending Irwin to third. Sheckard walked, filling the bases. Keeler's benders were badly fumbled by Hartman allowing Irwin to score. Dolan's pretty drive to centre sent Newton and Sheckard over the plate. Dahlen flied out to Barclay. Three runs.

**Third Inning.**

Hartman pasted a fast grounder to Dahlen and was an easy out. O'Neil got in a scratch hit to the infield. Yerkes singled to right. O'Neil was caught off third. Brashear was retired at first by Newton. No runs.

McCreery contributed a single to right. Irwin was declared out on strikes. Flood swatted the ball to left centre for a bag, advancing McCreery to third. A wild pitch allowed McCreery to score and Flood to reach second. Brashear's fumble of Farrell's bounder let Flood score and Farrell to reach first. Newton sent a pop fly to Barclay. Sheckard foul flied to O'Neil. Two runs.

**Fourth Inning.**

Smoot was disposed of by Flood and McCreery. Barclay scattered the atmosphere with three swings. Donovan's foul pop-up drooped into Farrell's big mit. No runs.

Keeler doubled along the first base line. Dolan pop flied to Yerkes. Hartman's fumble of Dahlen's grounder let Keeler score and Dahlen got first. McCreery out at first by Kruger. Dahlen reaching second. Irwin foul flied to Hartman. One run.

**Fifth Inning.**

Sheckard gathered in Farrell's high fly. Kruger was the second victim on his foul pop up, which McCreery smothered. Hartman drove a fly into Keeler's hands. No runs.

Flood flied out to Brashear. Farrell did likewise to Smoot. Newton reached first on Farrell's fumble. Sheckard foul flied to O'Neil. No runs.

**Sixth Inning.**

O'Neil walked. Yerkes ditto, O'Neil reaching second. Brashear doubled, scoring O'Neil and promoting Yerkes to third. Smoot was fielded out at first by Irwin. Barclay singled, Brashear reaching third and Yerkes scoring. Brashear was caught at the plate. Donovan singled, Barclay scoring. Farrell forced Donovan at second. Three runs.

Keeler out, Hartman to Brashear. Dolan flied to Smoot. Dahlen sent a high one to Barclay. No runs.

interest following yesterday's brilliant contest.

**First Inning.**

Smith's assist retired Jones at McGann's corner. McGann disposed of Slagle's bounder. Smith blocked Chance's vicious lunge into right, but the runner was safe. McGann gobbled Dobbs's high fly. No runs.

Browne was a victim of Lowe's assist. McGraw worked his usual pass but Menefee tricked him into a run up, and he was out at second. Bresnahan was out on Tinker's assist from short. No runs.

**Second Inning.**

Tinker was easy for Smith and McGann. Lowe perished on a foul fly to Bresnahan. Kling drove a long fly to Brodie. No runs.

Four wide ones put McGann on first. Brodie spun a twister back of third for Schaefer. Wall put up a high foul. Lauder was out on Lowe's assist. No runs.

**Third Inning.**

McGann grabbed Schaefer's bounder, but tossed it wild to Miller. Schaefer taking second. Miller fielded Menefee out. Jones fanned. McGann won a sprint with Slagle after grabbing his bounder. No runs.

Tinker made a nice heave of Smith's wallop. Miller and Browne went out on lifts to centre garden. No runs.

**Fourth Inning.**

Chance was out on McGraw's assist. A close decision. Smith spoiled a safe drive of Dobbs. Tinker put an easy to McGraw's corner. No runs.

McGraw's punch was easy work for Schaefer. Menefee smothered Bresnahan's bunt. McGann got in a pretty single past short. Brodie's drive to Tinker forced McGann at second. No runs.

**Fifth Inning.**

Miller lobbed an easy one to Lowe and Bobby walloped it into left for two bases. Kling sent him to third and Schaefer's single to left scored him. Menefee was out on Lauder's assist. Jones flied to Browne. Slagle walked and the bases were full. Chance singled to centre, scoring Kling and Schaefer. Lauder let Brodie's throw in go through him and with no one backing up, Slagle and Chance strolled home. Dobbs singled and scored on Tinker's double over Lowe's second time up, resulted in an out from McGraw to McGann. Six runs.

Wall doubled to centre. Lauder out, third to first. Smith struck out and Wall was caught off second. No runs.

**Sixth Inning.**

Kling flied to Brodie. Schaefer popped a little fly for Bresnahan. Menefee flied to Brodie. No runs.

Tinker dropped Miller's high fly. Browne fanned. McGraw beat out a bunt. Bresnahan fanned. McGann beat out a bunt and the bases were filled. Brodie put up a measly fly to short. No runs.

## TECUMSEH WINS FROM TRIDENT.

### American Challenger Is First in the Second Leg of Series for the Seawanhaka Cup in Canada.

BEACONSFIELD, Que., Aug. 8.—Tecumseh won the second race for the Seawanhaka cup. Finish:

| | H. | M. | S. |
|---|---|---|---|
| Tecumseh | 4 | 21 | 10 |
| Trident | 4 | 22 | 30 |

BEACONSFIELD, Quebec, Aug. 8.—When Trident, the Canadian defender of the Seawanhaka Cup, and Tecumseh, the American challenger, were towed out to the starting point on Lake St. Louis at noon to-day for the second of the series of races which will decide the possession of the trophy for a year there was scarcely a breath of air stirring.

The course planned for to-day was triangular, a mile and one-third to the leg, to be sailed three times around, or a total of twelve miles.

The yachts, with flapping sails, stood at the starting point from 1.30 until 1.53, when a faint breeze wafted the defender across the starting line. Tecumseh followed a few seconds later.

The American boat soon took the lead as the breeze freshened, and with four miles to go the Tecumseh led Trident by twenty seconds.

Most of the competitors had arrived this morning and everything pointed to the event being the most interesting in the history of the association.

A large crowd was present.

## TWO FASTEST CYCLISTS IN WORLD TO RACE HERE.

FRANK KRAMER

MAJOR TAYLOR

Ex-Champion Major Taylor and Champion Frank Kramer, the fastest two riders that ever straddled a bicycle, will race at the Manhattan Beach track to-morrow afternoon in the National Circuit championship, and a great struggle is expected.

This year Taylor did not enter the circuit until late, and in the four races in which he has taken part he has finished behind the champion. Taylor claims that he has not received the best of treatment from some of the riders in these races, who made it their business to crowd him when he was about to make his sprint. He has also found fault with the small circular tracks, claiming the distance from the turn to the finish is too short to enable him to get up his usual burst of speed.

Taylor will have no complaint to offer in this respect on Saturday. The track at Manhattan Beach with its wide turns and long stretch will give him an equal chance with the other starters, and if he is beaten it is because he is no longer the whirlwind of two years ago.

Kramer and the rest of the professional riders deny the assertion of Taylor that they have formed a combination to beat him, and state that the Major has reached his limit in speed.

The entire programme at the track is the most attractive ever offered at that famous course. Besides the national championship there will be a two-mile handicap and a two-third mile race for professionals.

Two innovations in motor bicycle racing will also be introduced. One will be a fifty-mile economy test, for which there are twenty-five entries from all over the East. This event will be started at 12.30. The other race will be a motor handicap race, the first of its kind ever held here, and fifteen sputtering motors will chase each other around the oval, managed by skilled amateur riders. If it can be ascertained that proper handicaps can be made these races and motor paced races will prove more exciting in the future.

## SCOFFER, AT 30 TO 1, WINS THE FIFTH RACE.

(Continued from First Page.)

at 9 to 5 and closed at 2 points higher it is evident that Mr. Drake must have placed "The biggest wager of his life" elsewhere than in the ring.

The match between Herbert and Articulate is being considered by the owners and trainers of these horses. A match between these horses could not possibly be interesting unless a track ankle-deep in mud was made to order for them. That is the sort of going both these horses love.

It was rumored to-day that Miss Alice Roosevelt, daughter of the President, would in all likelihood attend the races here on the day set for the running of the Saratoga Cup, Aug. 23.

Catechise, who was second in the stretch, was third, a length away. When the boys came to weigh in Connor was found to be 2 1-2 pounds short of weight. Nevermore was disqualified.

## BRILLIANT PLAY IN TENNIS MATCH.

(Continued from First Page.)

doubles between the same two teams in England a year ago. The Doherty boys continued their winning career at Davis's and Ward's expense. But the victory was one which the Englishmen only gained after a hard contest. This match being played on American soil gave the Yankees the same advantage that the Englishmen enjoyed at home, and therefore it was considered an even match.

The grounds were changed from the shape they were in for the matches in the singles. The two courts on which the singles were played were obliterated and the space which was between them was this afternoon fixed into a new court. The bleacherles were moved to a point overlooking the scene of the match and around it were many camp stools and improvised seats of boards.

Every kind of a seat was gladly accepted by the spectators and only the early comers benefited thereby. The later folk, and many women were among them, had to be content with seats on the grass. In a word, a still bigger crowd was on hand than during the two previous days. It was estimated that at least 7,000 were present.

A stiff wind was blowing from the west when Davis and Ward and the Doherty brothers took up their positions. The Britons smiled, for that was something which they knew would benefit them in their play. The Americans' style of lobbing which they use in defense would suffer, for it would make the play inaccurate. Their the hard smashes, too, would suffer, and altogether from the viewpoint of such a capable critic as the ex-champion of America, J. Parmly Paret, everything looked rosy for the Britons' success.

**England Loses First Set.**

Defeat came to the crack English players, Doherty brothers, in the first set of the match, and the crowd was wild in its enthusiasm. The score was 6 games to 3.

The Britons played very fine games, but they were not to be compared to those of the Yankee rivals. H. L. Doherty was swift on his feet and returned the ball brilliantly many times. His work was pleasing to the crowd and often he was the recipient of cheers for his clever work. His brother played excellently, too, and altogether the games were very interesting.

The Yankees jumped in the lead at the start, winning three straight games, but in the fourth the Britons took a brace and won out. Then, aided by poor work by Davis, of the American team, the Englishmen won the sixth and seventh games. Davis, as has always been his bad habit, in trying to shave the net too closely, shot the ball into the net, and many points he might have gained he lost by such work. His play was not to be compared to Ward's. That fellow played superbly, and to him was chiefly due the American victory in the first set. The score by points was:

| | | | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|---|
| Ward and Davis. | 4 | 5 | 7 | 1 | 4 | 0 | 6 | 2 | 4 | —33 | —6 |
| Doherty Brothers. | 2 | 3 | 5 | 4 | 2 | 4 | 4 | 4 | 2 | —30 | —3 |

**England Wins the Second.**

The Doherty brothers, after a most brilliant second set, won it by the score of 10 games to 8. The Dohertys improved in their work. They adopted lobbing tactics and the girls kept the spectators in a high enthusiasm. The most sensational as well as the most brilliant work of the whole tournament, occurred in the twelfth game of the set. The volleying was superb, and as a result the game went to deuce four times.
