WASHINGTON PARK, BROOKLYN, Aug. 9.—Determined to get even with the trolley dodgers for yesterday's defeat Patsey Donovan and his youngsters from St. Louis came to these grounds this afternoon bent on beating Ned Hanlon's team.

Donovan and his men had an idea they would take the first two games from the Brooklyns. They considered Hanlon's men easy picking after the crushing defeat which they gave them on Thursday. But the Superbas turned the tables on them yesterday.

Donovan put in Currie, his latest find, to pitch against the trolley dodgers. Hanlon depended on Frank Kitson to beat the visitors.

With the hope of witnessing a close and interesting game the rooters turned out in large numbers, there being over 4,000 of them present when the game started.

Umpire Tom Brown, who is officiating until Nick Young assigns a permanent official, filled the bill again this afternoon.

First Inning.

Brashear reached first on Dahlen's error. Dahlen made another bad error of Smoot's grass cutter, allowing Brashear to reach third and Smoot first. A passed ball let Smoot reach second. Dahlen made his third fumble of Barclay's grounder, letting Brashear score; Smoot reached second and Barclay first. Donovan out, Flood to McCreery, advancing the runners. Farrell walked, filling the bases. Gruger fanned, Hartman forced Farrell at second. One run.

Sheckard was retired by Brashear, unassisted. Keeler singled to centre, and was advanced to second on Dolan's safe drive to left. Dahlen's grounder to Hartman forced Keeler at third. McCreery was disposed of by J. Farrell and Brashear. No runs.

Second Inning.

Ryan fouled to Keeler. Currie's bounder was taken care of by Hughes and McCreery. Keeler made a pretty running catch of Brashear's line fly to short right. No runs.

Irwin's long fly to deep left was captured by Barclay. Kruger made a pretty stop of Flood's bounder and threw him out at first. Farrel was an easy victim at first on his grounder to Kruger. No runs.

Third Inning.

Keeler made a pretty running catch of Smoot's high fly. Barclay sent a grounder to Flood and was the second victim. Donovan's pop fly to the infield was smothered by Farrel. No runs.

Hughes slammed the ball to the low fence in deep centre for three bases. Sheckard drew a base on balls, but was doubled up with Keeler on the latter's grounder to Farrell, Hughes scoring on the play. Dolan was fielded out at first by Hartman. One run.

Fourth Inning.

J. Farrell reached first on Irwin's error, but was forced at second on Kruger's bunt to Hugnes. Hartman's short fly to Keeler resulted in a double play, Kruger and Hartman being the victims. No runs.

Dahlen was retired by Currie and Brashear. McCreery was called out on strikes. Irwin was hit with a pitched ball. He stole second, Kruger dropping Ryan's throw. Flood was disposed of by Brashear unassisted. No runs.

Fifth Inning.

Ryan reached first on Flood's fumble. Currie's bunt fly was caught by Irwin, and on the latter's throw to McCreery Ryan was doubled up. Brashear foulflied to Farrell. No runs.

C. Farrel bunted unsuccessfully, Currie throwing him out. Donovan made a pretty running catch of Hughes's low line fly. Sheckard doubled to the right field fence. Hartman threw Keeler out at first. No runs.

Sixth Inning.

Smoot was an easy out at first on his bounder to Hughes. Barclay's Grass Cutter to Irwin resulted in his retirement. P. Donovan sent a fly to Dolan. No runs.

Dolan walked. Dahlen's bunt foul fly was nailed by Ryan and was sent to Brashear in time to double up Dolan. McCreery foul flied to Hartman. No runs.

Seventh Inning.

J. Farrell out, Flood to McCreery. Kruger was thrown out by Dahlen. Hartman drove a skyscraper to Dolan. No runs.

Irwin reached first on Kruger's fumble. Flood singled, sending Irwin to third. C. Farrel out, Kruger to Brashear. Flood reaching second. Hughes singled to centre, scoring Irwin and Flood. Sheckard forced Hughes at second. Keeler flied to P. Donovan. Two runs.

IRISH LAD WINS $20,000 SARATOGA SPECIAL.

Hermis Takes the $10,000 Travers Stakes—Claude Disqualified in Fifth—Jenkins Steeplechase.

(Special to The Evening World.)

SARATOGA RACETRACK, N. Y., Aug. 9.—The greatest crowd of the meeting put in an appearance at the track this afternoon. Big as the reconstructed grand stand is the crowd filled it from end to end.

A special train from Albany brought more than a thousand enthusiasts from that city, Troy, Ballston and other places along the route showing that the racing fever is not confined to Saratoga alone.

There were two great attractions on the card this afternoon. One was the Saratoga Special, worth in the neighborhood of $20,000, and the other the Travers Stake of $10,000, for three-year-olds.

The Saratoga Special is distinctly a sporting race. Owners subcribe $10,000, half forfeit and name three horses. Of these three one is entitled to start. An owner may take more than one subscription. This is the greatest sporting race of the season. The field was a crack-a-jack, including all the high-class youngsters of the season.

In the Travers colts like Hyphen, Hermis, Highlander, Whiskey King and Gold Cure were named to face the starter.

In addition to these two stakes there was the Beverwyck Steeplechase.

The track dried out splendidly under the hot sun of the morning and was fast. The weather was perfect.

Louis V. Bell to-day purchased the three-year-old Hermis from William Ziegler for a price said to be $15,000. Hermis will run in the Travers Stakes in the colors of his new owner.

The story that Wonderly had had trouble with the Haggin Stable is denied. Wonderly rode the Haggin entry in the first race.

When seen to-day, George Gould, in reply to a question as to his reported intention to buy a racing stable and take up a turf career, said:

"I should dearly love to enjoy the sport as an owner, but stress of business may compel me to relinquish the idea. However, I have not made up my mind. The Mackay horses constitute a ready-made stable just suited for a beginner."

FIRST RACE.

Alsona and Remorse raced together for half a mile and then the two-year-old drew away, having things his own way to the end and winning by four lengths from Remorse, who, hard driven, lasted long enough to beat Slipfatt a head for the place.

SECOND RACE.

Beverwyck Steeplechase; two miles and one-half.

Starters, wts., jocks.	St.	Half.	Fin.	Betting. St. Place.
G. W. Jenkins, 156, Gallagher	5	1¹½	1¹½	3-5 out

Start good. Won easily. Time—5.28 2-5.

Clasher cut out the running on sufferance until within six furlongs of home. Then George W. Jenkins went to the front and, staying there to the end, won easily by a length and half from Rising Sun, who was two and one-half lengths in front of Rowdy.

THIRD RACE.

The Saratoga Special; for two-year-olds; five and one-half furlongs.

Starters, wts., jocks.	St.	Half.	Fin.	Betting. St. Place.
Irish Lad, 122, Turner	7	4½	1½	2½ 7-10

S. Voorhies, 122, Wonderly	6	pulled up		30 10

Start good. Won driving. Time—1.08 1-5.

Girdle jumped away in front and made the running, head and head with Dazzling, while Astrita laid a length away. Then came Irish Lad, Blue Ribbon and Mizzen. They held this order to the stretch, where Girdle quit. Dazzling then raced in front with Blue Ribbon. As soon as they straightened out Irish Lad forged to the front and at the furlong pole took the lead. Turner took no chances and drove Irish Lad out to the end, winning by a length and a half from Dazzling, who was two and a half lengths in front of Blue Ribbon. Mizzen, the favorite, was never prominent.

FOURTH RACE.

The Travers Stakes; for three-year-olds; mile and a furlong.

Starters, wts., jocks.	St.	Half.	Fin.	Betting. St. Place.
Hermis, 111, Rice	4	6³	1¹	9-10 1-5

Cunard, 111, Jackson	6	2²	3²	60 10
Hyphen, 129, Odom	5	3½	4²	12-5 7-10
Wh. King, 111, Redfern	1	1¹	5¹⁰	8 2½
Highlander, 124, Turner	7	7	6¹½	10 4
Arsenal, 120, Shaw	3	5³	7	20 7

Start good. Won driving. Time—1.54 4-5.

Whiskey King and Cunard ran like a team, with Hyphen and Gold Cure three lengths away, also running like a team. They held this to the turn where Hyphen gradually moved up and closed on the leaders. Whiskey King quit and Hyphen took second place. The weight told in the run home and Hyphen tired. Gold Cure then forged to the front, but in the last sixteenth Hermis closed with a rush and won a good race by a neck from Gold Cure, who was three-quarters of a length in front of Cunard.

Fifth Race—Five and a half furlongs.—Won by Shrine, Epedemic was second and Caulde third.

PLUNGER DYING, PLAYS THE RACES.

Defeat of Gunfire Spoiled "Butch" Thompson's Parley, Which Had Reached $6,000.

SARATOGA, Aug. 9.—"Butch" Thompson, the well-known bookmaker and plunger, is dying in the Saratoga Hospital. He was removed there from the Grand Union Hotel. In the last stages of Bright's disease and knowing that he can't last much longer, Thompson takes a lively interest in racing, and each afternoon eagerly awaits the results brought to him. "Butch" nearly made a fortune yesterday. With the idea of helping a needy friend he sent out a commission of $10 to be parleyed on the card. Charley White, the referee, placed the bets, and both he and the dying man didn't see how they could lose.

He began with Ordnung at 2 to 1 and drew $30 from the cashier. He raised this sum to $60 with an even money bet on Morningside, and boosted it to $300 with 4 to 1 on Yardarm. Stable information was responsible for a straight bet on Wild Pirate at 3 to 1, taking $1,200.

White got it down according to his instructions on Scoffer to show at 4 to 1. This went through, Scoffer winning and the entire $6,000 was wagered on Gunfire at even money. Gunfire finished second and the $6,000 went glimmering.

Thompson, it is said, will try again to-day.

TRAVIS LEADS MURDOCK ON SHINNECOCK LINKS.

Thirty-six-Hole Golf Match for First Cup Is Close and Exciting.

SHINNECOCK HILLS GOLF CLUB, L. I., Aug. 9.—The most successful, although rather exclusive, tournament of the Shinnecock Hills Golf Club was brought to a close to-day by the playing of a general eighteen-hole handicap in addition to the finals at thirty-six holes for the four cups offered as the chief prizes of the tourney.

The leading event was the contest for the first cup between Walter J. Travis, Garden City, and U. Mudock, Shinnecock Hills, and it carried the gallery of the day. The pair competing for the second cup were R. H. Williams, jr., Morris County, and T. M. Robertson, St. Andrew's. The third cup finalists were R. H. Robertson, St. Andrew's, and M. Tilden, jr., Morris County Golf Club, while the pair fighting it out for the fourth cup were J. W. Baker, Princeton, and James A. Tyng, Baltusrol.

The weather was all that could be desired for good golf, and there was no high wind to-day to interfere with accurate playing.

In the final match for the third cup between Marmaduke Tilden, jr., of Maidstone, and R. H. Robertson, of Shinnecock, Tilden was 4 up at the end of the morning play.

The Travis-Murdock match was followed by a considerable gallery. Travis gained the advantage in the last four holes and finished 2 up at the end of the morning play. The cards for the 18 holes were:

Travis	4	4	4	6	3	5	5	5	6	—42
Travis	3	5	5	4	4	5	5	4	—39	—81
Murdock	4	3	5	3	3	5	6	6	5	—40
Murdock	4	5	4	3	4	5	5	6	5	—41

—81

In the match for the fourth cup J. W. Baker, of Princeton, was 1 up over James A. Tyng, of Baltusrol, at the end of 18 holes.

It Is Said $15,000 Will Be Price Paid for The Monk.

The Monk, the champion trotter of the Speedway, it is said will become the property of C. K. G. Billings within a few days. It was learned from a very reliable source last night that Mr. Billings will purchase the speedy horse from its owner, Fred Gerken, and that The Monk will soon join Mr. Billings's stable.

The price on which negotiations are based is not known, but as Gerken recently refused an offer of $10,000 for the gelding it is believed that the price Mr. Billings offers will be close to $15,000.

GREAT CROWD SEE LORD DERBY TROT.

Seven Thousand Persons at Empire City Track Witness Race Between Smathers's Horse and Louise Jefferson.

(Special to The World.)

EMPIRE CITY TRACK, YONKERS, Aug. 9.—More than 7,000 lovers of the light harness horse journeyed to the beautiful course here this afternoon to attend the matinee races of the New York Driving Club, but principally to get a glimpse of E. E. Smathers's Lord Derby (2.08¼), who just a week ago trimmed Thomas W. Lawson's great trotter, Boralma, for a stake of $10,000, at Hartford, Conn. It was one of the largest crowds that had visited the track this season.

Lord Derby was in great shape for his contest with C. K. G. Billings's handsome trotter, Louise Jefferson, and some fast time was anticipated. Besides the star event between Lord Derby and Louise Jefferson there were five other events on the programme, including four trotting races and one for pacers.

The conditions of all the events were mile heats, best two in three, and to assure speedy action and avoid any long drawn out contests it was announced that horses not winning a heat in the first two of each race would retire.

It was announced that E. E. Smathers would drive Lord Derby an exhibition mile in company with a runner preparatory to his race with Louise Jefferson.

Lord Derby trotted the mile in 2.11.

After the trial Mr. Smathers said that he did not intend to go faster than 2.17, but Lord Derby was trotting well within his limit, and he let him step the mile at ease. The last half of the mile was covered in 1.03½, a 2.07 gait, which shows that Lord Derby is in great shape at present.

Event No. 1, for trotters, mile heats, best two in three—First heat, won by J. L. Dodge's chestnut mare Ventura; F. N. Lawrence's chestnut mare Gracie Onward, second; Stewart Barr's bay gelding, Brightlight, third; J. W. Cornish's chestnut gelding, David B., fourth. Time—2.17 3-4.

Tvent No. 2, for pacers, mile heat, best two in three—First heat, won by M. C. Boynton's black gelding, Tony M.; F. G. Schmidt's black mare, Plumline, second; W. J. Clark's bay gelding, Giles Noyes, third. Time—2.17.

Event No. 3—For trotters, mile heats, best two in three.—First heat won by Kimball C. Atwood's bay mare Princess May; M. Bruckheimer's chestnut gelding, Lord McDonald, second; Charles C. Lloyd's chestnut gelding, Richard B., third; Thomas F. Russell's brown mare, Princess Sprague, fourth. Time—2.22½.

Tvent No. 1—For trotters, mile heats, best two in three.—Second and final heat won by J. L. Dodge's Ventura; F. N. Lawrence's Gracie Onward, second; J. W. Cornish's David B., third; Stewart Barr's Brightlight, fourth. Time—2.15¼.

Event No. 2—For pacers; mile heats; best two in three.—Second and final heat won by M. C. Boynton's Tony M.; F. G. Schmidt's Plumline second. Time —2.18.

Giles Noyes was withdrawn before the second heat, and this left Tony M. and Plumline to fight it out alone for the honors. The race was a close one, but Tony M. seemed to have the race well in hand all the way.

Event No. 3, for trotters, mile heats, best two in three—Second and final heat won by K. C. Atwood's Princess May; C. C. Lloyd's Richard B., second; Thomas Russell's Princess Sprague, third; M. Bruckheimer's Lord McDonald, fourth. Time—2.20 1-4.

Event 4—For Trotters' Mile Heats. Best two in three. First heat won by Charles C. Lloyd's black gending Malzour; K. C. Atwood's brown mare Neilson second, L. A. Burke's black gelding West Wilkes third. M. C. arrison's bay gelding Axtello fourth and David Goodman's bay gelding Freeland. Time, 2.15½.

N.Y.Y.C. FLEET OFF FOR MARBLEHEAD.

Forty-Mile Run from Provincetown Begins Against a Head Wind and Time Will Be Slow.

PROVINCETOWN, Mass., Aug. 9.—For the first time since leaving New London on their present cruise the fleet of the New York Yacht Club to-day started against a head wind when they took up their course from Provincetown to Marblehead. This gave them a poor prospect for quick time for the forty miles which they must cover to reach their destination.

The yachtsmen did not mind this, however, as they were glad to have a prospect of windward work after so many days of sailing with started sheets. At this season also a northwest wind is apt to back to the west or southwest between morning and night, and such a shift to-day would give a fair breeze on the latter part of the trip.

It was well along toward 10 o'clock before the last yacht got away from the starting line. The committee tug came out at 9.15 and took up its station off Wood End. Soon afterward the preparatory gun was fired, followed by the starting signals for the various classes.

Some of the steam-yachts and the non-racers left the harbor very early in the morning to go directly across to Marblehead without waiting for the others.

FREEMAN LET ELKES CATCH UP AND LOST.

Oregon Cyclist Didn't Take Advantage of Opponent's Accident.

WORCESTER, Mass., Aug. 9.—The twenty-mile motor-paced race at the Coliseum last night between Elkes and Freeman resulted in a victory for the former, who covered the distance in 31.27 3-5.

The chain of Elkes's wheel broke early in the race, but Freeman, instead of forging ahead, waited for his opponent to get a new wheel and catch his pace. Had the Oregon man taken advantage of the accident he would have won with ease. As it was Elkes caught him and won by a great margin, covering a mile in 21.8.

YOUNG CORBETT SPARS BEHIND CLOSED DOORS.

Only Denverite's Trainers See His Blows—Terry Has Plenty of Confidence.

(Special to The Evening World.)

HARTFORD, Conn., Aug. 9.—"Young Corbett" is doing his sparring in private at his headquarters in Unionville. While the townsmen are welcomed to his camp on the bank of the Farmington River, where he does considerable training, no one but his own staff is permitted in Grand Army Hall, where he puts on the gloves with Willie Fitzgerald and Frank Newhouse.

This hall was the most available place in the town when "Young Corbett" struck it. The walls are covered with pictures of battle scenes, and there are portraits of Grant, Sherman, Sheridan and other fighters on the field of battle.

There was some doubt at first as to whether the townspeople would like to have a champion pugilist around, but the quiet demeanor and gentlemanly conduct of the Denver lad has made him many friends. The girls in the village flock to his camp to see him at work, and they keep his seat in the dining-room of the Unionville House well supplied with bouquets.

Corbett has consented to appear at an entertainment next week and spar for a local charity. He is working hard every day, and the improvement he shows in footwork and quickness is wonderful. Hartford sports will pick him to win again because he is a better ring general and has a wiser head than Terry.

LEGAL TANGLE ISN'T WORRYING M'GOVERN.

(Special to The Evening World.)

BRIDGEPORT, Conn., Aug. 9.—When Terry McGovern read the statement in last night's Evening World that a Judge of the Superior Court might issue an injunction restraining him and Young Corbett from boxing Aug. 29, in New London, he said:

"I am not worrying about that. I guess Manager Crowley knows what he is doing. All I have to do is to get ready to fight. It is up to me to get the decision
