week; corresponding week last year, 13,422. The notable feature of the trade this week is the advance of choice pails this morning to 45c., under the plea that not enough is coming forward. Possibly with the idea that it will go to 50c., farmers will hold on as strong as they did before. This advance in pails adds a little to fine State firkins and tubs. This advance is mainly affected Western as yet. Trade is slow, and it is reported but scarcely affected Western as yet. Trade is slow, and it is especially dull for medium grades worth 22@23c. Some of the extra fine marks of Western Reserve—scarcely distinguished from State—have been sold at 30 and even 31c. in a jobbing way. It takes fine lines of Western to bring 27@28c. We note 60 firkins fair Pennsylvania at 25@26c.; a small lot of Ohio at 26c.; 10 firkins Pennsylvania and 40 Western Reserve at 27c.; lot of Ohio at 26c.; 10 firkins Pennsylvania and 40 Western Reserve at 27c.; 175 firkins do. at 27½c.; 47, in lots, at 28c., and a line of 146 firkins at same price; 141, in lots, at 29½c.; and 21 at 30c. Transactions in State are quite light, if we except pails. We note 20 Welsh at 23c.; 11 firkins at 34c.; 8 do. at 35c.; a small lot of half tubs at 36c.; 18 firkins at 36½c.; 16 do. at 35c., in a small lot of half tubs at 36c.; Groceries and Provisions unchanged. DUNKIRK, WARREN and PITTSBURGH RAILWAY

SEVEN PER CENT GOLD BOND,

free of Income Tax.

Interest payable 1st December and June

$1,000,000 FIRST MORTGAGE BONDS, SECURED BY MORTGAGE to the Union Trust Company of New-York upon their road from Dunkirk to Warren, a distance of 54 miles, to be completed this Fall; the bond is about $18,000 per mile, less than one-half the cost of the road, mean for grading, right of way, &c., having been furnished by stock subscriptions upon the line. A thorough examination of the line has been made at the request of the President of the connecting roads in Pennsylvania, and referred to in the following letter:

PRESIDENT'S OFFICE, OIL CREEK AND ALLEGHANY RIVER RAILWAY COMPANY, Warren and Franklin, Farmers and Oil Creek Railroads, Consolidated, 233 Walnut-st., Philadelphia, May 17, 1870.

SIR: I have just perused the report of Franklin Wight, esq., who (at my suggestion) has made an examination of your road from Dunkirk to Warren, and from my long acquaintance with him as well as my personal familiarity with a portion of the country traversed by your road, its business connections, &c., I feel free to say that you may have perfect confidence in his statement. That your road when completed will construct a business fully equal to your anticipations, I do not for a moment permit myself to doubt. As our road will be intimately connected with yours we shall look forward to its completion with deep interest; as we shall doubtless be among your best customers in the trade furnished from or over our road. Very respectfully, EDWIN F. GAY, President.

G. C. and A. Railroad.

Grading is nearly completed, a large portion of the iron is here on the road, rolling stock all purchased, iron is now being shipped, and the road expected to be complete during the year.

We have made examinations, and have had thorough reports made to us, and have no hesitation in recommending the bonds as a perfectly safe investment.

Price, 90, and accrued interest, at which price, with gold at the present price, they pay nearly ten per cent, free of income tax.

Pamphlets, &c., may be had on application, and the bonds will be for sale by

SEVEN PER CENT CONSOLIDATED MORTGAGE

SINKING FUND BONDS.

The Lake Shore and Michigan Southern Railway Company, for the purpose of providing for the payment of its several mortgage debts as they become due, has executed a mortgage to the Union Trust Company of New-York, as Trustee, upon the whole of its Railroad and branches, payable on the first day of July, in the year one thousand nine hundred.

Coupon Bonds of $1,000 each will be issued, with interest at Seven per centum per annum, payable semi-annually, on the first day of *January* and *July*, in each year, and *Registered Bonds* of $1,000, $5,000, and $10,000 each, without coupons, with interest at Seven per centum per annum, *payable quarterly*, on the first day of *January, April, July*, and *October*, in each year, principal and interest payable at the office of the Union Trust Company in New-York.

We call the attention of investors especially to this class of *Registered Bonds*, which, on account of the *Security afforded against loss by robbery, fire or otherwise*, and the *payment of quarterly interest*, offer an investment peculiarly desirable.

WE OFFER FOR SALE

$600,000

Evansville, Henderson, and Nashville Railroad of Kentucky 1st Mortgage Bonds,

due in 1397, bearing interest at 7 per cent per annum, payable on the 1st days of January and July, at the Bank of America, New-York.

The line of this Road extends from Henderson on the Ohio River to the State line of Tennessee, passing through the coal fields of Western Kentucky, and forming important connections with Chicago, Nashville, the South and East. Sixty-three miles are completed at a cost of $2,000,000, raised almost entirely from stock subscriptions, leaving only thirty-three miles to be built, of which twenty-three miles are now graded and under contract. The first and only mortgage of all the property and franchises of the Company is for One Million Dollars, payable as above. The proceeds of the sale will be applied by J. Edgar Thomson, esq., of Philadelphia, the Trustee of the Company, to finish the work, for which purpose, with the other resources at command, they are amply sufficient. The net earnings of the Road are now quite large, and by the middle of June the coal fields will be reached, which will increase them materially. There is no reasonable doubt that the extensive local traffic of this Road, added to its important connections, will make it abundantly remunerative to the stockholders. $400,000 of this Loan have already been negotiated, and the remainder will be sold, for the present, at 82 and accrued interest, at which rate they constitute a safe and desirable investment.

Further particulars will be furnished on application to us.
