Publish this Day:
THE MYSTERY OF EDWIN DROOD.
BY CHARLES DICKENS.
With 12 Illustrations by S. L. Fildes, and a Portrait.
8vo. Paper, 25 cents.

"All that was left of 'Edwin Drood' is here published. Its last entire page had not been written two hours when the event occurred which one very touching passage in it (grave and sad, but also cheerful and reassuring) might seem almost to have anticipated. The only notes in reference to the story that have since been found concern that portion of it exclusively which is treated in the earlier numbers. Beyond the clews therein afforded to its conduct or catastrophe, nothing whatever remains; and it is believed that what the writer would himself have most desired is done, in placing before the reader, without further note or suggestion, the fragment of 'The Mystery of Edwin Drood.'"

HARPER & BROTHERS will send "Edwin Drood" by mail, postage prepaid, on receipt of 25 cents.
