KATIE DREAMED SHE'D BE A QUEEN

Twelve-Year-Old Hoboken Girl Thought There Were Many Kings at St. Louis Without Consorts.

SOUGHT TO STEAL A RIDE AND WED ONE OF THEM.

But She Was Discovered and Taken from Perilous Place Behind Engine Tender—She Has the Runaway Habit.

Big Bill Hotchkiss, engineer of the fast Lackawanna Limited, was pulling his heavy train of Pullmans out of Hoboken for the West to-day. As the locomotive commenced to hit up a high speed he turned back to see the yard signals. His eyes fell on a mere slip of a girl in short skirts, bareheaded and with great black eyes, riding the blind-baggage just back of the tender.

"That's no place for a gal," said Bill, as he closed the throttle and applied the air-brakes. "She'll get blown off there when we strike the fifty-mile gait."

When the train stopped in the suburbs of Hoboken, Hotchkiss and his fireman dismounted and took the girl off the blind-baggage, although she objected vigorously. The conductor and the passengers got out to see what the delay was about, and from the child they learned that she was Katie Norman, twelve years old, of No. 214 Willow avenue, Hoboken.

Tired of Washing Dishes.

"I'm tired of home and washing dishes and sweeping floors and doing chores," she whimpered. "I'm going to run away and be a lady. I want pearls and long dresses, and I want to learn to dance, and I want to sleep till noon every day. I've saved $2 by not giving my pennies to the Sunday school, and I'm going to St. Louis, where it's easy to be a lady. I can marry some rich prince or king there—there's lots of them at the World's Fair—and then I can have lots of good things to eat and maybe lady-in-waiting to dress me."

The big train waited and waited, heedless of schedule, while Katie told of her air castles. The passengers gathered about at the side of the fussing and hissing and impatient engine as Katie continued:

"Our teacher told us there wasn't going to be a single queen at the World's Fair and that they wanted one very much indeed. I'm going there because I was Queen of the May at Senator Dowd's party in the park. I'm a real queen and maybe they'll be glad to see me.

"I don't look much like a queen now, because I ain't got no other clothes than just these, and I guess I've worn them a bit; but I can wear long skirts and laces and white hats with big feathers in them and when they find I'm a queen in St. Louis they'll give me all that. And maybe a box of jewels and a watch."

Her Dream Got a Jar

Goodness, but what a rude jar Katie's dream got when Policeman Flannery broke through the crowd.

"Come here with me, Katie Norman," he said. "You've run away from home again, your mother says." Katie's eyes welled up with tears and she wept convulsively.

"This kid runs away from home once a month," said the copper, dragging her toward the street crossing as the passengers spread apart. The romance was spoiled, the Lackawanna Limited delayed fifteen minutes, and Queen Katie was humiliated in a police court.

TWO ATTACKED POLICEMAN.

One Man Arrested Is Badly Beaten During Fight.

In the West Side Court to-day Thomas Hickey, of No. 452 West Twenty-ninth street, a special officer, and Policeman Coulter, of the West Thirty-seventh street station, appeared as complainants against Edward Christie, of No. 148 Tenth avenue. Christie was covered with coagulated blood.

Hickey said that Christie with two other men fell upon him at the foot of Thirty-fifth street and North river last night and attempted to throw him into the river. He fought back and held on to Christie, whom he beat pretty badly during the fight. Christie denied the attack upon the special officer. He was given time to produce witnesses.

SEEKS CHECK FOR $2,000.

Young Man Has Friends Arrested for Keeping It.

Adolph and Joseph Deutsch, brothers, in the furniture business at Fourth street and Avenue A, were held in $2,000 bonds each to-day, on a charge of larceny, by Magistrate Pool, in the Yorkville Court.

Alexander Weiss, of No. 190 East One Hundred and Seventeenth street, became twenty-years old on May 3, and to celebrate that event his parents gave him a check for $2,000. He says he took it to the Deutsch brothers, old friends of the family, to cash it, and was told to wait until it went through the Clearing House.

Alexander says he has been waiting ever since, being put off from day to day by one excuse and then another. Tired of the delay, he consulted attorneys, and they caused the arrest of the old friends of the family on a charge of larceny.

In police court the Deutsch brothers refused to make a statement, except that they would have no trouble in proving their innocence.

GIRL KILLED BY WAGON.

Run Over While Crossing a Harlem Street and Dies Almost Instantly.

Lulu Henry, ten years old, of No. 515 West One Hundred and Forty-fifth street, while crossing One Hundred and Forty-sixth street near Amsterdam avenue, was knocked down and run over by a team of horses attached to an ice wagon and died before surgical aid could be summoned.

The driver, Henry Becker, of No. 456 Lenox avenue, was arrested and taken to the One Hundred and Fifty-second street station.

To Weed Out Tramps.

The business instinct seems curiously lacking in some people. The Newton Abbot (England) guardians have decided that tramps received into the vagrant ward should remain two nights and do a day's work. The result has been a loss of nearly 200 of their regular customers.

Kidney and Liver Trouble

Made Life a Constant Burden and Worry to Me, Says Alderman Welter, of Chicago; But I Was Quickly

Cured by Warner's Safe Cure.

"When health is gone, money, honor and politics alike become uninteresting, and the one desire of your heart is to get well and let everything else go. Such were my feelings a year ago, when kidney and liver trouble made life a burden to me.

Through the kindly advice of a physician and friend I was induced to try Warner's Safe Cure. Four bottles made a new and well man of me, and it was worth more to me than a seat in Congress. I feel so extremely gratified with the results and so thankful for my restoration to health and strength that I gladly indorse your medicine and urge every one who even suspects the slightest trace of kidney trouble to take it at once." M. J. Welter, Alderman Twenty-fourth Ward, 1332 Otto St., Chicago, Ill.

MR. M. J. WELTER.

This testimony of his wonderful cure from Alderman Welter adds but one more to the many hundreds of letters received daily from grateful men and women everywhere who have been saved from lives of misery and suffering, and from death itself, by Warner's Safe Cure, the world's greatest cure for all diseases of the kidneys, liver, bladder and blood.

Warner's Safe Cure has been used and prescribed by doctors and in hospitals for over 30 years as the one remedy that cures and leaves no bad after effects.

HAVE YOU THESE CERTAIN SIGNS OF KIDNEY TROUBLE?

Pains in back and head, swellings, frequent desire to urinate, painful passing of water, rheumatism, fullness under eyes, constipation, bad digestion, drowsy feeling, lack of ambition and interest. They are all sure indications that your kidneys have been diseased for months.

TEST YOUR URINE. If you have any doubt let a little morning urine stand 24 hours. If a sediment forms or particles float about in it or it becomes cloudy your kidneys are seriously affected.

You have no time to lose if you have any of these symptoms, or if any member of your family in this or past generations has had kidney trouble; it's hereditary. It's dangerous to neglect the kidneys for even a day. Get a bottle of Warner's Safe Cure at the nearest drug store. It has cured thousands of cases after every other medicine failed, and it will surely cure you. It removes the inflammation and replaces the wasted, diseased tissues, and enables the organs to do their work properly and fully. All drug stores, or direct, 50c. and $1 a bottle.

Warner's Safe Cure is guaranteed absolutely pure and free from dangerous drugs found in so many "so-called" kidney cures. Beware of substitutes and imitations.

Horrible torture of children

Thousands of Mothers, every night, watch the fevered unrest and the awful torture their babes and children undergo when

Rashes, blotches, pimples and breakings-out

appear on their little bodies and faces. Immediately they imagine the child's blood is impure or poisoned, and begin to dose an already overworked stomach with vile and noxious drugs, when as a matter of fact the disease is not in the blood, but solely in the skin.

Don't dose the stomach! Treat the skin.

These Rashes, Blotches, Pimples and Breakings-Out are given the general name of **Eczema.**

It is purely and simply a local disease and entirely confined to the Skin, and in no instance is it the result of impure or poisoned blood. This disease is caused by thousands of little germs which burrow into the outside skin, and their ravages there result in the sores, the fiery itching and burning sensations experienced by sufferers from this disease. The only successful treatment for **ECZEMA** is by **External** or **Local Applications.**

Our confidence in the D.D.D. Prescription.

So many astonishingly effective and permanent cures have been made by this wonderful Skin Disease Remedy (The D. D. D. Prescription) that we are absolutely convinced it will conquer any and all diseases of the Skin and Scalp.

We back this assertion with our guaranty.

Those who are interested in this subject are invited to call at our store and see actual photographs of many people cured of these seemingly incurable Skin Diseases.

D. D. D. Costs but $1 a Bottle, and is guaranteed to cure or money refunded.
