(Special to The Evening World.)

SHEEPSHEAD BAY RACE TRACK, Sept. 7.—The September Stakes, which promised a great race between Ort Wells and Beldame, was a distinct disappointment. Beldame made practically all the running and won with ease.

Ort Wells ran pounds below his form for apparently no reason. His race in the Century on Saturday was superb, and there was no reason to expect that he would run a bad race to-day. When Graziallo beat him out for the place then the public knew that he did not run his race, as at these weights it was only play for him to beat Graziallo.

Ort Wells was favorite, but he was not backed by his people with the enthusiasm that they displayed in the Century Stakes.

Martinmas showed a glaring reversal of form in the opening race. He was beaten twenty lengths in his last race, when he ran unbacked, but to-day he was heavily played, and he won breezing in time that established a new world's record. Armenia, a heavily backed favorite, ran her race, but could not beat Martinmas to-day.

Tradition was lucky to win the Belles Stakes. She was off badly and turned into the stretch several lengths behind Handzarra, who was tin-canning out in front. She closed very fast, however, and just got up in time to win by a nose. The Duryea entry ran poorly, though both wore blinkers and ran true.

In the Waldorf Stakes Agile was a prohibitive favorite. Those who bet on him at 1 to 4 had a hot time of it, for Dandelion took hold of him and made Agile hustle every inch of the way to win by a short head. Aeronaut, who went from 4 to 1 to 12 to 1, was disgracefully beaten. Bill Bailey II. beat Aeronaut six lengths for third money. The track was fast, weather cool and the attendance good.

New World's Record.

Armenia was a hot favorite in the opening dash with Martinmas the second choice. The latter showed a surprising reversal of form. In his last race he went back in the betting from 13 to 1 to 25 to 1 and his race corresponded. To-day he was heavily backed, and again he ran as the betting indicated. He had speed to burn, and, racing away in front, was never caught, beating the world's record by a fifth of a second. Armenia was second all the way, but Martinmas beat her easily by three lengths. Adrutha was third five lengths away.

Tradition Wins on the Post.

Tradition was a hot favorite in the Belles Stakes. Handzarra was the second choice. The latter dusted away in front while Tradition was away badly. Handzarra made the running to the stretch, followed by Fancy Dress, Dorothy Gray and Tradition. The latter began to make up ground in the stretch, and, coming very fast in the last sixteenth, just got up in time to nip Handzarra on the post by a nose. Linda Lee was third four lengths away.

Agile Wins by a Head.

Agile was a prohibitive favorite in the Waldorf and it looked as if Capt. Brown was sure to pay for the dinners for forty at the Waldorf to-night. Dandelion was well backed, however, being played down from 12 to 1 to 8 to 1. Dandelion jumped away in front and set a hot race to the turn, with Agile and Aeronaut racing on even terms. On the turn Agile closed on Dandelion and this pair drew away, making it a two-horse race to the finish. Burns had to ride his hardest to beat Dandelion a head. Bill Bailey II. was ten lengths away.

Beldame in a Gallop.

Ort Wells was a pronounced favorite over Beldame in the September Stakes. The bookmakers opened him at 9 to 10 and Beldame at even money, and the latter went up to 6 to 5, while Ort Wells dropped to 4 to 5. Graziallo was noticed enough to drive his price down from 25 to 1 to 15 to 1.

Ocean Tide went to the front at the start and made the early pace, followed by Beldame and Ort Wells. They ran this way to the backstretch, where Beldame moved to the front. Ort Wells then moved by Ocean Tide and went after Beldame. He never made up any ground, however, and on the turn Lyne went to the whip. Even then Ort Wells did not respond and Beldame turned into the stretch two lengths in front, while Graziallo had passed Ort Wells and was second. Beldame came on and won easily by two lengths from Graziallo, who was three-quarters of a length in front of Ort Wells.

Sir Lynnewood Wins Easily.

Princess Atheling, Lady Prudence and Sir Lynnewood raced in close order to the stretch, where Sir Lynnewood went to the front and won easily by a length and a half from Spring Silk, who finished strong and beat Phantom a head for the place.

Last Race Won Cleverly.

Grey Friar made the running to the far turn, followed by Little Em, Liberia and Mabel Richardson. Little Em then went to the front and showed the way to the stretch, where Mabel Richardson passed her and won cleverly by a length from Little Em, who beat Grey Friar four lengths for the place.

POLO GROUNDS, Sept. 7.—Wiltse won his tenth victory by fooling the Phillies to-day. He has not lost a game this season.

The Quaker lads started well, but in the seventh inning the Giants, by a combination of hitting and errors on the part of the fielders, made four runs, which cinched the game.

PEACE TREATY SETTLES ALL "L" ROAD TROUBLES

Further Concessions by the Interborough Officials During the Conference with the Leaders of the Workmen This Afternoon Led to a Settlement of the New Trouble.

FIFTY PER CENT. OF THE SUBWAY JOBS ARE TO GO TO THE "L" MEN.

This in Addition to the Granting of $3.50 for a Ten-Hour Day for Motormen Made at Yesterday's Conference with Belmont Forms the Basis of Settlement.

With further concessions granted by the Interborough management at the conference this afternoon the threatened strike on the "L" has been averted, and the ground is broken for peace that shall last at least three years.

Articles of agreement between the unions and the Interborough have been drawn up which grant in addition to the wage scale of $3.50 for ten hours work for Subway motormen, 50 per cent. of the Subway jobs to men now employed on the "L."

THE LATEST CONCESSIONS.

This last proposition was advanced and accepted in a talk between the national and local leaders of the three unions represented on the "L"—the engineers, firemen and amalgamated workmen—and General Manager Bryan and General Supt. Hedley. It cuts off what promised to be a long and bitter dispute over two contentions put forth by the men, that the physical examination for subway employees must be modified and that the order of seniority, now in vogue on the "L," should extend to the subway.

The new agreement provides that the enrolment books of subway employees shall be reopened for a period of ten days and that all "L" employees shall have an opportunity of applying for subway jobs. But they will have to pass the examinations. When the number of "L" employees equal to 50 per cent. of the total force of the subway in all grades of employment has been engaged further agreements will be signed.

Whether the places left vacant on the "L" shall be taken by men already employed for the Subway and crowded out by the unions is a question that remains to be settled, but about this no difficulty is anticipated. The Interborough has practically recognized the unions in the "L," and it is probable that new men employed on the Subway and the "L" lines will join the unions after they have had talks with the union leaders.

WHAT MEN HAVE GAINED.

On the face of the settlement returns the men have won a decided victory. They have secured a wage scale in the Subway for motormen 50 cents a day higher than the company was willing to pay, although they lost their contention for a nine-hour day. They have succeeded in practically unionizing the Subway, for it is only a question of time when all the employees of the division of the Interborough will be enrolled in the unions.

And they have opened places for some 200 members of the Brotherhood of Locomotive Firemen who were thrown out of their places by the adoption of electricity on the "L" and sent to places of minor importance. These men are now in line for promotion to motormen's positions to take the places on the "L" of the motormen who will be transferred to the subway.
