By authority of the Board of Directors of THE NEW-YORK RAILWAY COMPANY, and in conformity with the terms of the Act of Incorporation in that respect, the undersigned Commissioners on Stock Subscriptions give public notice for and on behalf of the Directors, and of such Company, that Books of Subscription for the Capital Stock thereof will be opened on WEDNESDAY, the twenty-eighth day of June instant at the following places in this City, viz.:
At the Banking House of Duncan, Sherman & Co., No. 11 Nassau-st.
At the Banking House of the Bank of the Metropolis, No. 31 Union-square.
The Company is authorized to construct two Viaduct Railways or branches through the City of New-York, on the east and west sides thereof, from a common starting point at or near Chambers-st., between Broadway and Chatham-st.; also across the Harlem River and through Westchester County; with power to build additional lines of railway or branches, from time to time, in any part of the City or Westchester County. The property acquired by the Company is exempted from taxes and assessments during the period allowed for the final completion of the railway in the city. The Mayor, Aldermen, and Commonalty of New-York are authorized and directed, with the approval of the Commissioners of the Sinking Fund, to subscribe for five millions of dollars of the stock of the Company, whenever one million of dollars thereof has been subscribed for by private parties. This conditional amount of stock has been wholly subscribed for and taken by the Directors of the Company. On the completion of either of the lines of railway to the line of Westchester County, the Supervisors of that County are authorized to issue the bonds of the County to such amount as the Supervisors shall deem expedient, to aid in the construction and extension of the railway in and through that County. For the proper equalization of the interest of shareholders who may subscribe and pay in moneys at different times, the Directors are authorized to issue scrip for interest on such payments, payable out of the earnings.

The terms of Subscription will be as follows:
TEN PER CENT of the amount of Stock subscribed for, to be paid in cash at the time of subscription. The residue to be paid as called for by the Board of Directors on a notice of thirty days, but no call at any one time to exceed ten per cent.
Scrip for interest at the rate of seven per cent per annum will be issued by the Company payable out of the first earnings of the Railway on all installments paid on Stock subscribed for within thirty days after the Subscription Books shall be opened.
The Company reserves the right to close the Subscription Books at any time after the twenty-ninth day of July, 1871.
By order of the Board of Directors,
Alexander T. Stewart,
John Jacob Astor,
Levi P. Morton,
Commissioners on behalf of the Company.
