Protect Health & Save Money

At 161 James Butler Grocery Stores.

When you buy from a JAMES BUTLER STORE you are protecting your health, improving your standard of living, and at the same time putting money in your purse.

You cannot buy better foods than the JAMES BUTLER STORES offer. You cannot buy anywhere else at so small a cost. Nowhere else can you find the same purity, the same uniform excellence or the same fresh, clean wholesomeness for such low prices.

That is why we sell more groceries, foods, provisions, butter and eggs, teas, coffees, wines and liquors than any other retailer in America—if not in the world.

If you are not already a patron of JAMES BUTLER look over the directory of our stores and select the one most convenient to your home. One trial will convince you that the quality is always the best—the prices always the lowest possible. Here are a few of the money-savers for this week:—

Rolled Oat Flakes. Fresh from the mill; highest quality, steamed and kiln dried; sweet as a nut, 3 lbs. for **8c**

Hams. Swift's Little Picnics, 5 to 7 lbs.; lean, tender and delicious; a lb..... **9c**

Bacon. Swift's Famous Eagle Brand, Sugar Cured, Boneless, in canvas covered strips — the best packed; a lb..... **15c**

Imported Sardines. Sublimes in finest French olive oil; a can... **10c**
La Cobrigas, in finest olive oil, large can.... **10c**

New Importations of Finest Teas & Coffees.

It stands to reason that before investing hundreds of thousands of dollars in single consignments of NEW TEAS and COFFEES we are absolutely sure of the quality. We can't afford to try experiments or take a single chance. It would be too expensive. Our experts are on the ground, and they select the best—the kinds they know will pass the tests of connoisseurs and give our patrons perfect satisfaction.

Our prices are HALF what is usually charged for equal grade and cup quality. How so? Because we import direct, save ALL the middle profits, sell in the most economical manner, and buy for spot cash in quantities so large as frequently to control the market. Buying at our own price, we give our customers the benefit by retailing quickly for a small margin of profit. That is how we undersell every other retailer and guarantee quality and uniformity. As an extra inducement to sample the new importations, here are four special offers for this week.
