HID IN CITY FROM POLICE FOR 7 YEARS

Jordan at Last Caught Through Treachery of a "Friend."

After a continuous search throughout the country for seven years, George L. Jordan, alias Mark Denny, "wanted" for a $20,000 forgery, has at last been captured. Instead of being in Europe, as the police assumed, Jordan has been living under their very noses, and would be at large still had he not been betrayed by a friend whom he had attempted to cheat.

Jordan is considered one of the most dangerous men of his kind. So chary are the authorities of his escape that bail was fixed at $25,000 when he was arraigned before Recorder Goff to-day.

Jordan is well remembered as a well-bred "Englishman," who came to New York seven years ago and set things whirling by his lavish expenditures and entertainments. He had the best of references and letters, which were afterwards found to be forgeries. He obtained the entree to the best clubs and became the companion of the fastest and gayest set of young men in town. His manners were as perfect as his dress.

One day he disappeared. An indictment had been found against him on two counts, one for the forgery of a note, the other for the forgeries of mortgages upon which the note was secured. On the note he secured $20,000. The police of two continents were called into the hunt. It was argued that the fugitive would make for Europe or some far-away State. New York City was the last place on earth he was presumed to be in.

His picture and description were scattered broadcast. He procured dolls and set about to disguise himself. He allowed his beard to grow and changed his name. After he had gained confidence he resumed his operations, advertising himself as a real-estate agent and building up a considerable business.

One of his dupes went to the District-Attorney's office a short time ago and offered to reveal the whereabouts of Jordan from motives of revenge. This man had been a close friend of Jordan's and had the secret of his real name and his reason for hiding. Last night Detective Veery went to the house at No. 220 West Eighteenth street, where Jordan had fine apartments, and placed him under arrest. He refused to make any statement. He was represented to-day before the Recorder by a clerk from the office of former Assistant District-Attorney Rand.

VICTIM OF LOOPING AUTO IS DEAD

Caught Under Machine as It Ran Up Bank and Turned Somersault.

(Special to The Evening World.)

NEW BRUNSWICK, N. J., April 4.—The "loop the loop" automobile accident near Helmetta resulted to-day in the death of John Carney, one of the three men injured. He had suffered a concussion of the brain and spine. Carney was caught under the machine when it turned a somersault.

In the auto at the time of the accident besides Carney were Welcome G. Clemons, the owner and driver, and George Windler.

Clemons was on his way to his home in Jamesburg, and overtaking the other two men, asked them to ride with him. In descending a hill near Helmetta the steering rod broke and Clemons lost control of the machine, which plunged into the side of the steep roadway, ran to the top, a distance of about six feet, and then turned a complete somersault.

Windler received a broken collar-bone and Clemons had his arm broken. They were reported to-day to be doing nicely.

SCHARRERS ON WEDDING TOUR MEET ROOSEVELT.

WASHINGTON, April 4.—Lieut. Scharrer, of the German army, and his bride, formerly Miss Wilhelmina Busch, of St. Louis, daughter of Millionaire Brewer Busch, were presented to the President to-day by Congressman Bartholdt. The Scharrers are on their way to Stuttgart. Later in the day they were guests in the Speaker's gallery of the House.

Lieut. Scharrer, it is understood, will not resume his commission in the army of Emperor William.

FELL FOUR STORIES CLINGING TO ROPE

Woman Pulled Out of Window by Clothesline, Struck on Her Feet Badly Hurt.

YONKERS, N. Y., April 4.—Mrs. Adolph Phaman, twenty years old, of No. 156 Riverdale avenue, to-day fell from a fourth-story window of her home, but clung to a clothes line on which she had been fastening clothes and which had broken, and thereby possibly saved herself from being dashed to death.

The woman was severely injured, however, and is in St. Joseph's Hospital in a serious condition.

Mrs. Phaman was fastening a heavy blanket to the clothes line when the rope snapped. Clinging to the line, she was drawn out of the window, and struck on her feet in the yard.

When examined at the hospital it was found that both of her ankles and two ribs were broken, and she was otherwise injured.

THE HELMET OF NAVARRE.

If you enjoy a stirring romance of love, war, adventure and mystery do not fail to read "The Helmet of Navarre," by Bertha Runkle. This great novel will begin in next Monday's Evening World.

Wasting Away.

Those That Cannot Eat Without After-Regrets.

"I can't eat, if I did it would do me no good." How many women are saying this to-day? But they have to work just the same whether they eat or not. They grow thin, and haggard, and nervous, and are at their wits' end.

The stomach, liver and bowels cause more trouble than any other part of the body. There are thousands of persons whose food don't do them the good it should. They have bad taste in mouth, coated tongue, constipation, gas in stomach, fulness or distress after meals, belching and belching of wind. They often have headache, are weak and nervous, have sallow complexion and can't sleep.

Dr. Greene's Nervura builds people up because it makes you get the benefit of your food and drives nutrition to the limits of your body by curing your nerves.

Take Dr. Greene's Nervura blood and nerve remedy this spring, for now of all times it is most dangerous to neglect your health, as the system is always made strong and vigorous by this perfect spring medicine.

Remember the great advantage of having your medicine put up by Dr. Greene, a regular practising physician, who guarantees his Nervura and will stand behind it at all times. Dr. Greene himself will give free consultation and advice, personally or by mail, at his office, 101 Fifth ave., New York, to all who use Nervura, or contemplate its use.
