VESUVIUS IN FIRE SEEN AT MANHATTAN

Pain's Pyrotechnical Reproduction of Eruption and Attendant Features.

Pains annual fireworks spectacle opened for the season at Manhattan Beach last night. This year's production deals with the recent eruption of Vesuvius.

The performance opens with the gay Carnival of Naples, a veritable kaleidoscope of lights and colors, and culminates in the roar and dazzling pyrotechnic glare of the volcanic upheaval.

The whole affair was on a lavish and beautiful scale, explosion and lava flow being particularly realistic. The arrival of the King and Queen of Italy, the solemn priestly procession to avert the disaster, the courage of Matteucci and the faithful representation of every detail preceding and accompanying the catastrophe, lend added instruction and historic value as well as brilliant entertainment to the production. It is well up to the high Pain standard.

RIDERS ARRESTED SPEEDING IN PARK

Cohen's Horse Went as Fast as Schalkenbach's When Latter's Was Frightened.

Robert Schalkenbach, of No. 301 West One Hundred and Twentieth street, President of a steel company, and Solis Cohen, of No. 42 West One Hundred and Twentieth street, a wholesale clothier, were arraigned before Magistrate Moss in the Yorkville Court, charged with speeding their horses on the west drive in Central Park.

According to Mounted Policeman Edward J. Markey both men were seen yesterday morning by Inspector Sweeney speeding their horses through the park, making it extremely dangerous for other equestrians.

This morning Markey watched for the two men and when they appeared, riding at their alleged usual gait, he started after them, catching them at Ninety-third street and placing both under arrest.

In court Mr. Schalkenbach, who is a middle-aged man, said he and Mr. Cohen were taking exercise because their physician had ordered it. He said his horse had got frightened at an automobile.

"How about your horse?" asked Magistrate Moss.

"My horse," replied the clothier, "always goes as fast as Mr. Schalkenbach's."

Both men were indignant because they had been arrested, but were informed by the Magistrate that the policeman simply did his duty and was justified in making the arrests.

He discharged them with a reprimand.

SKIN DISEASES
FIERY ACIDS IN THE BLOOD

All skin diseases are due to the same cause—an excess of acid in the blood caused by faulty assimilation of food and poor bowel action; this fiery, acrid matter is forced to the surface through the pores and glands. Pustules are formed, discharging a sticky fluid which dries and makes a crust, causing intense itching. When these crusts or scabs are scratched off the skin is left raw and bleeding. Sometimes skin diseases are in the dry form, and bran-like scales come on the flesh, or the skin becomes hard and dry, often cracking, and the painful itching causes acute suffering. It does not matter how the trouble is manifested, the cause is the same—an excess of acid in the blood. Salves, powders, cooling washes, etc., while they relieve the itching and give the sufferer temporary comfort, cannot cure the trouble because they do not reach the acid laden blood. The best treatment for all skin diseases is S. S. S., a remedy that is purely vegetable and one which acts directly on the blood with a cleansing, healing effect. S. S. S. neutralizes the acids, and purifies the blood so that the skin instead of being blistered and burned by the fiery fluids, is nourished by a supply of cooling, healthy blood. Book on Skin Diseases and medical advice without charge.

Dear Sirs—My body broke out with a rash or eruption which in spite of all efforts to cure continued to get worse. The itching, especially at night, was simply terrible. I had tried many highly recommended preparations without benefit, and hearing of S. S. S. determined to give it a fair trial, and was inexpressibly delighted when a few bottles cured me entirely.

Special Notice About
FREE STAMPS.

We find that the expense of occasionally giving free Dividend Stamps (without a purchase) is very great, and therefore have determined, after this month, to give no more of these stamps this season, except with purchases. The usual number given being one with each 10c. of a purchase and double (2 for 1) stamps on Wednesday and Saturday. This will be continued, but the 10 or 20 or 30 Complimentary Dividend Stamps we often give to visitors to the store will be discontinued for the Summer and perhaps for all time, after the present month of June. (This does not refer to S. & H. Green Stamps.)

Therefore, as a grand wind-up celebration of Free Dividend Stamps, we will, to-morrow and all this week, give to each Woman Visitor to the store (none to children or men),

Fifty Free Stamps,

without requiring any purchase whatever, in addition to the stamps you get on your purchase. (Stamps on purchases as usual.)

This being your last chance to get any Complimentary Dividend Stamps, you will do well to get a set each time you are down on Fulton Street this week. Distribution closes at 10 P. M. Saturday.

The Free Stamp Desk
Is in the Centre of the First Floor.
