250 DEAD AND MAIMED IN RIOTS AT WARSAW

Bombs Hurled at Troops and Police as People Fall Under Steady Fire of Bullets in Fierce Street Fighting.

LONDON, Aug. 16.—A Warsaw telegram to the Jewish Chronicle says: "After yesterday's disturbances which the police quelled, 200 Jews were killed or wounded by the soldiery."

ST. PETERSBURG, Aug. 16.—To-day's despatches from Poland are hardly less grave than those of last night. At Lodz, after the police station had been blown up and burned, Cossacks and other troops fired volleys into the crowd and more or less street fighting followed. The casualties are not given.

At Warsaw also street fighting occurred to-day, especially in the Jewish quarter, the revolutionists using bombs against the police and troops.

Hundreds are reported killed and wounded by rifle fire and bombs.

The war of terrorism which the Fighting Organization of the Social Revolutionists declared immediately after Parliament was dissolved seems now to have begun in earnest. From all parts of the empire the telegraph brings the same story of attacks on police officials of all classes, accompanied in the majority of cases by plunder.

The Polish Revolutionists are especially active. There is a veritable reign of terror from the Vistula to the German frontier. Almost fifty cases of assassination were reported early last night. The Novoe Vremya to-day heads its list of murders and other crimes "St. Bartholomew's Night in Poland."

Some of the despatches from Poland infer that the outbreak of terrorism is in retaliation for the wholesale arrests and repressions of the Governor-General.

WARSAW, Russian Poland, Aug. 16.—During yesterday's rioting thirteen policemen, four police sergeants, seven gendarmes and four soldiers were killed. Eight policemen, two sergeants, two gendarmes and six soldiers were wounded.

The soldiers in replying to the attacks on the police with volleys and charging the crowds killed thirteen men and two women, and severely wounded seventy persons and slightly injured twenty-five.

During the night shots were heard in different parts of the city, but the casualties have not been ascertained.

TRANSFER TAX COMMISSIONER UNDER ARREST

Maury L. Freeman, thirty-two years old, of No. 146 Bay Thirty-first street, Brooklyn, a stock transfer tax examiner employed in the State Comptroller's office, was locked up in Police Headquarters late this afternoon on a charge of extortion.

He was arrested on the complaint of Joseph Shannfield, of No. 25 Broad street, New York representative of the Arizona Copper Belt Mining Company. It is alleged that several weeks ago Freeman told Shanfield that by the payment of $[illegible] stock could be transformed in this State without the necessary stamps.

Police Headquarters was notified and Detective-Sergeant Thor was sent to Shanfield's office to-day. It is alleged that Freeman met Shanfield by appointment and in Thor's presence $[illegible] marked bills was paid to him. He was immediately arrested and taken to headquarters.

MRS. VERRAULT ATTACKS 'DUKE' WITH UMBRELLA

"Widow" and Brown Woman Mistook Him for Her Count.

Mrs. Bina Finnegan-Verrault-Montague-de-Hamilton and her friend, Izella Brown, created some excitement at the Essex Market Police Court today when they raised their umbrellas and threatened to attack Joe Levy, the "Duke of Essex Street," whom they mistook for Count Gregory Zarlinoff, one of the complainants to the United States District-Attorney in the alleged "marriage-bureau" swindle.

The woman had come to the court to get a warrant for the arrest of the "widow's" husband, Verrault, whom she will charge with abandonment. They attracted a great deal of attention by the beauty of their garments. They watched the proceedings intently from a rear seat, and when the last of the prisoners had been arraigned Mrs. Verrault went to the clerk and stated her business.

"You have come to the wrong place," she was told. "Take the matter up with the clerk at the West Fifty-fourth street court."

The two women started to leave the building when Levy came in over the horizon.

"You brute, you!" they yelled in duet and raised their umbrellas. "Now you are following us, are you?"

Levy threw up his hand to avoid a possible blow. He stammered out something about "I guess you're mistaken," when Mrs. Verrault responded:

"Aren't you the count?"

"No, madam," was the emphatic reply. "I'm known as the 'duke.'"

"Well," resumed Mrs. Hamilton smiling, "you look enough like him to be a twin brother. I notice now you have no mustache."

The women lowered their umbrellas and apologized. Then Levy invited them to have a bottle of wine. They declined it on the ground that they had just dined.

Mrs. Verrault is evidently trying to "get even" with her husband for the stories he has told about her to the newspapers.

DUEL TO DEATH IN TUNNEL UNDER RIVER.

Warfare broke out afresh late this afternoon between Italian and negro gangs employed boring the Pennsylvania tunnel under the East River. The fight lasted for over an hour, and when the smoke had cleared the body of a mortally wounded Italian was lying at the bottom of the tunnel, 300 yards from the shaft.

The alacrity with which Stanley Walsh, a negro, aged twenty-seven years, of No. 232 West Sixty-seventh street, made for the mouth of the shaft, directed suspicion his way.

Detectives Higgins and Daran, of the East Thirty-fifth street station, saw Walsh make haste for the cross-town car line, and they pursued. The negro broke into a run, and in the chase joined 200 citizens. Walsh was caught as he tried to board a Long Island City ferry.

A revolver with two chambers empty was found on the prisoner.

ODELL PUTS UP HUGHES AGAINST GOV. HIGGINS

Man Close to Chairman Declares Insurance Prober Will Be Named.

Straight from the home-nest of Benjamin B. Odell, jr., comes the statement to-day that the Republican nominee for Governor at Saratoga next month will be the man who smoked the insurance vermin from their holes in the days of the Armstrong committee—Charles E. Hughes.

A man who stands as close to Odell as a man can stand is the authority for the assertions that the Odell forces want Hughes, that the Higgins faction, shaken by their defeat of yesterday in the State Committee, are ready to take up Hughes, that Hughes is in every way acceptable to Oyster Bay, and, finally, that Odell already has the promise of Hughes that he will accept the nomination if it is made clear to him that he is to be the choice of a harmonious and solidified convention.

Odell Man's View.

To an Evening World reporter a man who is known to speak for the victorious State Chairman said this afternoon:

"The defeat of the Higgins people yesterday when they tried to have Bruce named as the temporary chairman of the convention has already been followed by a partial disintegration of their forces. They were so confident of their strength that they were willing to risk everything on one test. Well, they lost. Now some of their leaders are already making overtures to Odell for peace. They are telling him that Hughes is their second choice if Higgins cannot win. Odell is prepared to show them that Higgins cannot win under any circumstances.

"Now, Odell has been in favor of nominating Hughes all along. Moreover, we have just learned that the nomination of Hughes will be in every way satisfactory to the President. You can also state it as a fact that Mr. Hughes has signified his willingness to take the nomination providing he is acceptable to the whole party. He will

AMERICAN LEAGUE PARK, Aug. 16.—"There is absolutely no truth in the story circulated to the effect that I am to be traded to the Giants for Sammy Strang," said Norman Elberfeld, the Highlanders' shortstop, when asked by an Evening World reporter about the proposed deal this afternoon. "In the first place, I am perfectly satisfied with the treatment I am receiving from Manager Griffith and Mr. Farrell, and when I tell you that I am not to be traded to the Giants for Strang you can bet on what I say."

Mullin was batted out of the box by the Griffithites in the first inning yesterday, but begged Armour to let him go in against the locals again to-day.

First Inning.

Jones slammed a liner for a base and stole second by a long slide. Lindsay bunted to Chase, who threw to Laporte, nailing Jones. McIntyre singled. Crawford also singled, scoring Lindsay, and on the throw home McIntyre reached third and Crawford second. Schaefer's infield fly went to Williams. Coughlin was thrown out by Williams. ONE RUN.

RACE TRACK, SARATOGA, Aug. 16.—Content ran her first race in the Newcastle Stable's colors to-day and she won. This is one of the mares which the Newcastle Stable purchased from Woodford Clay for $25,000. Running Water, the other half of the purchase, won the Albemarle Stakes a few days ago.

Miller rode Content, who was favorite, and cleverly rated her behind the leaders to the stretch, where he cut loose. Content wore Ravena down in the final furlong and won, going away. It is safe to say that Andrew Miller and his associates have won out the two mares in the two victories. Entree was third, poorly handled by Perrine.

Conville was the favorite in the opening event, but he was off slowly and had no chance. J. C. Core, who was in at 112 pounds, and who was believed to be outclassed, waited on Kennyetto to the stretch and then breezed home. Killaloe, Altuda and Eddie Ware finished heads apart in the order named.

The Steeplechase Question.

Would Yama Christy have won if Commondale had been able to go the route was the burning question after the steeplechase was run. Davidson took things very easily with Yama Christy so long as Commondale was in front, but once Commondale was beaten he suddenly developed furious riding energy, and just got up in time to beat C. B. Campbell, a 20-to-1 chance, by a head. Commondale stopped to nothing and was beaten thirty lengths.

Miller was on big store, the latter a favorite in the third race, but Jack Joyner sprung a surprise with Norfolk, a 10 to 1 shot, who made all the running and just got home. Mortiboy, a 20 to 1 shot, was third.

J. C. Core Won Easily.

In the opening dash Kennyetto raced to the front and made all the running, followed by J. C. Core, Eddie Ware and Altuda. They held this order to the stretch, where J. C. Core went to the front and won easily by three lengths from Killaloe, who beat Altuda a head for the place.

Steeplechase Curious Race.

The steeplechase was a curious looking affair. So long as Commondale, the odds-on favorite, was in front all the others in the race appeared perfectly satisfied save C. B. Campbell, who hung to Commondale like a beech. When on the last time around Commondale suddenly stopped, C. B. Campbell rushed into a big lead and then Yama Christy suddenly came to life. Davidson suddenly developed furious energy and, gradually closing on C. B. Campbell, got up in time to win by a head. C. B. Campbell was thirty lengths in front of Commondale.

NORFOLK BY A HEAD.

In the third Norfolk went to the front at the start, made all the running and won in a drive by a head from Big Store, who was second all the way. Mortiboy was third, half a length away.

Content Closed Fast.

Simson went to the front in the Huron Handicap and led to the back stretch with Zlenap, Entree and Content next. In the run down the back stretch Ravena went to the front and moved this way around the far turn, followed by Cary Zlenap, Content and Entree. On the stretch turn Content closed on the leaders and nailing Ravena in the run home, won by a length from Ravena, who was a length and a half for the place.

Just a Romp for Ginette.

In the fifth Ginette simply played with her field. She walked on Neptunus to the stretch and then came away and, losing, California King outgamed Tipping in the run through the stretch and secured the place by a head.

Athlete Won by a Head.

In the sixth race Rose of Gold made the running to the stretch followed by Ben Ban and Don Carlos. Athlete then came through and nailing on Ben Ban won in a drive by a head. Ben Ban was two lengths in front of Long Run.

PRICE OF MILK GOES UP A CENT A QUART.

And now its milk.

The retailers went up the price a cent a quart to-day as a result of an agreement between the members of the exchange and the farmers by which the former have agreed to pay a quarter of a cent a quart more.

That they might not lose any profit, and that the poor might shoulder the burden, the increase was made four times as great.
