POLO GROUNDS, NEW YORK, Sept. 24.—The Chicago Cubs administered another defeat to the Giants this afternoon, capturing the first game of the double-header, 6 to 2.

Wiltse, who pitched for the Giants, was hit hard by the Cubs, who slammed his curves in all parts of the field for fourteen safe drives. Three-fingered Brown started to twirl for the Cubs, but as he took cold in his pitching arm he was forced to leave the game in the fifth inning, his place being taken by Lundgren, who finished out. After a short delay the ball game and the games started in for the second game and also their final meeting of the season. The only changes in the teams were the pitchers, Mathewson going into the box for the Giants, while big Reulbach did the twirling for the Cubs.

The delightful weather attracted a large crowd of fans, there being close to 9,000 rooters in the grounds.

fortunate stumble half a mile from home.

Big Ben won the third race, being the first favorite to win for the talent. Belle of Portland showed her usual early speed and then Garnish hung to the lead for 8 while, but Big Ben wore him down and won cleverly.

It was announced to-day that all races at Belmont Park at six and a half furlongs and under would be run on the straight course. This will certainly be an attractive proposition for the public.

10 to 1 Shot Scores

Single Shot was not favorite in the fifth race, but she ran a very bad race and finished out of the money. Moonshine went to the front and made the running, followed by Lady Savoy, a 10 to 1 shot, and Bohemia. On the turn Lady Savoy went to the front and won easily by a length and a half from Moonshine, who beat Nemesis three lengths for the place.

Winsome Ways Won Easily.

Allofavor and Russell T. raced head and head to the stretch in the sixth. Here Winsome Ways went to the front and won easily by five lengths from Slippery, who closed strong and beat Allofavor half a length for the place.

KENNY BEATS WILLIS IN FURIOUS FIGHT

(Special to The Evening World.)

PHILADELPHIA, Sept. 24.—Young Kenny, the Boston lightweight, made a great hit in this city Saturday night, when he defeated Billy Willis in a fast bout at the National A. C.

Kenny started the boxing right from the tap of the bell, and he kept Willis on the move all through the first round, which was Kenny's. In the second round Willis seemed bewildered, and before the round was over he was fooling the Boston boy. Kenny had Willis pretty dre da the third and fourth rounds. Willis did his best work in the fifth round, and he slammed it into Kenny pretty hard. Kenny put up a fierce attack in the sixth round. He rushed Willis all over the ring, knocking him down twice.

SET OFF BLAST THAT KILLED HIM

Dynamite Bursts Fifteen-Foot Rock in Bronx Concourse, Shaking Old Mansions.

A dynamite blast explosion at One Hundred and Sixty-fifth street and Mott avenue, in the Bronx, late to-day, killed the Italian foreman of the gang of men who are building the 150 foot concourse and boulevard, and shook the foundation of the fine old frame mansion of Mrs. M. E. Wilson, sending her and her daughter fleeing from the house in alarm. Pictures were shaken off the walls at Wilkinson Shaughnessy's house and the workmen fled.

The blast was set off by the foreman under a fifteen-foot rock. It blew the rock open and sent boulders flying through the air. One of them fell upon the foreman's head 150 feet away at the electrician's box. An ambulance surgeon found him dead. He lived with his wife and four children in East One Hundred and Forty-ninth street. The workmen knew him only as "Jimmie."

ROSEBEN'S COLORS WILL BE LOWERED BY LADY AMELIA

Thorp Favors the Mare's Chances in Match Race on Thursday.

The event in racing during this week will be the meeting between Roseben and Lady Amelia over the short six-furlong course at Gravesend. The race is at weight for age. Both are five-year-olds. Lady Amelia receives a sex allowance. Roseben has a gelding allowance, so that they meet at 123 pounds each, on even terms, so far as weight is concerned.

There has already been much discussion as to the relative merits of the King and Queen of the sprinting division, and the only way out of it was the match which has been arranged for Thursday. If you like the cold figures from the records as the basis of merit you must decide in favor of Roseben, because there has never been a time when he met the mare that he did not beat her. This is the conclusion to last year's form. It is on this form, also, that the excellent handicapper of the Jockey Club takes his better. That Roseben is better than Lady Amelia, for in all his handicaps he makes Roseben concede Lady Amelia many pounds.

This year Lady Amelia and Roseben have avoided each other. There have been races at this present meeting where they could have settled the question at Mr. Vosburgh's weights, but first one and then the other declined the meeting.

Both sides are confident. David Johnson wants to bet $1,000 to $600 that Roseben will beat Lady Amelia to their own weights, which means that Roseben would win if he could outfoot her. There has been no acceptance of this challenge, and all the betting will be done in the ring.

It is my opinion that Lady Amelia will beat Roseben. Last year's form I throw out altogether, because I hold that horses beat Lady Amelia which could by no means beat her this season. She is fully a twenty-pound better mare than in her four-year-old form. She races steadier and more consistently. She has filled and developed, and the quitting habit is not noticeable. She goes further and stronger than last season. Her last race shows her to be in the pink of condition, for she just breezed over the short course in 1.16 with 133 pounds on her back. It will be found when she meets Roseben that she is a far better mare than last season.

As for Roseben, not much can be said that is already not known. He is in his best form, as his races this fall have shown. He will have no excuse when he goes to the post.

Those who figure on the time basis may be interested to know that the fastest race Lady Amelia ever ran over the Gravesend course was 1.09 3-5. She carried 128 pounds. Roseben's fastest run was 1.09 2-5, with 132 pounds up. Add six pounds to Roseben's weight, and that would about make them even up in the matter of time. Figuring that such horse with 128 pounds up can run in 1.09 3-5, which horse will be best with 15 pounds off, or at 123 pounds, which is the weight they carry Thursday? Lady Amelia undoubtedly, because Roseben is less affected by weight than is the mare. However, this time line is rather an obscure basis to figure on. My opinion is based on my judgment that Lady Amelia is a vastly improved mare this season, and that on recent form she is best.

The Brooklyn meeting comes to an end this week. There are some good stakes to be decided, but none with special features. After Gravesend comes a week at Brighton, and after that Belmont Park, Jamaica and Aqueduct, so that the end of the season is almost in sight.
