CHILD OF EIGHT THOUGHT TO BE POISON VICTIM

Coroner Probes Case of Boy Unconscious Hours Before Death.

Coroner's Physician Wuest, of Brooklyn, is to-day investigating the mysterious death of Robert Hesse, eight years old, who died last night at the German Hospital after lying in a state of coma for twenty-four hours.

The lad was taken suddenly ill at his home, No. 125 Noll street, Brooklyn, Saturday evening. He had been out at play with some little friends, and when he was called in by his mother he seemed in the best of health, though somewhat excited from the effects of his play.

He had been in the house but a few moments when he suddenly toppled over unconscious. His mother, thinking he had fainted from overexertion, treated him in the usual ways known to mothers, but he did not revive. She called in neighbors, but they could not arouse him.

Dr. Holzman, of the German Hospital, came and worked over the child for an hour. He was then taken to the hospital, where all the skill of the physicians failed to benefit him and he did not regain consciousness. The doctors think the symptoms indicated belladonna poisoning and Dr. Wuest will perform an autopsy.

BOWLER SMITH BETS $500 ON VOORHEIS GAME

"Little Wizard" Confident in Match at Grand Central Tuesday.

For the first time in a match contest with Johnny Voorheis that game little ed oilknight, Jimmy Smith, is to play a smoker against a handicap. They meet at the Grand Central, Brooklyn, to-morrow night in a contest of fifteen games, the third series of a forty-five-game match, and to win Smith must secure nine games before Voorheis has won seven. Smith thinks so well of his chances that he renewed his offer this morning to place $500 in the hands of the bowling editor of The Evening World that he would win. For some reason, while Voorheis is confident, there are no takers for the wager.

In the first series of fifteen games rolled at the Tuxedo, Newark, Smith won eleven out of fifteen, and at Harlem Circle last week Voorheis won twelve of the sixteen rolled, one game being a tie, as in the Newark series. Their averages in these games were as follows:

In Newark—Smith, 228 7-16; Voorheis, 216 2-16. Harlem Circle—Smith, 204 10-16; Voorheis, 217 10-16. On this basis there was really only eleven pins difference in the two series rolled. Voorheis insists that he now has Smith's number and will certainly win.

The meeting of these two pin knights, the best in the East, will bring together the largest crowd ever seen in the Greater City for a match of this kind. Billy Cordes, by covering over several alleys and the use of circus seating arrangements, has provided for 60 spectators, and nearly every seat has been sold. There will not be even standing room an hour before the bowlers go upon the drives.

It is now pretty definitely settled that the winner of this match will accept the challenge of Frank Brill, of Chicago, as printed in The Evening World Friday for a similar series of games in this city. Brill, a bowler who seems to have the necessary nerve to meet either Smith or Voorheis, Smith says this will be his last contest with any one unless there is a good side stake.

NEW YORK DAY AT THE BIG TOURNAMENT.

The Philadelphia tournament committee will have charge of the big event at the National Bowling Association at Atlantic City Easter week is here to-day, and will attend the meeting of the New York Bowling Association at the Claremont Hotel, Brooklyn, to-night. Plans of the committee will be outlined and very important results are expected to follow this conference.

It is a matter of special importance for bowlers to remember that this meeting to-night will be the last opportunity provided for local clubs to join the N. Y. B. A., which is the local city association, having an affiliation with the N. B. A., and unless a bowler is a member of a club belonging to such a city association he will not be eligible to roll at Atlantic City.

Such is the local interest in the big tournament that it has been suggested that two days be set aside at Atlantic City exclusively for New York clubs, such days to be known as "New York Days." Special trains run on these days with one fare for round trip ought to take 5,000 excursionists to Atlantic City.

Oyama II. All Ready for the Opening of the Great Dog Show.

There is excitement in scores of kennels all over the eastern section of the country these days, for the big Dog Show is to open at Madison Square Garden to-morrow. Dogs of high degree are being brushed and dieted and made to understand that the time of their lives is about to open, when for four days they will be on exhibition to the thousands who will throng the Garden.

Among the prospective prize winners a leader is Oyama, II.'s dark brindle bull terrier owned by Mrs. A. M. Laflin, of No. 160 Penn street, Brooklyn. Oyama II. has already taken three first prizes, two seconds and three thirds in the three shows at which he has appeared. He is a clean cut dog with white markings and a perfectly kinked tail. His sire is Lowton, a worthy son of Marjoria S. and Sullivan's Punch. Oyama II.'s dam is Wagner's Blitz II., by Elixir Boy, out of Wagner's Buda.

VETERAN BOWLERS IN A HARD CONTEST.

There will be a big crowd at the Riverside alleys, Seventh avenue and One Hundred and Twenty-fifth street, to-morrow evening, for the match game of five-men teams made up of veteran bowlers from these alleys and Cadieu's Monarch Palace. Only bowlers of fifty-five years or over are eligible.

In the first series at the Monarch Palace last Tuesday night the home team won, but by a very close margin, and the Riversides believe they can turn the tables on their opponents Tuesday night. Col. West has had his team in hard practice, and as Cadieu says the "boys" are unbeatable, a hard series is expected. Several bowlers put up 200 scores in the first series.

MATCH GAME ON AT THE GOTHAM PALACE.

East New York bowlers are greatly interested in the three-man team tournament in progress at Gotham Palace, Fulton and Alabama avenue. Fifteen teams are entered and the schedule provides for games on Tuesday, Thursday and Friday nights. Tournament officers are: President, W. Parry; Vice-President, E. Crombie; Secretary, F. J. Whistler; Treasurer, C. Umla.

A special match game of ten-men teams has been arranged at the alleys for Tuesday night, Feb. 19, between the Gotham Palace and Adelphic clubs. Manager Henry Tiedemann has selected the following as the Gotham team: Kiefer, Meyer, Davis, Hepp, Hesing, Tiedemann, Batch, Cooke, Parry and Burke.

LOBSTER CLUB MEETS.

Only the Annual Dinner Will Be Given Before Summer.

George L. Fairchild was elected secretary of the Lobster Club at its annual meeting Saturday night at Sanker's Idle Rest Hotel, Bensonhurst. Allison L. Adams, president of the club since its organization, will continue in that office.

The committees for the ensuing year include many prominent citizens of Coney Island and Bath Beach and few changes have been made. Practically the same men who conducted the affairs of the organization last year will continue to serve during the coming year.

It was decided to confine the public functions of the club to the annual dinner. No entertainments will be given until the summer.

OARSMEN SHIFT FROM GIGS TO GAGS

They Will Race in Black Face for Minstrel Honors in Brooklyn To-Night.

All the prominent sculliers and oarsmen of Brooklyn, Manhattan, Staten Island, Long Island City and New Jersey have promised to attend the annual minstrel show and reception that the members of the Varuna Boat Club of Sheepshead Bay are to conduct to-night in Prospect Hall, Prospect and Fifth avenues, Brooklyn.

After thrilling thousands along the Harlem River during the past year with their performances in shells and gigs, the members of the club are now trained to the minute to entertain 2,000 friends that the sale of tickets indicates will be present.

Edward S. McGrath, the Exalted Ruler of the Brooklyn P. O. Elks' Lodge, No. 22, and a one-time noted oarsman, has utilized the experience he gained in training club crews in training some forty of the members to perform in a minstrel act that it is declared will be replete with novelties and laughable features.

William P. Burke, known as the humorist of the club, will be the interlocutor, and Joseph H. Becker, Frank J. Murphy, William Steiger and Edward S. McGrath will be the end men. Others of the minstrels will sing individually in duets and quartets. The Varuna Boat Club has a quartet that is admitted to be superior to any in any of the Greater New York rowing clubs.

Joseph Becker, the chairman of the Entertainment Committee, announced at the final meeting of the club yesterday that all the boxes had been disposed of and that besides being assured of the presence of all the noted oarsmen in this part of the country, many of the borough officials would be present. Brooklyn President Bird S. Coler has promised to do so if a dinner engagement will permit him.

Annually the club conducts a minstrel show that is regarded as one of the leading social events of the borough. The officers of the club are: President, William P. Burke; Vice-President, Frank J. Murphy; Secretary, John G. Hudson; Treasurer, Joseph L. Checkett; Captain, Arthur E. Munro; Chairman of Entertainment Committee, Joseph H. Becker.

FIREMEN'S NIGHT AT CONEY ISLAND

The Exempts of Gravesend Expect to Entertain 10,000 Guests at Stauch's.

The firemen's ball to-night at Stauch's Palace Hall, Coney Island, will be attended by at least 10,000 guests, the committee estimates. In the past the attendance at the annual receptions of the Gravesend Exempt Volunteer Firemen's Association has been very large, and it is quite possible that the affair this year may be a record breaker.

True to the traditions of the organization and following a long-established precedent, the heads of the various departments of the city and county administrations of Brooklyn and Kings County will make the trip to the Island to-night and, as guests of the organization, will hold their annual reunion. Without regard to party or faction, and with the usual admixture of leaders, high aspiring rivals, lieutenants and just plain has-beens, they will eagerly crowd around the bland little chief of the old Coney Island Volunteer Fire Department, just as their precursors did in years gone by. The budding politician also will be in evidence, elbowing his way through the crowd to shake the hand of President Kenneth F. Sutherland, from whom he will be sure of a gracious welcome.

Brooklyn will not be alone in sending delegations of men prominent in public affairs. Notables from Manhattan, the Bronx and up-State will also be present to celebrate with the firemen and to renew friendships of old.

Many of the old machines used by the volunteer firemen will be on exhibition.

PURITY—

Results—that's it

See What a Dime Will Do

We gladly welcome the Pure Drugs Law, because it agrees with our thoughts and methods. Cascarets meet its every requirement and always did since the day they were first invented and put on the market. PURITY, QUALITY and MEDICINAL MERIT have been the principles on which Cascarets were made and marketed.

We doubt if in all the world of medical science and therapeutic manufacture better SKILLED CHEMISTS and more carefully selected constituents could be employed than in the making of Cascarets.

The RESULTS prove it.

No other Bowel Medicine on earth has reached in history the tremendous approbation and patronage accorded Cascarets by the American People, a testimonial of GENUINE MERIT and satisfactory results, for surely no sensible person would buy an article more than once, unless satisfied, or recommend it to others if not convinced of its virtues.

The sale of Cascarets at the present time is over ONE MILLION BOXES A MONTH, a fact that ought to convince anyone of the satisfaction given to millions of our friends and patrons.

It is just this kind of example placed before you that ought to induce you to try a little 10c box of Cascarets and be CONVINCED of its value and effectiveness. After this harmless, inexpensive experiment you will see the reason for the unequaled popularity of this preparation as a true PERSONAL and FAMILY MEDICINE, and this realization will urge future use when necessary.

So we ask you to take a DIME BOX home with you, and "WHILE YOU SLEEP THEY WILL WORK" and make you feel well and happy. We back our request by our GUARANTY, and if you're not pleased, your purchase-money will be returned to you for the asking.

Such has been our Faith in the efficacy of this pure, clean, sweet, mild, harmless but forceful little fragrant tablet, so easy to buy, so easy to carry, so easy to take, so easy in its action, that we do not hesitate to offer this guaranty to the world, and make good on it.

Cascarets not only are the best medicine yet discovered for the treatment and cure of Chronic Constipation and all its dire consequences, but also a splendid PREVENTIVE OF DISEASE caused by bacteria and other germs in the Bowels. There are more serious troubles that have their origin in irregularities in the food channels than any other cause, and Cascarets by thoroughly cleaning out the stomach and intestines and PURIFYING in an antiseptic way, keep you perfectly safe from such fearful diseases as Appendicitis, Peritonitis and other deadly inflammations caused by retention of indigestible food in the passages.

We said Cascarets were and are the BEST BOWEL MEDICINE in the world. Once more we assert that the sale of nearly 100 million of boxes in eleven years PROVES IT. Our record is put up against any other medicine for the same purpose in the world—for ACTUAL RESULTS.

Try a 10c box TO-DAY. Buy it from your own druggist under GUARANTY and you will join the MILLIONS of our friends. Be sure you get the GENUINE—the letters "C. C. C." on every tablet.

JAMES BUTLER CHOICE GROCERIES

Lent begins next Wednesday, with its forty days of penitential fasting. Quite apart from its religious significance, its annual recurrence reminds us all that an occasional change of diet is a wise thing. Old Ben Franklin declared that we seldom repent of having eaten too little of the rich, heavy foods and meats that most of us are disposed to stuff into ourselves during the winter. From the standpoint of health, this is the best time of the year to regule ourselves with the simpler diets of eggs, fish, fruits and cereals.

We have made ample preparations for this change in your household economy, and you will find the JAMES BUTLER STORES stocked with the newest, choicest and freshest of Lenten foods and delicacies. All of them are at the lowest possible prices, as you will see from the partial list we publish. These prices run to next Wednesday night.

Nowhere else can you make such big savings as you can by trading at a JAMES BUTLER store, one of which must be handy to your home.

Guinness's Stout

At 77 JAMES BUTLER LICENSED STORES.

GUINNESS'S STOUT is famous all over the world for its purity and excellence and for its nourishing and strengthening properties. It is the pure product of the finest Irish barley malt and English hops, brewed in the most approved manner by the celebrated GUINNESS BREWING CO. GUINNESS'S STOUT is always the same, wherever it can be had—the standard of quality to which every other brewer of porter vainly aspires. Doctors continually recommend and prescribe it, and there is no other malt beverage that can take its place. In this country its high price, generally 25 cents a bottle, has largely restricted its use in many families, where it would have the most beneficial effect. In order to extend and popularize its sale JAMES BUTLER applied for and was granted the necessary authority to import and bottle the EXTRA FOREIGN DUBLIN STOUT.

Under this authority we began importing GUINNESS'S STOUT last Summer. Our bottling and storage arrangements are perfect in every particular. Over six months' supply is constantly kept in stock, and every bottle placed on sale is ripened and matured to a nicety. One trial will prove its excellence.
