XLVIth CONGRESS—IId Session.

REGULAR REPORT OF PROCEEDINGS.

THE KELLOGG RESOLUTIONS BEFORE THE SENATE—THE BILL TO COMPROMISE TIMBER SUITS PASSED—THE CANAL BILL IN THE HOUSE—THE UTE BILL PASSED.

SENATE.....WASHINGTON, June 7, 1880.

In the Senate to-day the bill reducing the price of public lands within railroad limits from $2 50 per acre to $1 25 per acre, was passed.

The bill to promote the efficiency of the Navy was passed.

Mr. KERNAN (Dem., N. Y.), supported the Kellogg-Spofford resolutions, arguing against the application of the plea of *res adjudicata*, and holding that a State cannot be debarred by mistake of the Senate from being constitutionally represented by two Senators of its choice.

Mr. CALL (Dem., Fla.), also supported the resolutions.

Mr. JOHNSTON (Dem., Va.) also supported the resolutions.

Mr. McDONALD (Dem., Ind.) obtained the floor, and will speak upon the resolutions to-morrow. He gave way for other business.

Mr. BECK (Dem., Ky.), from the Committee on Appropriations, reported with amendments the Sundry Civil Appropriation bill, and will call it up to-morrow. Placed on the calendar.

The House bill prohibiting Government suits against timber trespassers was called. The section reducing from $2 50 to $1 25 per acre lands whose price was raised more than twenty years before the passage of this act on account of grants of alternate sections for railroad purposes, was stricken out on motion of Mr. Ingalls (Rep., Kan.) As thus amended, the bill was passed.

At 5:50 p. m. the Senate adjourned until to-morrow.

HOUSE OF REPRESENTATIVES.

In the House to-day a bill was introduced by Mr. COX (Dem., N. Y.) relative to a ship canal across the Isthmus of Darien. It recites the statement that $60,000,000 have been offered by United States citizens to foreign parties to assist them in carrying out the scheme of a ship canal across the Isthmus of Darien; and declares that any attempt on the part of such citizens to prejudge the question by extending the assistance of their capital to a foreign undertaking is unpatriotic and unwise.

Mr. HASKELL (Rep., Kan.) moved to suspend the rules, and pass the Senate bill ratifying the Ute agreement, with the amendments of the House Committee thereto.

After debate the motion to pass the bill was agreed to—yeas, 174; nays, 15.

Mr. WRIGHT (Dem., Penn.) moved to suspend the rules and pass the bill entering the eight-hour law.

On seconding the demand no quorum voted. Several members appealed to Mr. Wright to withdraw his motion, but this he indignantly and expressly refused to do, declaring that he wanted to see whether the laboring man had any rights in this House.

Several roll-calls followed, and finally Mr. Wright withdrew his motion, the Speaker stating that he would recognize him to renew it during the last six days of the session.

The Speaker then stated his intention of recognizing gentlemen who wished to call up and pass bills for the erection of public buildings, but on the motion of Mr. VAN VOORHIS (Rep., N. Y.) to suspend the rules and pass the bill for the erection of a building at Rochester, N. Y., no quorum voted.

The House then, at 4:30 o'clock p. m., adjourned.

NOMINATIONS.

WASHINGTON, June 7.—The President sent the following nominations to the Senate to-day:

To be Assistant Surgeons in the Army: Rudolph G. Ebert, of Oregon; Robert J. Gibson, of Connecticut; Robert H. Denham, of Pennsylvania; W. C. Gorgas, of Alabama; Norton Strong, of Michigan; Arthur W. Taylor, of New-York.

A CONSOLIDATION OF ROADS.

PHILADELPHIA, June 6.—An important railroad scheme has just been made public. It is the negotiation by the managers of the Pittsburg, Titusville and Buffalo Railway Company of a contract of consolidation with the Buffalo and Southwestern Railroad Company, thus extending their line into Buffalo. The consolidated company will own 231 miles of track. The name of the consolidated company will be the "Pittsburg, Titusville and Buffalo Railway Company," with its general office in Philadelphia.

OUR BEST REWARD.

WINSTON, FORSYTHE Co., N. C., March 15, 1880.
TO THE HOP BITTERS MANUFACTURING CO:
GENTS.—I desire to express to you my thanks for your wonderful Hop Bitters. I was troubled with dyspepsia for five years previous to commencing the use of your Hop Bitters some six months ago. My cure has been wonderful. I am pastor of the First Methodist Church of this place, and my whole congregation can testify to the great virtues of your bitters. Very respectfully, REV. H. FEREBEE.

ROCHESTER, N. Y., March 11, 1880.
Hop Bitters Co.: Please accept our grateful acknowledgement for the Hop Bitters you were so kind to donate, and which were such benefit to us.
Yours very gratefully,
OLD LADIES OF THE HOME OF THE FRIENDLESS.

DELEVAN, Wis., September 24, 1878.
GENTS.—I have taken not quite one bottle of the Hop Bitters. I was a feeble old man of seventy-eight when I got it. To-dry I am as active and feel as well as I did at thirty. I see a great many that need such a medicine. D. BOYCE.

MONROE, Mich., September 25, 1875.
SIRS:—I have been taking Hop Bitters for inflammation of kidneys and bladder; it has done for me what four doctors failed to do. The effect of the bitters seemed like magic to me. W. L. CARTER.

If you have a sick friend whose life is a burden, one bottle of Hop Bitters may restore that friend to perfect health and happiness. Will you see that that friend has a bottle at once?

BRADFORD, Penn., May 8, 1879.
It has cured me of several diseases, such as nervousness, sickness at the stomach, monthly troubles, &c. I have not seen a sick day in a year since I took Hop Bitters. Several of my neighbors use them. MRS. FANNIE GREEN.

IMMENSE SALE.
EVANSVILLE, Wis., June 24, 1879.
GENTLEMEN: No Bitters have had one-half the sale here and given such universal satisfaction as your Hop Bitters have. We take pleasure in speaking for their welfare, as every one who tries them is well satisfied with their results. Several such remarkable cures have been made with them here that there are a number of earnest workers in the Hop Bitters cause. One person gained eleven pounds from taking only a few bottles. SMITH & IDE.

BAY CITY, Mich., Feb. 3, 1880.
HOP BITTERS COMPANY: I think it my duty to send you a recommend for the benefit of any person wishing to know whether Hop Bitters are good or not. I know they are good for general debility and indigestion; strengthen the nervous system and make new life. I recommend my patients to use them. Dr. A. PRATT,
Treater of Chronic Diseases.

SUPERIOR, Wis., Jan., 1880.
I heard in my neighborhood that your Hop Bitters was doing such a great deal of good among the sick and afflicted with most every kind of disease, and as I had been troubled for fifteen years with neuralgia and all kinds of rheumatic complaints and kidney trouble, I took one bottle according to directions. It at once did me a great deal of good, and I used another bottle. I am an old man, but am now as well as I can wish. There are seven or eight families in our place using Hop Bitters as their family medicine, and are so well satisfied with it they will not use any other. One lady here had been bedridden for years, is well and doing her work from the use of three bottles. LEONARD WHITBECK.

A VOICE FROM THE PRESS.
I take this opportunity to bear testimony to the efficacy of your "Hop Bitters." Expecting to find them nauseous and bitter and composed of bad whiskey, we were agreeably surprised at their mild taste, just like a cup of tea. A Mrs. Crowell and a Mrs. Connor, friends, have likewise tried, and pronounce them the best medicine they have ever taken for building up strength and toning up the system. I was troubled with costiveness, headache and want of appetite. The two former ailments are gone, and the latter greatly improved. I have a yearly contract with a traveler to look after the health of myself and family, but I need him not now.
S. GILLILAND, Peoples Advocate, Pittsburg, Penn.
July 25, 1878.
