# BRYAN GOES TO NEW JERSEY ON WHIRLWIND TRIP

## Makes Four Speeches in That State This Afternoon and To-Night.

William Jennings Bryan, spending most of the forenoon talking with a string of callers, left the Hoffman House just before noon in company of Congressman Hughes, of New Jersey, president of the New Jersey Progressive Democratic League, and a New Jersey delegation for the Lawyer's Club, where they had luncheon.

Mr. Bryan spoke this afternoon under the auspices of the League in the Majestic Theatre in Jersey City and later in a political club. He will be the guest of the Jackson Democratic Club of Passaic at its annual dinner early in the evening, and after making a brief speech will hurry to Newark, where he will address a meeting in the Coliseum. Mr. Bryan is expected to get to Newark about 9.30 o'clock, where a great ovation has been planned for him. Until he arrives Augustus Thomas, President of the New York State Democratic League, will hold the forum.

Mr. Bryan will spend the night at Orange with R. H. Ingersoll, returning to New York to-morrow in time to attend to a little business and then catch a train at noon for Albany and Schenectady, in which cities he will spend Friday.

## PRETTY BRIDGE PLAYER TO WED IN THE SPRING.

### Engagement of Miss Grace Sterne, Granddaughter of Manager Harris, to A. G. Miller Is Announced.

An engagement of interest to a large circle of friends is that of Miss Grace Sterne, daughter of Mr. and Mrs. Samuel Sterne, of No. 67 Riverside Drive, and Arthur Garfield Miller, a son of Mr. and Mrs. Julius Miller, of this city. The marriage will take place in the early spring.

Miss Sterne is a granddaughter of William Harris, the veteran theatrical manager, and a niece of Henry B. Harris, of the Hudson Theatre.

The bride-to-be is popular in west side society and is an expert bridge player. She has big blue eyes and golden brown hair. Mr. and Mrs. Sterne will give a reception for their daughter and Mr. Miller on Feb. 16, from 3 to 6 P. M., at their home.

## LIMIT FOR ALL BURGLARS IS JUDGE MALONE'S RULE.

### It's the Best Way to Conserve Public Safety, New General Sessions Jurist Explains.

Judge Malone, one of the new General Sessions jurists, declared to-day that every burglar that comes before him for sentence will get the limit. He made this remark in sentencing Harry Penn, twenty-nine years old, a West Indian negro, to ten years with hard labor.

Penn was convicted of burglary in the second degree. At 1 o'clock on the afternoon of Jan. 10 he was caught robbing the apartment of Mrs. Rose Sano, at No. 61 West Third street.

The Court said that the public safety would be best conserved by sending all cracksmen up for the limit. This would give life imprisonment to those twice convicted of burglary in the first degree.

## SENTENCED FOR FIVE YEARS.

### Judge Mulqueen Gives Moving Picture Show Man the Limit.

James Costello, proprietor of a Nickelodeon at No. 1984 Second avenue, was sentenced to five years and two months imprisonment in Sing Sing by Judge Mulqueen in Part II. of General Sessions to-day, following his conviction for endangering the morals of young girls.

The Court gave the moving-picture showman the limit, as the testimony against him was of a shocking character.

## CHARITY TEA AT PLAZA.

Mrs. O. H. P. Belmont arranged last night for a tea to be held in the New Plaza on Tuesday, Feb. 11, the proceeds to be applied to the funds of the Nassau Hospital, at Mineola, L. I. The tea will be given in conjunction with the matinee performance of "The Merry Widow" which was arranged for by Mrs. W. K. Vanderbilt, Jr., at the New Amsterdam Theatre next Tuesday afternoon.

The patronage of Mrs. Clarence Mackay and other matrons insures the success of Mrs. Belmont's entertainment which will follow the matinee. The New Plaza's tea room and the main dining room adjoining will be reserved for the occasion. Tickets are $1.

## MURDER BY TRAIN WRECKERS

### Engineer's Death Caused by an Obstruction Placed on Track.

POTTSVILLE, Pa., Feb. 6.—At an inquest into the death of U. S. Grant Siegfried, the Pennsylvania Railroad engineer, who was killed on Monday when his engine plunged over an embankment at Frackville, it developed yesterday that the accident was the result of a deliberate attempt to wreck the train.

Officials who investigated, declared that they had found a bolt had been tied to one of the rails, and had been further held in place by stones placed under it.

## BIG CANAL CEMENT CONTRACT.

PANAMA, Feb. 6.—It is reported here that the Isthmian Canal Commission has awarded a contract for 4,000,000 barrels of cement to be used in contructing the locks and dams of the canal. Work is being actively pushed on the electrical power plant at Gatun, which will run most of the machinery in that section of the canal.

Words and music of the "Soul Kiss Waltz Song" as produced at the New York Theatre with GENEE, the world's greatest dancer, will be given in the Magazine Section of next Sunday's World. Order from newsdealer in advance. Remember each newsdealer's supply is limited. Advance order is necessary.
