CHARMED BY HER VISIT, "OUR MARY" SAILS HOME.

Robert Hichens Leaves With the De Navarros and Is Pleased With Reception of His Play.

Mary Anderson de Navarro, who collaborated with Robert Hichens in dramatizing "The Garden of Allah," sailed for home yesterday on the Celtic with her husband, Antonio de Navarro. Mr. Hichens is on the same ship.

Mrs. de Navarro said that in the Public Library and the Pennsylvania station America had more than anything that Europe could boast. With the reception given "The Garden of Allah," she said that she had been more than pleased.

Robert Hichens is delighted with the reception given "The Garden of Allah," but he went away without seeing New York.
