SPECIAL ATTENTION given to the purchase and sale of Postal Telegraph Co. bonds and stock. HENRY BROS. & WARFIELD, 52 Broadway, Members N. Y. Stock Ex.

$5,000,000 6 PER CENT 40 YEAR GOLD BONDS OF THE St. Paul and Northern Pacific Railway Company, SECURED BY MORTGAGE UPON ITS Railroad, Land Grant, Terminal Real Estate and Improvements, AND ALSO BY A CONTRACT WITH AND LEASE TO THE NORTHERN PACIFIC RAILROAD CO., Whereby that Company Agrees to pay the Principal and Interest of these Bonds. Principal due February 1, 1923. Coupon Interest payable Semi-Annually February 1 and August 1. Registered Interest payable quarterly on first days of February, May, August and November.

Both principal and interest payable in the City of New-York in gold coin of the United States of America, of or equal to the present standard of weight and fineness, free from all United States, State and Municipal taxes that may be required by any present or future laws to be deducted therefrom. CENTRAL TRUST COMPANY OF NEW-YORK, TRUSTEE.

Bonds issued in coupon form of $1,000 each, with provision for the registration of their principal, or in registered certificates of any amount desired in thousands, the interest upon which will be mailed quarterly, by check to the registered owners, in a manner similar to that adopted by the Government for the payment of interest upon the registered bonds of the United States.

The St. Paul and Northern Pacific Railway Company was incorporated in 1874 (as the Western Railroad Company of Minnesota), and has been in operation since 1877 from Brainerd, on the line of the Northern Pacific Railroad Company, sixty and one-half (60½) miles to Sauk Rapids, paying dividends equal to over 6 per cent per annum during the past five years.

This railroad is now being extended about ninety-two miles from Sauk Rapids to the City of Minneapolis, including a bridge across the Mississippi River at Anoka, and a double track from St. Paul to the extensive property of the Company, about midway between St. Paul and Minneapolis.

The terminal improvements will comprise such facilities as are necessary to accommodate the business pertaining to the more than 3,000 miles of the transcontinental system of the Northern Pacific Railroad Company, and will include union passenger and freight stations, machine and car shops, cattle yards, slaughter houses, round houses, freight yards, with more than sixty miles of track and other traffic facilities, from the rent of which to other roads a large revenue may be expected.

The terminal property comprises twenty acres in Minneapolis and three hundred and eighty acres in St. Paul, one hundred and sixty of which are located within the business centre of the latter city.

The land grant of the company, amounting to about 244,000 acres, is located along the line of road between Brainerd and Sauk Rapids, and at the average price heretofore realized will more than provide for the $673,000 outstanding bonds of earlier issue.

The St. Paul and Northern Pacific Railway Company, with all its terminal property, is leased for 999 years to the Northern Pacific Railroad Company, and constitutes the only independent entrance of that system of railroads into the cities of Minneapolis and St. Paul.

The contract and lease provides that the Northern Pacific Railroad Company shall equip, operate and maintain the road and its terminal property, paying all the taxes that may be levied upon the same, and a net rental quarterly, equal to forty per cent of the gross earnings and receipts, which it guarantees shall never be less than the interest upon the entire issue of bonds.

It is expressly provided in the said contract and lease that no modifications or changes shall be made in any of its provisions without the written consent of the Central Trust Company of New-York, Trustee for the holders of these bonds.

These bonds are part of an authorized issue of $10,000,000, and with the exception of the $673,000 bonds above referred to (provision for which has been made by the reservation of an equal amount of bonds by the Trustee), constitute a First Mortgage Lien upon this terminal railroad, its land grant and its improved real estate in the populous and growing business centres of Minneapolis and St. Paul.

The remainder of the authorized issue is reserved for the future uses of the Company, in conformity with the terms of the mortgage.

Negotiable Bond Certificates, certified by the Trustee, will be delivered pending the preparation of the engraved bonds.

For sale at 102 and accrued interest, by the undersigned, who reserve the right to advance the price without notice, and to whom application should be made for any further particulars desired.
