COUNTRY'S ATHLETES COMPETE FOR JUNIOR TITLES AT PITTSBURGH

L. McCarthy of Irish-American A. C. Makes Record in Hop, Skip and Jump.

PITTSBURG, Pa., Sept. 20.—Ideal weather, a perfect track, a large entry list and a big crowd were the conditions prevailing when the first events in the Amateur Athletic Union national track and field championships were called this afternoon.

To-day's programme was confined to junior events, the senior contests to take place Saturday. Athletes of note, including the majority of those who took part in the Olympiad at Stockholm, were here to participate in the various events. The programme for to-day calls for a number of qualifying events.

The presence of Kolehmainen, the Finlan wonder, gives the affair a sort of international flavor. He is entered as unmatched, but arrived here with the members of the New York Irish American A. C., with which organization he expects to identify himself in the near future. Summaries:

WASHINGON PARK, Bklyn., Sept. 20.—The Dodgers and Cubs wind up their series here to-day. As they broke even on yesterday's double header both teams showed by their spirited preliminary practice that they were out for the rubber. Acting Manager Tinker gave Southpaw Pierce, recently recalled from the Tri-State's league, a chance to show what he could do to uphold his record of strike-out King, he having a record of 2 strike-outs in one game. Manager Dahlen selected Ragon to do the honors for the Dodgers. About 1,500 fans were present to witness the struggle.

ONE PRICE TO ALL
Do not confound our big stores with some of our smaller competitors and ready made houses who advertise to give you one thing and sell you something else.
All our goods are marked in plain figures and we sell at one price to all, furthermore we do not misrepresent by advertising one thing and offering another. Our customers know this and our phenomenal growth proves it. When we tell you we sell real $40 to $60 values at $14.75 we mean it and our reputation stands back of it.
For the man who wants distinctive clothes, made of absolutely pure woolens—we have opened two new, conveniently located stores for you. The unprecedented growth of the R. & C. organization is the talk of the tailoring world. To have grown in one short year from one small store to an organization, with our own huge wholesale warerooms, purchasing entire outputs of woolen mills and jobbers, and six big, up-to-date, conveniently located stores, is a record unparalleled in the custom tailoring trade. This record is positive proof that we must "make good" and fulfil every promise and statement we make. Think what this tremendous organization saves you on every suit or overcoat you buy! Naturally our purchasing power is six times greater than the small one-horse, one-store tailor. Where the small tailor buys a few yards, paying $3 to $5 a yard, we buy the same identical woolens and name our own price, which is from 1-6 to 1-4 less than the one-shop tailor pays. This shows you how Fifth Avenue and exclusive tailors charge $40 to $60 for the self-same suit or overcoat we make for $14.75. This, in a nutshell, is the history of the R. & C. success, and why we sell $40 to $60 suits and overcoats at $14.75.

This great sale comprises the latest Fall and Winter woolens, showing the widest range of patterns in serges, blues and blacks; Drumond & Standish worsteds, Harris tweeds, Hockanum worsteds, English cassimeres, German silk mixtures, and in fact practically every fabric made.
