Who would pay 50 per cent more for a thing than the same or an equally good article could be procured for?

Yet this is continually being done by persons wanting Furniture from lack of knowledge as to who manufactures and who does not.

Ten to fifty per cent is the difference between the maker's price and the retailer's price.

As manufacturers we offer our goods at this saving. Plain furniture, medium cost furniture, and the most elegant that can be made.

Be sure to investigate before ordering.
