SUNDAY OPENING SALOON BILL IS FAVORED BY MAYOR

Walker Measure Provides for Sale of Liquor Between 1 P. M. and 11 P. M.

A Sunday-opening saloon bill, designating certain hours when customers may be served on saloon premises, but not in the open barroom, and which was introduced at Albany by Assemblyman Walker, is being studied by Mayor Gaynor. The Mayor is said to be in favor of a limited Sunday opening law, provided absolute closing down during prohibited hours is enforced to the letter.

Saloon keepers already have agreed, in exchange for a law of the sort, to combine with the police in seeing that the excise law is not violated.

The Walker measure contemplates the opening of saloons on Sundays between the hours of 1 P. M. and 11 P. M. Its advocates declare that it is in reality a Sunday closing, in that, with the exception of the permitted hours, saloons will be kept closed tight. Saturday night business will close down, in accordance with the present law, at midnight, the saloons not reopening until Sunday afternoon. From 11 P. M. Sunday until 6 A. M. Monday, according to the agreement, saloons will be kept closed.

Mayor Gaynor has on several occasions openly expressed favor of some character of Sunday opening, arguing that if this concession is afforded to the public and saloon keepers, liquor traffic can better be regulated; that the excise law will better be enforced and less drinking will follow.

The Mayor is to be the first witness before the Wagner Legislative Committee to-morrow, when it is thought he will have something to say about Sunday opening as a preventive of police graft and excise law violation. He has already pointed out that the hotels are permitted to do a Sunday business, provided the barroom is not exposed.

The Liquor Dealers' Association has communicated with Gov. Sulzer and Mayor Gaynor, favoring the passage of a Sunday opening law. A strong delegation will go to Albany to urge the passage of the Walker measure.
