CLAIM OF IMMUNITY MADE BY THAW LAWYER IN BRIBERY SCANDAL

Anhut Refuses to Enter Plea and Question Is to Be Submitted to a Jury.

The devious ways of the law governing criminal procedure were illustrated to-day in the arraignment for pleading before Justice Seabury of John Nicholas Anhut, a lawyer, who is under indictment for attempting to bribe Dr. Russell, until recently the superintendent of the Matteawan Asylum for the Criminal Insane, to sign a certificate attesting Harry Thaw's sanity.

Anhut, through counsel, refused to plead on the ground that he is safe from prosecution because of immunity accruing from invasion of his constitutional rights when he was subpoenaed and forced to testify before the committee of investigation into the Thaw matter appointed by Gov. Sulzer.

After an argument the Court entered a plea of not guilty for Anhut. When it was agreed by the Court, the prosecution and the defense that when Anhut is called up for trial the matter of whether or not his appearance before the Governor's committee carried immunity will be put up to the jury for decision. If the jury holds that Anhut is entitled to immunity the proceedings will be dropped. If the contrary is held the same jury will listen to the evidence and determine his guilt or innocence on the charge in the indictment.

During the argument Arthur Palmer, counsel for Anhut, submitted to the Court that the testimony of Dr. Russell upon which Anhut's indictment is mainly based, given before the Grand Jury, is the same testimony Dr. Russell gave before the Governor's committee, which also heard Anhut's testimony. On that ground he held that his client's constitutional rights had been invaded.

COUPLE KILLED BY GAS.

Man Found on Bed and Wife Sitting in a Chair.

James Griffith of Albany and his wife, Mary, each about forty years old, who came to New York last Saturday and rented a furnished room in the house of Mrs. Theresa Bryld at No. 379 Pearl Street, Brooklyn, were found dead early to-day. The single bracket gas jet in the room was open, but Griffith's brother, who is a Brooklyn restaurant manager, declared there was no reason for suicide.

The Griffiths left the house early yesterday morning and returned about 3 o'clock in the afternoon. They were not seen again alive. Mrs. Bryld detected the odor of gas early to-day, investigated and found her Albany lodgers dead, the man lying across the bed, partially clothed, the woman sitting in a chair with one shoe off and the other partially unlaced.

BUFFALO BILL SHOW HERE WITH COWBOYS AND INDIANS.

Opens To-Night at Madison Square Garden in Some New and Daring Acts.

Warwhoops sounded around the Madison Square Garden this afternoon, voiced by small boys who could not wait until to-night to see the Indians of the Buffalo Bill show scamper kyoodling up the tanbark, saluted by the shrill yells of their brethren while the announcer cries:

"C-h-i-e-f I-i-t-t-l-e O-n-tail of the O-g-a-l-a-l-a-l-a Sioux!"

This year's show has grown beyond the elaboration which it underwent when the good old educational Wild West which delighted boys whose heads are turning gray by the addition of Pawnee Bill's Wild East.

George H. Burnham, the spectacle manager, has staged a series of exhibitions showing wild life from the time of the wandering Arabs of the desert down to the motor polo daredevilry of to-day.

But the Indian and the buffaloes and the stagecoach will all be there and we are violating no confidence in saying that the cruel redskins will be driven off by the noble cowboys of the plains as in previous years.

Woman Rules in Church, Too.

An unusual honor has been conferred upon Mrs. Alice Mundy of Metuchen, N. J., in her election to be a trustee of the Presbyterian church there at the latest parish meeting. She is the first woman ever elected to the office of trustee in a Presbyterian church in New Jersey.

ONE DOSE MAKES INDIGESTION GO.

Heartburn, Gas, Dyspepsia and all Stomach distress ended with "Pape's Diapepsin."

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one; your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble have made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store; and then if any one should eat something which doesn't agree with them; if what they eat lies like lead, ferments and sours and forms gas; causes headache, dissiness and nausea, eructations of acid and undigested food—remember, as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.

$5 China Silk Blouses *tomorrow at $3.95*

Liberal changes in blousewear may be called recreation in dress

Given a liberal collection of dainty blouses, a clever woman will change her appearance as often as she is traditionally supposed to change her mind. And both changes are commendable. Beauty should be continually displayed in new and novel settings—and a bright and intelligent mentality is never twice of the same turn of mind. All of which is by way of emphasising the importance of your seeing these blouses that are such a distinct change from what you have.

They are made of extra heavy quality China silk, in a dainty model, ornate with full double frill, punctuated with colored or large pearl buttons, and finished at the neck with smart tailored bow. Plain or embroidered Robespierre collar and three-quarter sleeves. Pretty and most reasonable in cost.

An exceptional showing of Shadow Lace Blouses at $8.95, $10.75 and $12.75

At these three special prices we have assembled a most unusual collection of blouses made of cobwebby laces and fine nets and chiffons. The models, many in number, embrace all of the newest ideas, or such of the newest ideas as are distinctive enough to merit inclusion in a Blouse Shop where distinction is an inviolable rule.
