

Some Folks

would have you believe that they are the only people who know how to make **Parchment Paper** and that the secret will die with them. Nevertheless we continue to make our

QUAKER BRAND PARCHMENT

Some of our customers say it is the best parchment made, others that they never used better. Anyhow, it gives satisfaction everywhere.

We are prepared to execute orders promptly for liners, squares, circles, rolls or sheets. We make a specialty of artistically printed parchment for wrapping prints.

A Roller Mill for Oats, Barley, Wheat or other Grain

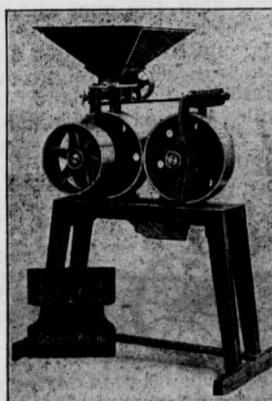

Just What You Have Been Looking For.

It will do the work: no danger of tearing the rolls in pieces if a bolt or even a nail gets in, as the springs will let it through and not damage the rolls in the least. We guarantee these mills to do the MOST WORK for power applied, of any mill.

The Only Mill that will KILL WILD OATS.

No big corrugations in the rolls to carry them through whole and all seeds going in come out CRUSHED. No gears to break or wear out. Rolls have ample bearings, boxes adjustable to take up wear. Rolls never break loose on the shafts. For anything else about roller feed mills, write
