BEILISS' FRIEND HERE; FLED FROM RUSSIA

Kutzin Says He Was Persecuted After Testifying at "Ritual Murder" Trial.

Shmkel Kutzin, who appeared at the recent trial in Kiev, Russia, as a witness for Mendel Beilis, defendant in the "ritual murder" case, stepped ashore today from the Austro-American liner Ancona, in from Trieste, and gave thanks that at last he was safe from Russian persecution. Kutzin, sad-faced, fifty-eight years old, with a patriarchal beard, said that his life had been made a burden to him after the trial ended.

"I was arrested time and again on trumped up charges," he said. "I had a prosperous clothing business. That is gone. But I was arrested as a vagrant and when I saw that they meant to ruin me I knew there was no use fighting. I escaped across the border into Austria and there were Russian soldiers close on my heels when I got away. They couldn't forgive a man who had testified for Beilis.

"Had it not been for the publicity given to the trial Beilis would have been convicted and it is equally certain that there would have been massacres of Jews."

Kutzin's pockets were filled with German marks, French francs and United States silver dollars. He said a charitable organization in Trieste had made up a purse to get him to this side. He is on his way to Pittsburgh, where he has relatives.

OLD MERCHANT AUTO VICTIM.

Second Accident in Short Time Too Much for Alex. King.

Alexander King, seventy-three, for many years Vice-President of the American Thread Company, which had absorbed his business, Alexander King & Co., of New York and Providence, died to-day at his home, No. 91 North Walnut street, East Orange, N. J., of shock resulting from a recent automobile accident. A few months ago he had been struck by an automobile in Fifth avenue and his left arm broken.

He was as well as ever again when he stepped in front of Harry T. Robertson's car in Park avenue, near North Walnut street, East Orange, last Wednesday, and had his collar bone and right leg broken.

Mr. King was born in Scotland and came to this country in 1863. He was an intimate friend of Andrew Carnegie, and it was due to his influence that Mr. Carnegie gave East Orange a library. Mr. King was a trustee. He was a member of Hope Lodge, A. F. and A. M., and of the Wool and Arkright Clubs of New York. He leaves a widow and two sons and three daughters.

DID CHILD WAKE UP CROSS OR FEVERISH?

Look, Mother! If tongue is coated give "California Syrup of Figs."

Mother! Your child isn't naturally cross and peevish. See if the tongue is coated; this is a sure sign that its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given to-day saves a sick child to-morrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company." Counterfeits are being sold. Don't be fooled!

Have *your* way—it's *your* money

When the just-as-good clerk attempts to slip over his unknown tooth paste on you, try this. Say to him: "This money is not real coin-of-the-realm, but it's—'just-as-good.'"

See the point? Be sure you get the *only* "acid-mouth" dentifrice—Pebeco Tooth Paste. Nothing else will do the great work of neutralizing "acid-mouth"—the great tooth destroyer.

Pebeco
Tooth Paste

is a triumph in tooth-saving. It saves the outside enamel—this is why Pebeco saves your teeth. The extra-large tube lasts twice as long. Besides, Pebeco does all that ordinary dentifrices do—cleans—whitens—polishes; and does all these things beautifully.
