FOUR HURT ON LINER SWEPT BY HUGE SEAS IN HOSPITAL HERE

Chief Officer and Three of Cairndon's Crew Taken Off at Quarantine.

Chief Officer Hopwood and three members of the crew of the steamer Cairndon, which arrived at Quarantine from London late last night, are under treatment at a hospital to-day for injuries received while the ship was battling with the stormy weather now prevailing on the Atlantic. The lifeboats of the Cairndon were swept away and everything washed from the decks by the heavy seas.

Before the ship got in a wireless was sent by the pilot steamer New Jersey telling of the condition of the four men and Dr. Joseph J. O'Connell, Health Officer of the Port, had the Quarantine tug in the Narrows to take the four off as soon as the Cairndon anchored.

It was found that Chief Officer Hopwood had been severely cut about the face when a great wave swept over the vessel. At the same time one of the seamen sustained a broken arm, another was cut about the head and a third had his fingers cut off by a falling ventilator.

Every incoming ship had its own tale of bitter weather, especially the Anchor liner Columbia from Glasgow and the Red Star liner Lapland from Antwerp, both four days late.

The Columbia ran into a hurricane last Thursday—the culmination of a series of furious westerly gales which she had faced ever since her departure from Glasgow. Early on that day the gale which had been booming from the west began to shift to the southward.

The vessel rode into the calm of the dread storm centre, a vortex from which few vessels emerge uninjured, then caught the swirl of the hurricane again and eventually battled her way clear of the wheeling tumult. She outweathered it in fine style and again lived up to her record of being a lucky ship—a reputation which she won when she drove into an iceberg some years ago and backed off uninjured.

BIG INCREASE IN OIL PROFITS

Standard Company of California's Stock Jumps on the News.

A sensational increase in the earnings of the Standard Oil Company of California, shown in the annual statement made public yesterday, gave a fresh stimulus to the speculation in the oil shares on the curb market.

The California company reported net earnings for 1913 of $19,256,140, as compared with $7,108,156 in 1912. The company paid dividends of $4,493,399, as compared with $1,123,349, and the surplus was $14,983,741, compared with $5,582,807. The stock of the company jumped 19 points, but most of the gain was lost on heavy realizing.

A number of the Standard Oil subsidiaries declared dividends yesterday.

HOW TO PREVENT GRIP

It Attacks Weak and Strong Alike—But There's a Remedy.

Grip and pneumonia attack the system quickly and relentlessly. They are especially dangerous at this season of the year when exposure to sudden and severe changes of the weather and atmospheric conditions are frequent. They are sure to attack the system run down from worry, overwork, or exposure.

For more than fifty years Duffy's Pure Malt Whiskey has been recognized as a wonderful remedy in the prevention of coughs, colds, grip, pneumonia, and all diseases of the respiratory organs. Physicians who stolidly conform to the ethics of the profession publicly recommend it and are prescribing it for their patients.

The secret of the marvellous success of Duffy's Pure Malt Whiskey in relieving and preventing throat and lung troubles lies in the fact that it is one of the greatest strengtheners and health builders known to medicine. It not only checks the ravages of the disease itself, but helps the stomach to more perfectly digest and assimilate food in order that richer and purer blood may come from it, and regulates and governs the heart's action, so that the circulation will be strong and powerful, carrying health and vigor to every organ of the body. Get Duffy's and you'll escape the grip. Sold by most druggists, grocers and dealers. Get it today.

Cured His RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Pullen, Carpenter, 1027 Marcellus Avenue, Manasquan, N. J. Better cut out this notice and show it to any others who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.

The DOCTOR'S ADVICE

by Dr. Lewis Baker

The questions answered below are general in character; the symptoms or diseases are given and the answers should apply to any case of similar nature.

Those wishing further advice free, may address Dr. Lewis Baker, College Building, College-Ellwood streets, Dayton, O., inclosing self-addressed, stamped envelope for reply. Full name and address must be given, but only initials or fictitious name will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can order of wholesaler.

"Morris" asks: "I have suffered with a chronic cough for almost a year, and catch a fresh cold every few weeks. Nothing the doctor gives me helps, so I write to you."

Answer: You need a thorough laxative cough syrup, one that not only relieves but surely drives it from the system. The following regularly used will oust any curable cough or cold promptly: Obtain a 2¼ oz. bottle of essex mentho-laxene, mix it with a home-made sugar syrup or honey as per directions on bottle.

• • •

"Anxious B." writes: "I have in recent years been threatened with appendicitis, but would never consent to an operation. Indigestion, constipation and sedentary habits cause me much suffering. Kindly prescribe for dyspepsia something which you think will cure me and prevent appendicitis."

Answer: The most scientific and satisfying treatment for your trouble is tablets triogestine, packed pink, white and blue in sealed cartons with full directions. Most stomach disorders can be conquered by regular treatment.

• • •

"Mrs. G." writes: "I have many of the symptoms upon which you prescribe three-grain cadomene tablets. May I, a woman, expect to find relief by taking these tablets?"

Answer: Yes, three-grain cadomene tablets are suited to any case of extreme nervousness where the vital forces seem to be ebbing away. They are tonic in action to a high degree and no ill effects can take them without the greatest benefit following.

• • •

"Farmer's Wife" asks: "Will you please tell me how to overcome obesity?"

Answer: Obesity is burdensome. Excessive fat on the human body is unnatural and frequently results seriously. The best and safest method to reduce is to take regularly five-grain arbolone tablets. They are put up in sealed tubes with directions for home use, and any well-stocked druggist can supply them.

• • •

"Sara C." writes: "I am constipated and have a greasy skin. Suffer from headache, indigestion and some kidney trouble. I wish you to recommend a remedy."

Answer: The best remedy to relieve and master chronic constipation is called three-grain sulpherb tablets, made from sulpher, cream of tartar and herb medicines. Taken regularly the blood is purified, the bowels and liver stimulated into healthy action and health established. They are packed in sealed tubes with full directions. These tablets are splendid for children, as they do not gripe or sicken.

• • •

"Mamma": I know of nothing better for bed-wetting than a dose of tincture cubeis, 2 drams of tincture rhus aromatic and 1 oz. comp. fluid balmwort. Mix. The dose is 10 to 15 drops in water one hour before meals.

• • •

"Alice M." writes: "Something seems to be wrong with my system and I don't know what it is. I have huge puffs under my eyes, my eyes are bloodshot in morning and my feet and ankles are swollen. Sometimes I have chills and feel weak and tired most of the time."

Answer: Your eliminating organs such as liver and kidneys are in need of treatment. Begin taking balmwort tablets at once. Get them in sealed tubes with full directions of any well stocked druggist.—Adv.

Elizabeth says: "I am troubled with a constant headache which also affects my eyes. My breath is awful, as I have a severe case of catarrh in the head and throat."

Answer: I receive daily hundreds of letters from people who have suffered as you do and who have been relieved with the following prescription. Make a solution mixing one-half teaspoonful of Vitane powder, which you can purchase from any druggist in 2 oz. packages, and add to this one pint of warm water; use this in the nostrils daily to thoroughly cleanse them. A catarrh balm should be used with this. This is made by mixing one teaspoonful of Vitane powder with one ounce lard or vaseline, which applied will up into the nostrils twice a day. If this is used daily, your catarrh should soon vanish. It should, however, be used occasionally to prevent a return of the disease.

• • •

"C. G." writes: "If you know of anything that will cure dandruff, itching scalp and premature baldness, please let me know what it is."

Answer: For several years I have prescribed plain yellow mirjol as superior to anything known for the treatment of diseased scalp. Get it in four-ounce jars with full directions. It quickly overcomes all diseases of the hair and scalp and gives new vigor and intense natural color to the hair. Try it fairly and you will advocate its use for your friends.

• • •

"Mildred" writes: "I am constantly embarrassed because of the fact of my extreme thinness. I have absolutely no color in my face and lips and I am dull and lifeless most of the time. Please advise me what to do."

Answer: If you are so thin and pale and your lips and cheeks are colorless, it is because your blood is deficient in red corpuscles. This can be easily overcome by the use of three-grain hypophosphate tablets, which can be had from any druggist in sealed cartons with full directions for taking. When the blood is enriched by the use of these tablets your weight will increase, the color will come back into your face and lips, and it will improve your general system so that you will become strong and healthy.

• • •

"Edna" writes: "I suffer with rheumatism all the time and I shall be very glad if you can tell me something to relieve me."

Answer: I can give you a prescription which will not only relieve but should dissolute your rheumatism. This is my favorite remedy, and the number of letters received from people who have used it proves its value in rheumatism. The following is made by mixing well, taking a teaspoonful at meal times and again before retiring: Comp. essence cardiol, 1 oz.; comp. fluid balmwort, 1 oz.; syrup sarsaparilla comp., 6 oz.; iodide of potassium, 2 drams; wine of colchicum, one-half ounce, sodium salicylate, 4 drams.
