CARRANZA WANTS AMERICAN FLEET TO LEAVE MEXICO

Asks Washington "in Friendly Way" to Withdraw Warships —Some May Leave.

WASHINGTON, Aug. 6—Gen. Carranza, Constitutionalist leader, has requested the United States "in a friendly way" to withdraw the American fleet from Mexican waters, State Department officials stated to-day. Orders directing return of the American squadron were considered.

"Orders are in contemplation for the withdrawal of some of the battleships now in Mexican waters, but they have no relation to the European situation," Assistant Secretary of the Navy Roosevelt stated to-day.

EL PASO, Tex., Aug. 6.—Levies made on Americans and other foreigners in the part of Northern Mexico controlled by Gen. Francisco Villa have caused complaints to be filed with the State Department at Washington. This information was brought here to-day by arrivals from the South. They report large quantities of timber being cut from the holdings of the Kansas City, Mexico and Orient Railway and the Chihuahua Lumber Company in Chihuahua and sold for the benefit of the Constitutionalist war chest.

Eighty Mexican families of soldiers in Villa's army are said to be quartered on the ranch of Mrs. William S. Benton, widow of the Englishman who was murdered last February in Juarez.

A Valuable Book for Women Free

Any woman who possesses a volume of "Mrs. Pinkham's Text Book Upon the Ailments Peculiar to Women" has at hand such information as may save her serious illness, or, if she is ill, it will give her an intelligent understanding of her case and suggest a cure. This valuable 80-page bound text book is not an advertising pamphlet, and is only obtainable by mail or at Mrs. Pinkham's laboratory. It will be mailed in plain envelope absolutely free to any woman who will write to the Lydia E. Pinkham Med. Co., Lynn, Mass., asking for it.

NOTES OF THE THEATRE.

Owing to a change in the New York bookings of A. H. Woods's attractions, the engagement of Douglas Fairbanks in "He Comes Up Smiling," scheduled to open at the Republic Theatre on Friday, Aug. 7, has been postponed. Mr. Fairbanks will open at the Broad Street Theatre, Philadelphia, for an indefinite engagement previous to his New York premiere.

By an arrangement with Edward S. Curtis, who for twenty-five years has studied the North American Indian and obtained thousands of photographs, phonographic records of Indian speech and chants, E. F. Albee, general manager of the United Booking Offices, will present the pictures in vaudeville this season in the Keith theatres. They will be first shown at the Palace. The stereopticon slides, photographic records, motion pictures and all other Indian material obtained by Mr. Curtis are the property of the J. Pierpont Morgan estate. It was under the late Mr. Morgan's patronage Mr. Curtis carried on his work.

The Famous Players' Film Company has engaged Blanche Walsh to be presented in "The Straight Road," one of Clyde Fitch's serious plays.

After another week at the Knickerbocker the picture-spectacle "Cabiria" will be taken to the Globe Theatre.

The English producer, Walter Howard, cables that the equipment for "The Story of the Rosary," the huge English romantic spectacle announced for mid-September at the Manhattan Opera House, would sail on Aug. 12, but probably would have to leave England under the American flag.

Richard Sterling, leading man last season with Edith and Mabel Taliaferro, has been engaged by Cohan & Harris for an important part in "Wanted, $22,000."

Rehearsals for May Robson's new play "Martha By-the-Day" were begun yesterday under the direction of Frank Reicher. The cast, besides Miss Robson, will include Julie Herne, Thomas Meighan, Lois Frances Clark, Anita Clarendon, Contes Gwynne, Violet Howard, Jane Heron and Edward Brandt.

BURGLARS CAUSE UPROAR.

Neighborhood in the Bronx Excited by Chase That Ends in Capture.

When Max Halpern, who lives on the third floor of the apartment house at No. 861 Simpson street, the Bronx, discovered burglars in his home at 3 o'clock this morning, he and and the intruders started excitement which kept the whole neighborhood in an uproar for hours. The burglars descended the fire escape, ran through the rear of the house at No. 862 Fox street, and disappeared in the direction of Westchester avenue. Later Policeman Bishop of the Simpson street station arrested Nathan Sussman, of No. 46 Delancey street, at Westchester avenue and Southern Boulevard, and he was held under $1,000 bail by Magistrate Corrigan in the Morrisania Court.

Noted Missourian Dead.

ST. JOSEPH, Mo., Aug. 6.—Judge Elijah H. Norton, one of the best known jurists of Missouri in the early days, who served as a member of Congress and upon the State supreme bench, died to-day at his home in Platte City. He was ninety-two years old.
