MRS. LULU CONSIDINE SENT TO KINGS HOSPITAL

Hysterical at Brighton Beach and Her Mental Condition Is Being Observed.

Mrs. Lulu Considine, widow of John R. Considine, was removed to the Kings County Hospital from the Coney Island police station early to-day for observation as to her mental condition.

She engaged an apartment at the Brighton Beach Hotel for herself and nine-year-old daughter, Frances, and a colored maid yesterday afternoon, and at 2 o'clock this morning entered the Shelburne Hotel and hysterically asserted that her daughter had been stolen. A doctor from the Coney Island Hospital recommended that Mrs. Considine be taken to the Kings County Hospital.

The maid left the Brighton Beach Hotel last night with the little girl and this morning had not reached Mrs. Considine's apartment at the Marc Antony, No. 212 West One Hundred and Tenth street.

William Considine, who lives at No. 235 West Forty-third street, was notified by The Evening World of his sister-in-law's plight and he started at once for the hospital.

H. A. FLURSCHEIM DEAD.

Hermann A. Flurscheim, for many years one of the leading merchants of the city, is dead of a complication of diseases at his home, No. 131 West Seventy-seventh street. Mr. Flurscheim was sixty-three years old and came to New York from Germany with his parents when he was fifteen. He entered the dry goods business in his youth, and his rise was rapid. For years he was a member of the firm of Stern Brothers, during most of which time he resided abroad, being one of the first American merchants to establish a foreign buying headquarters.

During his residence in Paris Mr. Flurscheim was one of the founders of the American Chamber of Commerce there. In 1901 he and Mr. Simon started the firm of Franklin Simon & Co., of which Mr. Flurscheim was a member until his death. He was deeply interested in art and had a fine collection. He leaves two sons and three daughters.

Are Your Hands Tied?

by a chronic disease common to womankind? You feel dull—headachey? Backache, pains here and there—dizziness or perhaps hot flashes? There's nothing you can accomplish—nothing you can enjoy! There's no good reason for it—because you can find permanent relief in

DR. PIERCE'S
Favorite Prescription

Mrs. Fannie H. Brent, of Bryant, Nelson Co., Va., writes: "I believe I had every pain and ache a woman could have, my back was weak, and I suffered with nervousness and could not sleep at night. Suffered with soreness in my right hip, and every month would have spells and have to stay in bed. I have taken eight bottles of your 'Favorite Prescription' and one vial of your 'Pleasant Pellets'. Can now do my work for six in family, and feel like a new woman. I think it is the best medicine in the world for women. I recommend it to all my friends and many of them have been greatly benefited by it.
