PRINCESS A DANCING HIT.

"Girls From Happyland" Score Success at Hurtig & Seamon's.

The Princess Luba Meroff, who proved that she is genuinely Russian when she danced, is the star of the "Girls from Happyland" company, which is the anniversary week attraction at Hurtig & Seamon's, in West One Hundred and Twenty-fifth Street.

A Japanese jiu-jitsu champion, some diving girls and the Marvellous Millers, whirlwind dancers, were added as anniversary specials, and there will be additional features every night this week, including tango and song writer's contests.

If last night's show is what they call burlesque, some of the Broadway kickers would do well to slip up to Harlem this week just to see what mighty good entertainment this form of amusement provides. The music is tuneful, the chorus good looking and lively, and the comedians are exceptional. The whole show is "well dressed."

Marty Ward, Frank Harcourt and Phil Doyle are the comedy supports. Evelyn, Mary and Arnette Creighton fill the juvenile roles, with John Bohlman and Nellie Lockwood in the "heavy."

SAVE YOUR TEETH

Gingivol Prescription Makes Sore Gums and Loose Teeth Strong and Healthy

Don't lose your teeth. Dentists and chemists are astonished at the discovery of Gingivol, a highly concentrated formula for Pyorrhoea, soft, sore, spongy and receding gums and loose, sensitive teeth.

Get a small original bottle to-day; that will be plenty, for Gingivol lasts a long time. Use as directed and in a few days you will notice a decided improvement; your mouth will feel fine and soreness will disappear. Continue its use until teeth are again strong and healthy. Moone Chemical Co., Rochester, N. Y.

TREATMENT FOR SWOLLEN VEINS

People with varicose veins should get a two-ounce original bottle of Emerald Oil (full strength) at leading druggists and apply night and morning with a soft brush until the swollen, aching veins are reduced to normal. So powerful in its action is Emerald Oil that tubercular glands and even goitre disappear with proper treatment.—Advt.
