

Mr. Buttermaker,

Can't you induce the manager of your creamery to get that

DISBROW

COMBINED CHURN & WORKER

he was talking about last spring? It would make your work twice as easy this hot weather. The butter would be worth more, too, if it was made in a Disbrow, away from the heat, flies, bad odors, etc. Show him where it would be money in his pocket to get a Disbrow. We'll send you a booklet to help how him, if you'll drop us a postal card.
