## Use "Gets-It," Corns Shrivel, Vanish!

**It's the New Way, and You'll Forget You Ever Had Corns.**

"A drop put on in 2 seconds, corns shrivel, vanish clean off!" That's the marvellous story of "GETS-IT," the new pain-free cure. Nothing can be simpler for the cure of corns—and it never fails.

That's why millions of people are using "GETS-IT" to-day and throwing away their floury plasters, sticky tape, tee-eating salves, and "wrapping outfits" that make of needle around the toe and choke it into pain by pressing either on or around the corn. There is nothing to stick to your stocking, nothing to cause inflammation or soreness, nothing to press on or around the corn. You apply it in 2 seconds. No more knives, razors, scissors or files, with their blood poison dangers. Try "GETS-IT" for that corn, callus, wart or bunion.

"GETS-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.

"GETS-IT" is sold in New York by Bilhorn-Hegeman Co.

Every Victor-Victrola sold from the Knabe Salon of the Victor is regulated and adjusted by our expert until it attains tone perfection.

# Free Panama-Pacific Tour Starts Keen Competition Among "Prettiest Girls"

"No Expense to Winners" Places Contest Within Reach of All.

THE EVENING WORLD, in conjunction with the Universal Film Mfg. Co., offers to send THE SEVEN PRETTIEST GIRLS in this vicinity on a FREE TOUR to the Panama-Pacific and San Diego Expositions and Universal City, Cal. This trip, which otherwise would cost each girl $600, will be GIVEN to the seven winners of this contest absolutely at no expense to them from the moment they leave their homes until they return. The simple conditions to be observed will be found in the accompanying small box.

The contest to find the seven prettiest girls hereabouts who are to take the Free Wonder Tour to the Western Wonderland has developed into a lively competition for first honors.

Pretty girl photographs came to the Free Tour Bureau at a lively rate last week, but this week the real rush has begun. Everything from amateur snapshots to expensive studio masterpieces; blondes, brunettes and every beauty-types ranging between: big girls, little girls, medium sized girls—but every one mighty pretty! Those five artists who have the task of picking the seven "prettiest" girls are going to have a real job!

Many of the photographs are accompanied by letters, most of them "right from the heart," too. A Brooklyn girl writes:

"I'm not sending you my picture because I'm conceited over my 'looks' but because I do so want to go on that wonderful trip. I went on an excursion once to Washington, D. C., and had a delightful time, but—well, the very thought of a trip 'way to California and back, to the two wonderful expositions and "Movieland" (Universal City) seems almost too extravagant to even entertain! It seems as though I must have 'dreamed' that this offer has been made—it seems too wonderful to possibly be true! I wish I were lots prettier so that I could be very sure of going with the others."

Now, just a few words about the trip, in case you haven't read about it before:

Throughout the United States contests similar to this one now are being conducted. The first week in June the winners of all these contests, representative pretty girls of every State, will meet in Chicago, their fares paid to that point from their homes.

Then, on June 5th or 6th, the whole party leaves Chicago on a special train for California under the chaperonage of Mrs. Champ Clark. Also from this point until the return of each girl to her own home, every expense will be paid for the whole party.

En route a number of useful presents will be given to each pretty girl in the party, planned to add to the comfort and enjoyment of her trip. Through a maze of scenic wonders the train will convey the party to the Panama-Pacific Exposition. The wonders of this exposition viewed, those of the San Diego Exposition will be presented.

Also the party will be conducted to Universal City, where the Universal Film Mfg. Co. makes "movies." There the girl selected as the "prettiest girl in the United States," the real "American Beauty," will be offered a career as a "movie star" and be given as a testimonial a silver loving cup.

Then the return home by another route unfolding new scenic wonders, and for months and months after telling your friends all about your wonderful trip, won because you were selected as "one of the prettiest girls in the United States!"

Many interesting details of the trip and the developments of the contest will be found daily in The Evening World, which will be very glad to receive your photograph as an entrant in the contest.

**ONLY THESE SIMPLE CONDITIONS TO BE OBSERVED**

1—Each entrant must be at least sixteen years old.

2—Her photograph must bear attached a sponsor's blank, properly filled out. (See sample blank printed elsewhere on this page.)

3—She must be a resident of one of the following three districts: DIST. NO. 1—Greater New York and Long Island (the three prettiest girls). DIST. NO. 2—The following ten counties in New York State: Westchester, Rockland, Putnam, Orange, Dutchess, Ulster, Columbia, Greene, Rensselaer and Albany (the two prettiest girls). DIST. NO. 3—The State of New Jersey (the two prettiest girls).

These conditions met, mail your photograph to the FREE TOUR BUREAU, EVENING WORLD, No. 63 PARK ROW, NEW YORK CITY. If you desire your photograph returned after the contest, inclose return postage.

## "HOME RUN" BAKER'S FINDER SHOOTS SELF

Manager Weltzel of Reading Team Will Die of Three Bullet Wounds.

READING, Pa., April 21.—Jacob L. Weltzel, manager of the Reading club of the Tri-State Baseball League, was found in Mineral Springs Park last night with three bullet wounds, believed to have been self-inflicted. Physicians say he cannot live.

Weltzel has been worrying over the baseball situation and told friends he deplored the fact that the Tri-State League would not continue this season, thus shutting out Reading from organized baseball.

Weltzel discovered "Home Run" Frank Baker when the latter was playing in Maryland. He secured Baker to play for Reading and the next season sold him to the Philadelphia Athletics.

## EXCISE COMMISSIONER OUT?

**Farley's Resignation Said to Be in Whitman's Hands.**

ALBANY, N. Y., April 21.—Excise Commissioner Farley has sent his resignation to Gov. Whitman, it is said by Republican leaders here.

It previously had been reported frequently that he had resigned, but no confirmation of the report was to be had. It was said, however, that George Green of Binghamton, former State Senator, had been selected to succeed Farley, and that his nomination would be sent to the Senate in a day or two.

**Actor McDowell Ill.**

Actor Melbourne McDowell, husband of the late Fanny Davenport, was taken to Bellevue Hospital last night, accompanied by Charles A. Hollingsworth, and suffering from acute gastritis. He was taken ill in the new Victoria Hotel, where he lives. The doctors said he is not in a dangerous condition.

## ELOPER IS BETRAYED INTO JAIL BY LETTER OF ALLEGED AFFINITY

Gave Warning That Hehn Was Returning to See Sick Child, Warrant Met Him.

[illegible] Catherine, a sick daughter, which brought him from Oakland, Cal., back to Brooklyn, has resulted in the arrest of Alfred Hehn, a Nobel Flatbush protégé, merchant. He was taken in the Raymond Street Jail to-day when he learned the child was not of danger. The girl is a fifteen years old.

Hehn was formerly in business at No. 1064 Flatbush Avenue and was arrested there yesterday on an order signed by Supreme Court Justice Kelby in a civil case.

The arrest was ordered in the suit of Alfred J. Graham of No. 1042 Flatbush Avenue, Brooklyn, who demands $50,000 for alleged alienation of the affections of Mrs. Florence Graham. Hehn was released under $,000 bail.

Graham says he and his wife lived together happily from 1905 until last March, when he went home one evening and found his wife gone, with all her belongings. Hehn vanished at the same time.

Graham avers, that on April 9 Mrs. Grace Mayell of No. 1042 Flatbush Avenue, where he and his wife lived, received this letter written by Mrs. Graham from Oakland, Cal.:

"Dear Mrs. Maywell: I really am afraid to write to you, for I fear you will not sympathize with me. But I could not stay any longer. I did go with Mr. Hehn. He has been a jewel—more than a husband. He received a letter to-day saying that Catherine (his daughter) is very sick. And, being a Catholic, it preys so much on his mind he feels that he must go back and stay for a short time.

"They say Catherine is constantly calling for him, and he has been pleading with me all day to let him go home before they put the girl in the grave. The note he received says Mrs. Hehn would forgive everything he has done if only he will come back and save Catherine's life. I have a heart, as he says, and will let him go back until he can get matters straightened out and return to me again. I just had to write and tell you all our troubles. We are leaving for New York next Tuesday."

This letter passed from Mrs. Maywell to Graham and led to Hehn's arrest. Before he was taken to jail he was permitted to see Catherine.

## WOMEN LURE AND ROB MAN.

**Graney Loses His Diamonds When He Tries to Aid Them.**

Two stylishly gowned women approached Thomas Graney of No. 1360 Broadway, Brooklyn, district agent of Armour & Co., early to-day at Fulton Street and Hanover Place, and asked his help. They said three boys had grabbed their pocketbooks at Sackett Street and Third Avenue.

Graney, who is a six footer, accompanied them to the place, which is a dark corner. He was struck on the head with a blackjack and stunned. When Policeman Garson of the Butler Street Station revived him the women were gone, as were his diamond pin, worth $200; diamond ring, worth $250; $40 in cash and an indorsed check for $150.

## DR. DARLING SAILS.

**Goes to Far East to Study Diseases for Rockefeller Foundation.**

Dr. Samuel T. Darling sailed to-day for Liverpool on board the steamship Adriatic. From Liverpool he will proceed to Singapore. He will there begin an investigation of diseases in the Far East for the International Health Commission of the Rockefeller Foundation.

Dr. Darling resigned as Chief of Laboratory at the Panama Canal Zone to accept the new position. He was associated with Gen. Gorgas in Panama Canal work for ten years and accompanied him in his investigation of disease among the miners of the Rand district in South Africa.

## MYSTERY OF MISSING GIRL GROWS DEEPER

Police Find Woman Seen With Eva Fitzgerald, but Cannot Trace Lost Child.

Though the police have located the woman who was seen with Eva Fitzgerald, the fifteen-year-old Brooklyn girl who disappeared from her home at No. 471 Sixty-first street just Easter night, they have gained nothing by the discovery. The girl is still missing.

Mrs. Charles Stevenson of No. 1017 Sixty-fifth street, a former neighbor of Mrs. Albert F. Weisel, with whom the girl lived, reported to the Bushwick on Saturday that she had seen Eva with a strange woman aboard a New Bridge Avenue trolley car that morning. The woman said she was taking the girl home.

Detectives last night found Mrs. Rose Rogers of No. 1016 Seventy-third Street, who admitted that she was the woman. Mrs. Rogers said she met the girl on a Third Avenue "L" station late Friday night, that she appeared bewildered and that she undertook to take her home, but that she ran away near Third Avenue and Fifty-eighth Street.

LOS ANGELES, Cal., April 21.—The inheritance tax on the estate of Mrs. Arcadia De Baker has been fixed by court appraisers at $420,000 on a valuation of $1,000,000. This is said to be one of the largest inheritance taxes ever fixed in this state. The De Baker property originated in Spanish land grants and in the early days included much of the downtown business district of Los Angeles.

**Don't Hide Them With a Veil; Remove Them With the Othine Prescription.**

This prescription for the removal of freckles was written by a prominent physician, and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by druggists under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.—Advt.
