OFFICE OF DREXEL, MORGAN & CO.,
23 WALL-ST., NEW-YORK, FEB. 9, 1888.

TO THE SECURITY HOLDERS AND OTHER CREDITORS OF THE

Chesapeake and Ohio Railway Co.

At the request of holders of large amounts of the stock, bonds, and other obligations of the Chesapeake and Ohio Railway Company, we have agreed to co-operate in the reorganization of the affairs of that company; and at our suggestion, Messrs. C. H. Coster, R. J. Cross and Anthony J. Thomas have undertaken to act as a committee to carry the reorganization into effect.

The Chesapeake and Ohio Railway extends from Newport News to the Big Sandy River, there connecting with lines to the Southwest. An important extension along the Ohio River from Ashland to Cincinnati (including a bridge across the river at that point) was undertaken some time ago by separate companies, but, owing to its expensive character, has not been completed, although about $5,000,000 have already been spent upon it. This line, if secured for the Chesapeake and Ohio, would bring it in direct connection with the railways to Chicago and the entire West and Northwest, and obtain for it business, of which it now receives only a small part by circuitous and expensive routes and under great disadvantages.

The reorganization includes this new line and bridge, which will represent, when completed, an estimated expenditure of at least $8,500,000 in actual cash, for the settlement of which provision is made in the reorganization, and a syndicate has already been formed to guarantee the required funds, from sale of bonds and from assessments on stock, as detailed further on.

The reorganization further contemplates the reduction of fixed charges to a sum approximating the present net earnings, as published, of the Chesapeake and Ohio Railway, irrespective of the new line, which should prove a valuable acquisition in itself, and should also add largely to the earning capacity of the reorganized company, and impart additional safety and permanent value to the several classes of new securities.

The following is an outline of the

PLAN OF REORGANIZATION.

NEW SECURITIES.

First consolidated mortgage 5 per cent 50-year gold bonds	$30,000,000
First preferred 5 per cent, non-cumulative, stock, about	$12,000,000
Second preferred 5 per cent, non-cumulative, stock, about	12,000,000
Common stock, about	40,000,000
	$64,000,000

These securities will represent an ownership, not only of the present line of the Chesapeake and Ohio Railway from Newport News to the Big Sandy River, but also (through the acquisition of all the bonds and nearly three-fourths of the stock) of the new line (including the bridge) from Ashland to Cincinnati. The bonds of the reorganized Chesapeake and Ohio Railway Company are to have an absolute first lien on all this additional property, either by mortgage or collateral deposit of securities before mentioned. The new bonds will not begin to bear interest until reorganization is completed. The Reorganization Committee have the right to capitalize a sum equal to one-fifth of the interest for two years, should they deem it more prudent, prior to the delivery of the new bonds.

In case the line from Ashland to Cincinnati (including the bridge) should cost over $8,800,000, additional First Preferred Stock will be issued and taken in payment of the excess at par.

To Contracting and Building Company under contract before mentioned		1,000,000
		$40,000,000

As will be seen from the foregoing table,

"B" BONDHOLDERS receive two-thirds of their present bonds (whether "Assented" or "Non-assented") in new 5 per cent bonds and one-third in new First Preferred Stock. The "B" bonds are to be surrendered with all coupons maturing after Nov. 1, 1887. First preferred stock will be given, at par, for any unpaid coupons that mature on or before that date.

Interest at 4 per cent per annum will also be allowed during reorganization on two-thirds of each "B" bond deposited, to be paid in cash when reorganization is completed. On bonds deposited at once, interest during reorganization will accrue from Nov. 1, 1887, but the right is reserved to terminate this privilege at any time without notice; and on bonds deposited thereafter interest will accrue from such later dates as the committee may prescribe.

CURRENCY BONDHOLDERS receive new Second Preferred Stock at the rate of $1,000 stock for each $1,000 bond deposited with all coupons maturing after Jan. 1, 1888.

DEFERRED INTEREST SCRIP HOLDERS receive new Second Preferred Stock at par.

FIRST PREFERRED STOCKHOLDERS, SECOND " " , COMMON " " } who pay the assessments hereinafter prescribed, receive new Common Stock at the rate of one new share for each old one. The old stock is subject to assessments of $4 on each share of First Preferred, $6 on each share of Second Preferred and $8 on each share of Common; and new First Preferred Stock will be issued for the amount of assessments so paid.

All assessments not paid by the stockholders will be paid by the Syndicate, which will receive therefor the securities forfeited by delinquent stockholders.

The voting power on the new stock will be vested for 5 years in J. Pierpont Morgan, John Crosby Brown and George Bliss, and certificates of Beneficial Interest will be issued to represent the new shares.

NO ADDITIONAL MORTGAGE CAN BE PLACED UPON THE PROPERTY AHEAD OF THE NEW PREFERRED STOCKS WITHOUT THE CONSENT OF TWO-THIRDS IN AMOUNT OF THE PREFERRED STOCKHOLDERS OF EACH CLASS.

IT IS ESTIMATED THAT UPON COMPLETION OF REORGANIZATION THERE WILL REMAIN IN THE TREASURY ABOUT $3,000,000 OF THE NEW FIVE PER CENT BONDS, AND THE MORTGAGE WILL PROVIDE THAT THEY ARE TO BE ISSUED ONLY UNDER PROPER RESTRICTIONS FOR FURTHER NEEDS OF THE COMPANY.

Participation in the reorganization and exchange of the old securities for the new ones is conditioned, in the case of each holder desiring so to participate and exchange, upon his becoming a party to the reorganization agreement and depositing his securities, duly assigned, with us, against our negotiable receipts for same.

Further particulars and copies of the agreement may be had upon application to any member of the committee or to us.

The right is reserved to terminate at any time the privilege of participation in the aforesaid agreement.

WE STRONGLY RECOMMEND THE FOREGOING PLAN TO ALL CLASSES OF SECURITY HOLDERS, BELIEVING IT TO BE EQUITABLE TO ALL INTERESTS, AND ONE THAT WILL PLACE THE COMPANY UPON A SOUND FINANCIAL BASIS.
