**Whitman Signs Judges' Bill.**

ALBANY, May 17.—Gov. Whitman to-day signed Assemblyman Hopkins's bill providing for this fall's election of two additional Supreme Court Judges in the Ninth Judicial District. There are now five Judges in this district, which embraces Westchester, Putnam, Orange, Rockland and Dutchess counties.

## Dr. Osler on Tuberculosis

Sir William Osler, one of the foremost of living medical men, formerly of Johns Hopkins, Baltimore, and now Regius Professor of Medicine at Oxford, says in his "Practice of Medicine" (1892), on page 969:

"The healing of pulmonary tuberculosis is shown clinically by the recovery of patients in whom quite exactly those anatomical lesions have been found. * * * In the granulation pneumonia and associated pneumonia a scar tissue is formed, while the smaller caseous areas become thoroughly walled with fibrous tissue. To such conditions a cure should the term healing be applied."

Many eminent medical authorities have testified to the efficiency of cod liver oil in the treatment of tuberculosis, especially of Scott's Emulsion. Alterative in this and allied throat and bronchial affections, due to due partly to the fact that it contains a lime salt so combined with most valuable ingredients as to be easily assimilated.

Widespread use of this remedy in numerous cases of tuberculosis—many of which appear to have yielded conclusively to the treatment—is the justification for our belief that it is worth a trial, unless none what treatment already is succeeding. It contains no opiates, narcotics or habit forming drugs. We make no promises concerning it and ask those who respectable physicians give patients with their prescriptions but we know of many cases in which IT HAS HELPED.

Contains no opiates, narcotics or habit forming drugs. Worth a trial is safe. For sale by all. Bloor Hegeman Stores and leading druggists.

# BARNES ADMITS HE ASKED GRATTAN TO BALK HUGHES

But It Was After His Visit to Roosevelt, He Says on Stand.

SYRACUSE, N. Y., May 17.—William Barnes, freely admitted under cross-examination on the witness stand in the Supreme Court here to-day in the trial of his libel suit against Theodore Roosevelt, that he had talked to State Senator Grattan about his vote on an anti-racing measure in the State Legislature after State Senator Patrick McCarren, a Democrat, had informed him that Mr. Grattan's single vote undoubtedly would defeat the measure.

Q. Were you friendly to Gov. Hughes? A. I was politically friendly with him.

Q. Did you regard him as a bulldozer? A. I did not regard him as a bulldozer until he sent a message to the Legislature in 1910 urging the passage of a bill which had already been defeated.

Q. Was it regarding an act of the Legislature that you advised Senator Grattan to vote in a certain way? A. It was concerning a bill pending before the Senate.

Q. The act had passed the Assembly? A. The bill had passed.

Q. What was it about? A. It was to repeal the Percy-Gray Racing law.

Mr. Barnes said he took no active interest to defeat the bill until "after I went to Washington." Mr. Barnes apparently was referring to a visit he said he paid Col. Roosevelt in the White House, when the latter is said to have urged the defeat of the bill.

"Do you know what responsibility means?"

"Yes," said Mr. Barnes; "there's financial responsibility, legal responsibility and"—

Mr. Bennett interrupted saying "moral responsibility."

"Why," said Mr. Barnes, "there is no question of moral responsibility about it."

"Well," said Mr. Bennett, "Col. Roosevelt banged his fist on the table and laughed. Future Andrews pounded with his gavel until order was restored.

"Did you not know when you talked with Senator Grattan about racetrack legislation that his vote would defeat the bill?"

"I felt quite sure it would."

Mr. Barnes told of talking to Senator McCarren before the Agnew-Hart bill came up. He said Senator McCarren, a Democrat, told him he had made a careful canvass of the Senate and that if Senator Grattan would vote against the bill the vote would be tied and the measure would be defeated.

Mr. Ivins vigorously objected to the next question, which contained the words "knowing therefore." He was instructed by the Court to keep his seat. The question, in effect, was as to whether Mr. Barnes saw Senator Grattan later about his vote. Mr. Barnes said he talked to Senator Grattan.

"Had you knowledge that Senator Grattan had previously expressed himself as being in favor of or against the bill?"

"I had heard that Senator Grattan had said that unless the bill was passed with a provision that the measure should go into effect at a later date he would vote against it."

At the opening of court the first of the former Legislators was called. He was William Keys of Monroe County. He said he had talked to Mr. Barnes before James A. O'Gorman was elected. Witness quoted Mr. Barnes as saying that he thought it would be a good idea if the Republicans would stand with the Democratic insurgents to elect an independent Democrat for United States Senator. The next witness was John D. Stiners, a newspaper publisher of Middletown, now a State Senator and an Assemblyman in 1911. He said he had no conversation with Mr. Barnes in regard to the election of a United States Senator.

These two witnesses were followed by other former legislators who gave testimony of a similar nature. Among them was Eugene M. Travis, State Comptroller, a Brooklyn fruit dealer and formerly a State Senator. Mr. Travis attended the conference at Mr. Barnes's house which has been told about by previous witnesses. Mr. Travis said Mr. Barnes asked him whether he thought he could get the Independent legislators from Long Island to vote for an Independent Democrat. Witness said Mr. Barnes stated that seemingly enough votes could not be gathered to elect an Independent Democrat. Mr. Travis said he understood that ended the matter.

Another witness was James E. Parker, a member of Congress from New York and a former member of the Assembly.

## APPOINTMENT FOR BARNES.

KINGSTON, N. Y., May 17.—William Barnes of Albany was to-day appointed by Supreme Court Justice Hasbrouck a member of the Ashokan Damage Commission, which will pass upon damage claims in connection with the acquisition by New York City of the Ashokan region for water supply purposes.

Mr. Barnes' associates will be William H. Gibson of New York and Philip Ettling of Kingston.

**Excused for Speeding 34 Miles an Hour.**

A real estate deal involving the loss of $190,000 through the expiration of an option was to-day declared by Magistrate Krotel in the Morrisania Police Court to be excuse enough for speeding in an automobile. This freed Royal C. Coleman, a real estate dealer of No. 420 Riverside Drive, who was arrested on May 15 for speeding thirty-five miles an hour. Coleman said he had to be in White Plains by 4 o'clock, but a tire blew out and delayed him half an hour, and he was making up for lost time.

# 47 WOMEN SLAIN IN TRIESTE RIOT; 300 ARE WOUNDED

Mob Cries "Death to Francis Joseph" and Is Fired Upon.

ROME (via Paris), May 17.—A serious riot has broken out at Trieste, according to a message to the Idea Nazionale telegraphed from the frontier.

A crowd, composed chiefly of women, because most of the men have been called to the colors, invaded the square on which faces the Palace of the Governor, Baron Piessekin. They cried "Death to Francis Joseph! Down with Austria!" burned an Austrian flag, together with a portrait of the Emperor, and attempted to attack the palace.

The Governor ordered gendarmes to charge the crowd, and the women retired fighting stubbornly. Lamp posts were torn up and the signs of tobacconists, which bear the Austrian coat of arms, because their business is a Government monopoly, were destroyed.

The Idea Nazionale despatch states that forty-seven women were killed and more than 300 injured.
