SUNDAY WORLD "WANTS" WORK MONDAY MORNING WONDERS

ONE-CENT "HELLO" IF THIS COMPANY GETS ITS FRANCHISE

Great Eastern Corporation Would Give Low Telephone Rates if Given a Chance.

The Great Eastern Telephone Company, through its President, De Elbert A. Reynolds, of No. 2 Rector Street, has made application to the Board of Estimate for a franchise in this city. If given the privilege of doing business here the company pledges the following:

A business service of from two to four cents a message according to the number of messages contracted for, subject to a discount of not less than 10 per cent. for prompt payment.

One dollar per month for unlimited residential service within zones where several subscribers are served by a single circuit.

Residential service at the rate of $4 per month for a private line; $3 a month for a two-party line; $2 a month for a four-party line, with no extra charge for interborough messages.

Pay station rate of five cents per message applicable to all parts of the city.

A cent a message for official business of the city.

The company offers to pay the legal annual rental paid by other telephone and telegraph companies of $100 to $1,000 per mile of duct space in addition to assessed taxes.

The directors of the local branch of the Great Eastern Company are E. H. Brook, T. I. Haubner, Harry C. Randall, William J. Lansley, D. A. Reynolds, George E. Greene, E. P. Burritt, H. H. Maurer, M. H. Babcock, Melvin G. Wooley, G. O. Starr, Charles C. Manning, M. E. Rippenhagen, A. N. Taylor and E. A. Reynolds.

DODGES QUIT FORD'S CANADIAN COMPANY

Sell for $828,750 Stock Given to Them When Concern Was Organized.

DETROIT, Oct. 7.—John F. Dodge and Horace E. Dodge, who held 10 per cent. of the stock of the Ford Motor Company of Canada, given to them by Henry Ford on the organization of the Canadian company in 1906, threw their holdings on the market Tuesday, and through H. W Noble & Co. of Detroit received $1,625 a share for 510 shares, a total of $828,750. It is understood that Kissel, Kinnicutt & Co. of New York acquired an interest in the stock through Noble & Co.

Ford and the Canadian Government are now at odds, owing to Ford's antagonism to the Anglo-French loan. Toronto has boycotted the Ford car and there has been much speculation as to how much further the Canadians may go in showing their resentment. The earnings of the Canadian company last year were $2,000,000 on $1,000,000.

ELOPING COUPLE KEPT SECRET TWO MONTHS

Mother of Miss Hull Said She Was Too Young to Wed, but She's New Yorker's Bride.

Friends of Miss Nancy Walker Hull, nineteen years, daughter of Mr. and Mrs. Joseph Hull, wealthy residents of Savannah, Ga., who has been staying with her mother at the Hotel Majestic for several weeks, learned to-day of her marriage to St. Julien Ravenel jr., son of St. Julien Ravenel, a broker, living at No. 390 West End Avenue.

Acquaintances of the couple say they married two months ago, having eloped from Charleston. The bride returned to her home and did not inform her parents of the marriage, it is said, because her mother did not want her to marry at so early an age. Otherwise there was no opposition to the match.

No information could be obtained from Mr. Ravenel or his father, but at the Ravenel home it was learned the announcement had come as a surprise.

Wilson to Lay Cornerstone.

WASHINGTON, Oct. 7. — President Wilson will lay the cornerstone of the new Memorial Amphitheatre at Arlington next Wednesday morning at 11 o'clock. The exercises were to have been held last Friday during the Grand Army Encampment, but were postponed because of rain. Addresses will be made by Secretary of the Navy Daniels, and Judge J. G. Kimball, representing the G. A. R.

CENTURY-OLD CHURCH IN WESTCHESTER RAZED

Old Families Indignant Because Bodies Are Removed From Cemetery.

The congregation of the Westchester Methodist Episcopal Church have not been in entire harmony since house wreckers began to demolish their old church edifice. It was erected one hundred and three years ago, and to-day the wreckers are prying apart the last of its sturdy timbers. For some months past the old Westchester families have been brought back in memory to the days of long ago by the removal of the bodies of some of the notables buried in the famous old cemetery adjoining the old church.

A new one-story building now marks the spot of the graveyard, and in a few weeks more the last trace of a structure of dear and revered memory will be erased and Westchesterites will look instead upon a fine polished stone church.

Much opposition was raised by the older families of the congregation when Pastor G. A. Viets announced the plans for a new structure. Many were for a public subscription to preserve the sacred landmark. But the clutch of progress could not be loosened and wreckers were put at work on the graveyard. Headstones bearing such familiar names as Munn, Searing, Parmelee, Berrian and dozens of others, were leveled and the bodies interred.

CLERGY OPPOSE BALL GAME.

Assert Actors and Newspaper Men Seek to Break Sunday Law.

Clergymen of Bay Side, L. I., are arrayed against the actors, cartoonists and newspaper men of that vicinity who at the clam-bake of the Bay Side Boosters' Association next Sunday plan to play a big ball game.

Raymond Hitchcock, Willie Collier, Georgie Cohan, James J. Corbett and many other actors, and Bud Fisher, Ted and a bunch more of the funny fellows of pen and ink, expect to hit, steal bases and scamp in flies.

Looks like Bud Fisher had better have Mutt and Jeff on hand with a roll of bail money, for the clergymen have been to Police Captain O'Neill and said that the ball game would be in violation of Sunday laws, in that admission is being charged.

Not the same, says William F. Sheehan, Booster-in-Chief. The crowd will pay for the clam-bake and see the baseball game free.

Police Captain O'Neill is now thinking deeply.

WHY HE DIDN'T HELP.

(From the Buffalo Courier.)

"Why did you not help the defendant in the fight if that's the case?" asked the examining counsel.

Mr. Cassidy looked at the lawyer with contempt and answered in a tone of blighting scorn: "For the reason that at the bridge O. had no means of knowing which of Dillo would be the defendant."

It is a new way. It is something absolutely different. No lotions, sprays or sickly smelling salves or creams. No atomizer or any apparatus of any kind. Nothing to smoke or inhale. No steaming or rubbing or injections. No electricity or vibration or massage. No powder; no plasters; no kneading in the nose. Nothing of that kind at all. Something new and different, something delightful and healthful, something instantly successful. You do not have to wait and linger and pay out a lot of money. I Am Free—You Can Be Free

My catarrh was filthy and loathsome. It made me ill. It dulled my mind. It undermined my health and was weakening my will. The hawking, coughing, spitting made me obnoxious to all, and my foul breath and disgusting habits made even my loved ones avoid me secretly. My delight in life was dulled and my faculties impaired. I knew that in time it would bring me to an untimely grave, because every moment of the day and night it was slowly yet surely sapping my vitality.

But I found a cure, and I am ready to tell you about it FREE. Write me promptly.

RISK JUST ONE CENT

Send no money. Just your name and address on a postal card say: "Dear Sam Katz: Please tell me how you cured your catarrh and how I can cure mine." That's all you need to say. I will understand, and I will write to you with complete information, FREE, at once. Do not delay. Send postal card or write me a letter to-day. Don't think of turning this page until you have asked for this wonderful treatment that can do for you what it has done for me.
