Despondent Baker Hangs Himself.

Out of work and despondent, John Bauman, a baker, hanged himself this morning to a water pipe in the basement of his home, No. 349 East One Hundred and Fifty-fourth Street, and was dead when his brother-in-law, Gus Nacklabman, found him. He was forty-two years old and married.

SHE RECOMMENDS "FRUIT-A-TIVES"

Mrs. Corbett Read the Advertisement and Tried It

"I have used 'Fruit-a-tives' for *Indigestion and Constipation* with most excellent results, and they continue to be my only medicine. I saw 'Fruit-a-tives' advertised with a letter in which some one recommended them very highly, so I tried them. The results were more than satisfactory, and I have no hesitation in recommending 'Fruit-a-tives.'" ANNIE A. CORBETT.

Avon, May 14th, 1914.

Time is proving that 'Fruit-a-tives' can always be depended upon to give prompt relief in all cases of *Constipation and Stomach Trouble.*

HAVE COLOR IN YOUR CHEEKS.

Be Better Looking—Take Olive Tablets.

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

If you want a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists.

Take one or two nightly and note the pleasing results.

QUIT DRINK 2 DAYS AND THEN WOKE UP GUARDIANS OF CITY

Bergman Called Police, Firemen and Ambulance With Story of "Man Crushed."

A man in pajamas ran out of No. 13 West Thirty-first Street at 1 A. M. to-day and said to Policeman Rausch, who was passing:

"Hurry. A man in there is being crushed to death between the elevator and roof!"

Rausch stepped to a call box and notified Lieut. Collins at the West Thirtieth Street Station, and Collins notified New York Hospital, Fire Headquarters and Truck No. 24. As Rausch started into the building, an old-fashioned dwelling converted into a rooming house, he was joined by Policeman Shay. The man in pajamas led them to the top floor and pointed to the scuttle.

"See 'im?" he shouted. "He's been there all night. He's mashed pretty thin now, ain't he?" There was no crushed man, no elevator.

The police looked at the scuttle and then at the man in pajamas. Before they had found words to express themselves there arrived eight firemen, in charge of Capt. Cozine, with crowbars and things, from Thirty-third Street, in an auto truck; an ambulance and two men from Bellevue; ditto from New York Hospital, and a batch of reserves.

As the man was guarded past the firemen into the Bellevue ambulance, he told the policemen it was not drinking that made him feel funny, but quitting two days ago. He was booked in the alcoholic ward as Otto Bergman, fifty-five, clerk, and two weeks a roomer in No. 13.

SEEK DYE SHORTAGE RELIEF.

Secretary Redfield in Secret Conference With Large Dealers.

Prominent manufacturers of dye stuffs conferred to-day with Secretary of Commerce Redfield in the rooms of the Merchants' Association in the New York Life Insurance Building to find a remedy for the critical shortage of dyes. The meeting is secret and only large dealers, including the National Aniline and Chemical Company, No. 100 William Street, were invited to attend. None of the manufacturers who are large users of dyes, it is said, were present and they were not notified of the meeting.

A member of the American Protective Tariff League asserted that the conference was to relieve the situation without removing the tariff on dye stuffs. According to a report read at the annual meeting of the Silk Association of America yesterday it may soon be impossible to produce any dark shades of silk.

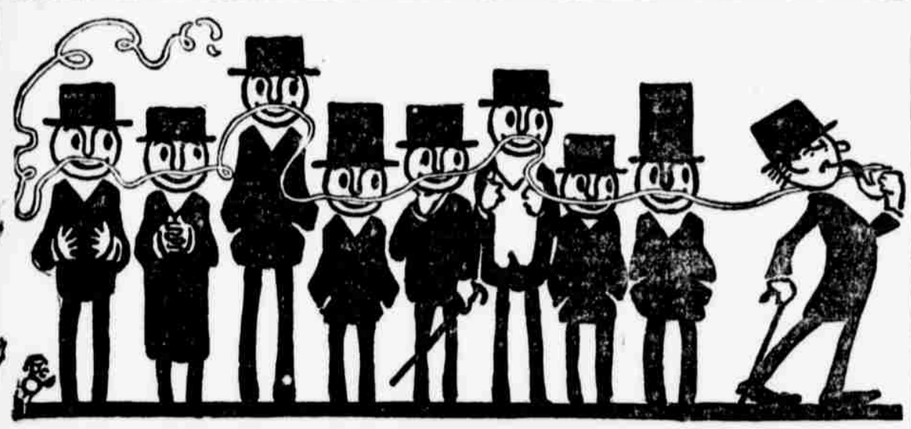
World "Wants" Work Wonders



m—m—m—m—m—m—m—m—! *isn't* that lovely!!

Take the trail of any real wise smoker with a pipe between his teeth and snatch a mellow whiff of fragrant "Tux."

Then you'll right away hunt up the nearest tobacco shop and gladly intern a dime in exchange for a green tin of pure smoke-delight.

"Tux" is going ahead of them all with a speed that makes it look like a race between a 60-horse-power motor-car and a steam roller. It's the fastest-growing brand of smoking tobacco in the world.

DAVID J. PALMER
Commander-in-chief Grand Army of the Republic

"Under the gentle, cheerful influence of a mild, pleasant tobacco like Tuxedo, a man can work better and rest better. I like Tuxedo very much."

David J. Palmer

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo is the *original* Burley smoking tobacco, that made pipe-smoking possible to many men, and the *original* "Tuxedo Process" has never been duplicated. It stands to-day as the most effective treatment for making the natural leaf deliciously mild and delightfully fragrant and for removing every trace of "bite."

Spend a week with Tuxedo. Then it will be just one week after another.
