THE MONEY MARKET.

EXCHANGES AND BANKS CLOSED ON THE NATIONAL HOLIDAY.

Tuesday, May 30—p. m.

Memorial Day being a National holiday all the exchanges and banks are closed, and business is generally suspended. Further on we print the closing quotations of yesterday for the convenience of readers.

In London British consols further advanced 1-8 to 99 for both money and the account. The Bank of England gained £196,000 bullion on balance. In the open market money was easy at 3 5-8 a3 3-4 per cent for discounts and 3a3 1-2 per cent for daily balances. Bar silver was 1-16d lower at 37 11-16d an ounce. At the London Stock Exchange no more failures were announced, and the settlement proceeded satisfactorily. American railway shares responded to the weakness in the market here yesterday, and closed unsettled with general losses. At Paris French 3 per cents declined 5 centimes to 97.60, sight exchange on London being a shade higher at 25.29 francs to the pound sterling.

Following are the final quotations of stocks at the Stock Exchange yesterday.

In connection with the Reading reorganization plan, the explanation should be made that the general mortgage coupons are to be purchased by the trustees as they fall due and not in advance. This explanation is given because of an impression in some quarters that coupons for the entire funding period—five years—are to be purchased at once.

The holders of the general mortgage bonds of the Philadelphia and Reading Railroad Company are hereby requested to call at the office of the company, and to sign the proposed agreement between the Philadelphia and Reading Railroad Company, the Pennsylvania Company for Insurances on Lives and Granting Annuities, and the holders of the general mortgage bonds, for the sale to the said Pennsylvania Company for Insurances on Lives and Granting Annuities, trustee, for cash, at par, of ten coupons, or of the registered interest, as they mature, beginning with that of July 1, 1893, and including that of Jan. 1, 1898, to be held as security for the proposed issue of coupon trust certificates in accordance with the provisions of the plan for the readjustment of the affairs of the Philadelphia and Reading Railroad Company and the Philadelphia and Reading Coal and Iron Company, and the funding of the floating and other indebtedness now in default. NEW-YORK, May 22, 1893.

To the Security Holders of the

RICHMOND & WEST POINT TERMINAL RAILWAY & WAREHOUSE COMPANY.

RICHMOND & DANVILLE RAILROAD COMPANY and SYSTEM.

EAST TENNESSEE, VIRGINIA & GEORGIA RAILWAY COMPANY and SYSTEM:

Referring to our circular letter of April 12, 1893, to Messrs. Wm. P. Clyde and others, we beg to state that, in pursuance thereof, deposits have been made with us to an amount which satisfies us that it is the desire of Richmond Terminal security holders that we should undertake the reorganization of the affairs of that company and its subordinate companies, and, with this object in view, and as promised in our letter, we have formed a syndicate to underwrite the plan of reorganization.

By the conditions of that letter, every depositor gave to us full authority to include any of the securities of the Terminal Company, so deposited, in the plan when announced, and full and absolute discretion as to all the terms and provisions of the plan, and as to assessments on deposited stock. We desire to say, however, that should the plan of reorganization, on examination prove unsatisfactory to any depositor of securities now in our hands, *such depositor may withdraw his securities on surrender of our receipt therefor, at our office, on or before May 31st*, 1893. All securities except those so withdrawn will be included in the plan of reorganization.

Copies of the agreement and plan of reorganization are now ready for distribution, and all security holders are invited to obtain them from us or from any member of the Committee. The plan sets forth in detail the present condition of the various properties, the reasons applicable in each particular instance for the readjustment with security holders, and much other information which it is impracticable to condense into the present circular.

At our suggestion, Messrs. C. H. Coster, George Sherman, and Anthony J. Thomas have undertaken to act as a Committee for the purpose of carrying the reorganization into effect. We have agreed to co-operate in, and to supervise, the work of reorganization.

The following is a list of the bonds and stocks to be deposited with us under the plan of reorganization:

All holders of the above securities may now deposit them with us at our office, No. 23 Wall-st., New-York, receiving therefor our negotiable receipts, exchangeable at any time for reorganization certificates, countersigned by the Central Trust Company of New-York, which company will act as the custodian of all securities deposited with us for the purposes of the reorganization.

Securities not deposited with us will not be entitled to participate in the benefits of the reorganization.

Any further information connected with the reorganization, which may be desired by security holders, will be furnished on application at our office.

We strongly recommend all security holders affected by the plan to deposit their securities without delay, as we believe that the reorganization will result to their best interests and will place these properties on a sound and profitable financial basis.

Long Dock Company

CONSOLIDATED MORTGAGE GOLD SIXES OF 1935.

After June 1st

An Absolute First Mortgage.

The Erie Railway terminates on the westerly side of the Palisades. The tunnel through which it reaches the Hudson River and the land occupied and used by it for depot and track purposes, comprising some 577 acres, together with the improvements thereon, the docks and ferry privileges are leased from the Long Dock Company.

There are about 31 miles of track upon the Long Dock property, eight large warehouses, seven docks, three ferry slips, a great passenger depot, extensive machine, boiler and car repair shops, and a number of other buildings.

A very conservative estimate of the value of the property would not be less than $16,000,000.

There are now outstanding $4,500,000 Sixes and $3,000,000 of Sevens. **The Seven per cent. bonds mature June 1st and will be paid in cash.** The three million of the consolidated bonds reserved to retire the sevens have been sold and will be ready for delivery immediately after June 1st. The bulk of these bonds have been placed with investors. We can still supply a limited amount at 125 and accrued interest, to date of delivery. We will take the seven per cent. bonds in payment at par and accrued interest to maturity.
