PUBLIC NOTICE.

OFFICE OF THE CLERK OF THE COMMON COUNCIL, ROOM NO. 8, CITY HALL, NEW-YORK CITY, New-York, March 18th, 1895.

Pursuant to directions given to me in the following resolution, which was adopted by the Common Council March 5th, and approved by the Mayor March 14th, 1895, viz.:

Resolved, That Thursday, the eleventh day of April, 1895, at 2 o'clock p. m., and the Chamber of the Board of Aldermen, be and are hereby designated as the time and place when and where the application of the North New-York Junction Railway Company, to the Common Council of the City of New-York, for its consent, authority and permission, for the construction, maintenance and operation of the street surface railroad proposed to be constructed by the said company, as mentioned in their petition for such consent, will be first considered, and that public notice be given by the Clerk of this Board, by publishing the same daily for at least fourteen days in two daily newspapers published in this city, to be designated therefor by His Honor the Mayor, according to the provisions of the Railroad Law; such advertising to be at the expense of the petitioner.

Public notice is hereby given that at the time and place mentioned in the resolution the following application of "The North New-York Junction Railway Company" will be considered as is required by the provisions of the Railroad Law.

To the Honorable the Common Council of the City of New-York:

The petition of "The North New-York Junction Railway Company" respectfully shows:

That your petitioner is a street surface railroad corporation, duly organized and incorporated under and in pursuance of an act of the Legislature of the State of New-York, entitled the Railroad Law.

That the said corporation proposes to build, construct, maintain and operate a street surface railroad for public use in the conveyance of persons and property in cars, for compensation, in the City of New-York, in the County of New-York, upon and along the surface of the following streets, avenues and highways in the City of New-York, to wit: Commencing at a point or place on Willis Avenue south of the Southern Boulevard; thence with double tracks through, along and upon Willis Avenue to One Hundred and Forty-ninth street; thence through, along and upon One Hundred and Forty-ninth street to Gerard avenue; thence through, along and upon Gerard avenue to One Hundred and Sixty-first street; thence through, along and upon One Hundred and Sixty-first street to a point or place on said street at or near Jerome avenue, together with the necessary connections, switches, sidings, turn-outs, turn-tables and suitable stands for the convenient working of such railroad.

That the railroad proposed to be built, constructed, maintained and operated by your petitioner, as hereinbefore set forth, is intended to be operated by any motive power, other than locomotive steam power, which now or at any time hereafter may lawfully be used and employed on its route.

Your petitioner further shows that, pursuant to the laws of this State, it is necessary for it to obtain the consent of the Common Council of the City of New-York, to enable it to construct, maintain and operate the railroad aforesaid, and accordingly your petitioner now applies to your Honorable Body for such consent.

Wherefore, your petitioner prays and makes application to the Common Council of the City of New-York, for its consent and permission to be granted to your petitioner, its successor, successors, lessees and assigns, to construct, maintain and operate a street surface railroad for public use, through, upon and along the avenues, streets and highways above set forth and described, together with all necessary connections, switches, sidings, turn-outs, turn-tables, cross-overs and suitable stands for the convenient working of said railroad, and for the accommodation of the company's cars which may be run over said railroad by your petitioner, its successors, lessees or assigns.

Dated New-York, February 25, 1895.

NORTH NEW-YORK JUNCTION RAILWAY COMPANY, By JOHN COTTER, President.

State of New-York, City and County of New-York, ss.:

John Cotter being duly sworn, says that he is the President and an officer of The North New-York Junction Railway Company, the above-named petitioner; that the foregoing petition is true to the knowledge of this deponent, except as to the matters therein stated to be alleged upon information and belief, and that as to those matters he believes it to be true; that the reason why this verification is not made by the petitioner is because the petitioner is a corporation; and the grounds of deponent's belief as to all matters in said petition not stated upon his knowledge are investigations which deponent has caused to be made concerning the subject-matter herein and information acquired by the deponent in the course of his duties as such officer of the petitioner in the above petition. JOHN COTTER.

Sworn to before me this 25th day of February, 1895.

Second—That all parties or persons whose rights may be affected by the said estimate and who may object to the same or any part thereof, may, within ten days after the first publication of this notice (March 22d, 1895), file their objections to such estimate in writing, with us, at our office, Room No. 113, on the third floor of the Stewart Building, No. 280 Broadway, in said city, as provided by section 1, chapter 151 of the Laws of 1894, as amended by chapter 35 of the Laws of 1895, which said acts are, by chapter 151 of the Laws of 1894, made applicable to this proceeding, and that we, the said Commissioners, will hear the parties so objecting, at our said office, on the 5th day of April, 1895, at 3:30 o'clock in the afternoon, and upon such subsequent days as may be found necessary.

Third—That our report herein will be presented to the Supreme Court of the State of New-York, at a Special Term thereof, to be held at Chambers thereof, in the County Court-house, in the City of New-York, on the 23d day of April, 1895, at the opening of the court on that day, and that then and there, or as soon thereafter as counsel can be heard thereon, a motion will be made that the said report be confirmed.
