Summer Resorts.

THE INN AT HIGH POINT.

A Summer Resort with all the conveniences of city life. Located on the Shawangunk Mountains, the highest point in the State of New-Jersey (altitude 1,800 feet). A view of unparalleled grandeur, overlooking the Delaware Valley and receiving the pure, healthful air from the woodlands of Pike and Sullivan counties.

The Inn has all modern conveniences—gas, bath, toilet rooms, telephone and medical skill within easy reach. Additions recently made give a frontage of 275 feet, and a balcony promenade of one-quarter of a mile.

The rooms are desirable. No back rooms, as they either overlook the valley of the Delaware or face Lake Marcia, a spring water lake of unequalled purity.

Meats are of the choicest, direct from Chicago in ice packed boxes. Fruits from the finest fruit region in this country. The butter used from the dairy of Clove Valley Farm, the home of a prize-winning herd of Jerseys. Milk is here called milk, and cream called cream, and there is plenty of both. Maple syrup of the choicest flavor made for our special use.

Sanitary conditions perfect. Nature has provided a spring lake of unusual purity, while sewage and drainage goes the opposite direction. Dr. Thomas Morong, curator of the Herbarium at Columbia College, after an exhaustive examination of the water of Marcia Lake, says:—"The water is remarkably pure and limpid, being entirely free from muddy deposits of vegetable germs."

In the way of amusements, boating, driving, lawn tennis, billiards, &c. An orchestra engaged for the season, a children's play-room, swings and other attractions for the children. Guests can be assured that they will meet at the Inn people of refinement and culture, and the same care which has heretofore excluded those wanting in these characteristics will be exercised in the future. Our motto is:—"No malaria, no flies, no mosquitoes; good water; good food; good air; we want good people." The Inn opens May 29.
